Can you can confirm the address?

434 Burlington does not have any demo permits on file from what we see in the system.

I have looped in our Planning Deputy Amy Ablakat who can help us with any Planning questions.

ADVISORY: O'FARRELL, LAPD ANNOUNCE $50,000 REWARD IN HISTORIC FILIPINOTOWN MURDER CASE

CITY HALL - City Councilmember Mitch O'Farrell and the Los Angeles Police Department (LAPD) will announce a $50,000 reward during the next regular City Council meeting in an effort to generate leads in a murder case out of Historic Filipinotown.

Councilmember O'Farrell will make the announcement during the regular City Council meeting on **Tuesday, January 30, at 10:00 a.m., 200 N Spring St., John Ferraro Council Chamber Room 340, Los Angeles, CA 90012.**

****MEDIA AVAILABILITY WITH THE COUNCILMEMBER, LAPD, AND THE LUNA FAMILY TO FOLLOW IMMEDIATELY AFTER****

A reward is being offered for the arrest and conviction in the investigation involving the fatal stabbing of **Juan Carlos Luna.** According to LAPD, on September 17, 2017, at approximately 0810 hours, the victim, a 21- year-old male Hispanic, was discovered in the 1800 block of West Court Street, near the northwest corner of Court Street and Burlington Avenue.

A passerby saw the victim lying on the sidewalk, unresponsive. The victim had suffered multiple stab wounds and was pronounced dead at the scene by Los Angeles Fire Department paramedics. The LAPD investigation revealed that the victim, who was a resident of city of Glendale, was attending a party in Koreatown the night before the murder. The victim was last seen alive by one of his friends leaving the party in the early morning hours of September 17.

BROKEN WATER LINE IN SIDEWALK AT 324 N. BURLINGTON AVENUE

Hello Juan;

This morning, I observed water emanating and streaming from the public sidewalk in front of 324 N. Burlington Avenue in CD13.

See attached photos.

It is an unusual site and perhaps there is a broken water pipe underneath the public sidewalk.

Would it be possible for the Council Office to reach out to the appropriate City Department to investigate and take corrective action?

Much appreciated,

He mentioned that they expressed to him that the City's moratorium does not cover him. Today when he tried to deliver the rent money order at the buildings office, they refused to accept it, according to him.

CD 13 Burlington Apartments Update

1 message

Juan Fregoso <juan.fregoso@lacity.org> Fri, Aug 17, 2018 at 2:12 PM

[redacted]

Dear Neighbor,

As promised at our July 31st meeting, Councilmember O'Farrell spoke with Burlington Apartments owner Lisa Ehrlich and her representation. He provided her the same amount of time as he did with you.

He addressed the issues and concerns the tenants brought up in our meeting regarding the rent increases and the conditions of the building. Ms. Ehrlich indicated that the rents have not been raised in nearly a decade despite increased operating costs. She stated that she doesn't want to see people evicted and wants to continue renting to those residents on strike, but that there will be a rent increase per previous discussions with the management.

Those tenants interested in in staying at the Burlington Apartments should contact the property manager directly and pay back rent for the missed payments. Please be advised that the property manager is only allowed to discuss the offer with tenants directly and no other outside representatives or legal counsel.

This situation is particularly challenging. The ability of our office to provide assistance is limited because this building is not subject to the Rent Stabilization Ordinance (RSO). It is further complicated by the fact that a choice was made to stop paying rent back in March. This "rent strike" makes it a dispute between two private parties preventing us from intervening further.

If you feel you are not being adequately represented by legal counsel, I would strongly encourage you to seek alternatives. Several organizations are able to provide assistance, such as Bet Tzedek (https://www.bettzedek.org/). I also have a list of other organizations I could send you should you request them.

The councilmember believes everybody should have safe and clean housing. If there is an issue at the building, you are encouraged to file a complaint with the Housing, Community and Investment Department of the City of Los Angeles (HCIDLA) (https://hcidla.lacity.org/). You may also call 1-866-557-RENT(7368) or file a complaint online at https://hcidla.lacity.org/living-safe-conditions. You may also continue to contact me directly at (213) 207-3015 so I can help you through the process with the Housing Department.

I am available to schedule a call or a meet with you should you wish to discuss further.

I will be calling everyone who attended the meeting and provided a call back number.

Estimado Vecino,

Como se prometió en nuestra reunión del 31 de julio, el concejal O'Farrell habló con la propietaria de los Apartamentos Burlington, Lisa Ehrlich, y su representante. Él le proporcionó la misma cantidad de tiempo que él le dio a todos ustedes

Se dirigió a los problemas y preocupaciones que los inquilinos nos dijeron en nuestra junta con respecto a los aumentos de renta y las condiciones del edificio. La Sra. Ehrlich indicó que las rentas no se han aumentado en casi una década a pesar del aumento de los costos operativos. Ella declaró que no quiere ver a los inquilinos desalojados y quiere continuar alquilando a los residentes en huelga, pero que si va ver un aumento en el las rentas.

Esos inquilinos interesados en alojarse en los apartamentos de Burlington deben ponerse en contacto directamente con el mayordomo y pagar la renta que deben por los pagos atrasados. El mayordomo solo puede discutir la oferta directamente con los inquilinos y no con otros representantes externos o legales.

Esta situación es particularmente desafiante. La capacidad de nuestra oficina para proporcionar asistencia está limitada porque este edificio no está sujeto a la Ordenanza de estabilización de alquileres (RSO). Se complica aún más por el hecho de que se tomó la decisión de dejar de pagar la renta en marzo. Esta "huelga de alquiler" lo convierte en una disputa entre dos grupos privados que nos impide intervenir más.

Si siente que no está representado adecuadamente por un abogado, le recomiendo que busque alternativas. Varias organizaciones pueden asistir, como Bet Tzedek (https://www.bettzedek.org/). También tengo una lista de otras organizaciones que le puedo enviar si la necesita.

El concejal cree que todos merecen tener una vivienda segura y limpia. Si hay algún problema en el edificio, por favor envíe una queja al Departamento de Viviendas, Comunidad e Inversión de la Ciudad de Los Ángeles (HCIDLA) (https://hcidla.lacity.org/). También puede llamar al 1-866-557-RENT (7368) o presentar una queja en el siguente sitio web (https://hcidla.lacity.org/living-safe-conditions). Puede continuar a comunicándose conmigo directamente al (213) 207-3015 para que pueda ayudarle a través del proceso con el Departamento de Viviendas.

Sinceramente,

City Inspector at 312 N Burlington

Greetings Juan

I want to voice my concern with a city inspector that is surprising my wife with additional requirements that he claims are required. When we thought building a retaining wall was completed with all of his inspections, twice afterwards he neglected to mention sprinkler and landscaping in addition to his newest claim that we need fencing above the wall "to get a sign off". These two extra items will run our budget over by approximately $20,000. It seems the inspector is over reaching and adding unnecessary burden upon home owner. Who can we contact and verify this added work is required?

Let me know your thoughts

The requester (99.9% positive it's Adrian, once again) wants copies of ALL CD13 CPRA requests currently on Next Request -- either open or closed. I'm trying to interpret what exactly they want. Here are my questions:

1) Do they want A) a list of requests that we have received, or B) the **FULL CONTENTS** of the requests themselves?

2) If it's B, are we under any obligation to provide that?

Thanks,

19-4114	Re California Public Records Act Request to Councilmember Mitch O'Farrell and his representatives.Under the California Public Records Act § 6250 et seq., I am requesting copies of the public records described below. I would like copies of the records to be sent to me electronically. My email address is Mslate@TheMichaelSlateShow.com. As a working journalist, from Pacifica station KPFK 90.7 FM, I understand I am entitled to a waiver of all fees in that the disclosure of the requested information is in the public interest. This information is not being sought for commercial purposes. The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies of the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law. I am making a request for a large number of records, so I will group them with regard to dates and organizations and individuals related to them. In November, 2016, Donald Trump was elected president. Within a few weeks, the organization Refuse Fascism (RefuseFascism.org) was formed. 19-4659	OFFICE Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I would like to inspect the following, which I understand to be held by your office: Any emails involving staff members of Councilmember Mitch O'Farrell, and the Councilmember himself, relating to homeless encampment clean-ups, or service days (whatever your office is calling them now). You can exclude any emails with the LAPD, to make this easier. I'm interested particularly in how your office communicates internally about these clean-ups, otherwise known as "sweeps." Please include any emails sent from one staff member to another, or emails between a staff member and a constituent. Please include emails discussing how to communicate about these clean-ups with the general public and the media. Please include emails involving Councilmember O'Farrell's private email: mitchof13@gmail.com. Dates: from July 1, 2018 to August 19, 2019. If you determine that any or all or the information qualifies for an exemption from disclosure, we ask you to note whether, as is normally the case under the CPRA, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information. If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that	08/20/2019 10:00:12 AM

20-875	Council District 13 Custodian of Records, Under the California Public Records Act § 6250 et seq., I am requesting an opportunity to inspect or obtain copies of public records containing emails, phone records or any other correspondence between any employee or representative from Brooklyn Bagel @ 2223 Beverly Blvd, Los Angeles, CA 90057 and any Council District 13 staff member between January 1, 2016 and February 5, 2020. If there are any fees for searching or copying these records, please inform me if the cost will exceed $20. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the severity of the homeless crisis in Los Angeles. I'm a freelance reporter working with LATACO.com, a reputable news organization based in Los Angeles. This request is related to news gathering purposes. This information is not being sought for commercial purposes. The California Public Records Act requires a response within 10 business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies or the ability to inspect the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available	02/05/2020 06:33:49 PM

20-952	regularly scheduled 2019 staff reports re their activities to the cm. annual, monthly, weekly, whatever frequency.	02/08/2020 07:26:33 AM
20-1062	Hello, I would like to request all documentation (be they emails, forms, or other communications) that the councilmember or his staff have sent or received regarding Echo Park Lake, the homeless encampments at or around echo park lake, and any planned or previously executed cleanups at echo park lake dated from 1/1/2020 to the present day. This request is expressly intended to cover any non-official email address known to your office to be used by the councilmember for communications relevant to the execution of his duties, in compliance with the ruling of the California state Supreme Court. thank you	02/13/2020 08:02:34 AM
20-1114	Emails sent and received by Councilman Mitch O'Farrell and/or CD13 staff regarding any of the following terms: "Ashley Bennett" "Ground Game" from 1/23/20 to the present	02/14/2020 11:04:41 AM

20-1407	To whom it may concern: Pursuant to the state open records law Cal. Gov't Code Secs. 6250 to 6277, I write to request access to and a copy of all emails and text messages sent and received by Mitch O'Farrell's office, including the councilmember himself and staffers, from 4/1/17 to 2/27/20 with regards to either "Ashley Bennett", "Ashley Nicholeb", "Ground Game LA", "Ground Game L.A.", "Ground Game", and/or "Ground Game Los Angeles". If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address. I agree to pay any reasonable copying and postage fees of not more than $500. If the cost would be greater than this amount, please notify me. Please provide a receipt indicating the charges for each document. As provided in the open records law, Sec. 6253(c), I will expect your response within ten (10) business days. If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material. I would note that willful violation of the open records law can result in the award of court costs and reasonable attorney fees. See Sec. 6259(d). Thank you for your assistance.	02/27/2020 09:43:13 AM
20-1626	Looking today for copies of all MOF's appointment calendars for 2020 through June 2020 please. Also all emails in the possession of Mr. Cano or Ms. Min from December 1, 2019 onwards that have any of the following search terms: 1. Wulfestieg 2. Parkview 3. Shapiro	02/25/2020 12:00:00 AM

20-1627	Looking today for all 2020 emails between CD13 staff and electeds on the one hand and any correspondent at RAP on the other hand. I also need all attachments to these emails in their specific native formats. Also, of course, I need the emails themselves in their native format, which is MBOX for Gmail. Just tangentially, please note that your City Attorney has opined on a number of occasions that each City department is a separate local agency under the CPRA. CD13 relies on this opinion regularly when you all choose to redact the names and email addresses of those folks your boss chooses to recognize as his constituents even though other City departments don't redact these names or email addresses. Of course if CD13 and these other City departments were part of the same local agency then one non-redaction would waive all exemption claims City-wide. Therefore it follows that CD13 and RAP are distinct local agencies. The point of this, then, is that it's not possible for communications between CD13 and RAP to be exempt under any possible theory about deliberative process since the deliberative process must occur internally to a local agency. The CPRA allows delay in production only for searching, reviewing, and redacting. Since there are no possible deliberative process exemptions, and no possible privacy exemptions, I would expect that you'll be able to review these emails for release fairly promptly.	02/26/2020 12:00:00 AM

20-1628	Good morning, Council Staff. With this email I'm giving notice that I will be in your office tomorrow, Tuesday, March 3, 2020 at some point between 11 AM and 3 PM to inspect the following records in electronic format as specified. Also see attached PDF. Please note that in the interest of efficiency I am providing your office with this notice even though the California Public Records Act requires the production of these records on demand to any person even without advance notice. 1. Hi Frank and Bethelwel,

We have to respond to this request by tomorrow: https://lacity.nextrequest.com/requests/20-2919

The requester (99.9% positive it's Adrian, once again) wants copies of ALL CD13 CPRA requests currently on Next Request -- either open or closed. I'm trying to interpret what exactly they want. Here are my questions:

1) Do they want A) a list of requests that we have received, or B) the **FULL CONTENTS** of the requests themselves?

2) If it's B, are we under any obligation to provide that?

Thanks,

19-4114	Re California Public Records Act Request to Councilmember Mitch O'Farrell and his representatives.Under the California Public Records Act § 6250 et seq., I am requesting copies of the public records described below. I would like copies of the records to be sent to me electronically. My email address is Mslate@TheMichaelSlateShow.com. As a working journalist, from Pacifica station KPFK 90.7 FM, I understand I am entitled to a waiver of all fees in that the disclosure of the requested information is in the public interest. This information is not being sought for commercial purposes. The California Public Records Act requires a response within ten business days. If access to the records I am requesting will take longer, please contact me with information about when I might expect copies of the requested records. If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.. I am making a request for a large number of records, so I will group them with regard to dates and organizations and individuals related to them. In November, 2016, Donald Trump was elected president. Within a few weeks, the organization Refuse Fascism (RefuseFascism.org) was formed. On December 31, 2016, Refuse Fascism, Los Angeles, held a protest march partly within the city of Los Angeles. In January, 2017, members and supporters of Refuse Fascism, Los Angeles, held a vigil on the west steps of LA City Hall. I am requesting any records, reports, statements, communications and/or memoranda to and from Councilmember Mitch O'Farrell or his office, or copies of any other records, reports, statements and/or memoranda held by Councilmember Mitch O'Farrell, regarding Refuse Fascism or Refuse Fascism Los Angeles, and/or the protests held on December 31, 2016, and in January, 2017. These include electronic and written communications between Councilmember Mitch O'Farrell and his staff, with the LAPD, the LA City Attorney, and any other law enforcement official or agency; records, transcripts or notes taken of any voice communications, by telephone or in person, between or among the Mayor and City Council members and any other agency, regarding Refuse Fascism or Refuse Fascism, Los Angeles, and the actions in December, 2016, and January, 2017. I am requesting any subsequent records, reports, statements, communications, memoranda and writings of any nature in the possession of Councilmember Mitch O'Farrell and his staff or custodian of records, regarding Refuse Fascism and/or Refuse Fascism Los Angeles, including communications of any form or nature, emails, letters, memos and/or reports or any writings both received or generated by the Los Angeles Police Department, the Los Angeles City Attorney's Office, the Los Angeles Police Commission and its staff, individual members of the Los Angeles Police Commission, and any other local, state or federal law enforcement agency, from December 1, 2016 through the date of this request, July 23, 2019. This request includes but is not limited to protests at Los Angeles City Hall during the first three weeks of January, 2017, a protest at Hollywood and Highland on July 15, 2017, and protests in Los Angeles on November 4, 11 and 18. On September 26, 2017, and November 21, 2017, protests were held on the 101 Freeway in downtown LA. In July and August of 2018, 9 individuals received letters ordering them to appear in court, where they would be charged with criminal offenses in relation to the protests. Between August 27 and September 5, 2018, they appeared in Los Angeles Superior Court, Metropolitan Courthouse and 44 misdemeanor charges were filed by the Los Angeles City Attorney's office, LASC Case Nos. 8MN04232, 8MN04233; MN04234, 8MN04235, 8MN04236, 8MN04238, 8MN04252, I am requesting records, reports, statements, communications,memoranda and writings of any nature in the possession of Councilmember Mitch O'Farrell or their custodian of records, regarding Refuse Fascism, Refuse Fascism Los Angeles, the Revolution Club, the Los Angeles Revolution Club, Yesenia Cruz Antonio, James Hoberman, Coralie LaSalle, Alessandro Morosin, Glynn Leroi Parker, Elise Kelder, Chantelle Hershberger, Miguel Antonio and/or Justin Ullman, including communications with or reports received from any local, state or federal law enforcement agency, including the LAPD and the LA City Attorney's Office. As published in the Los Angeles Times July 19 and 20, 2019 as well as documents provided by the Los Angeles Police Department and the LA City Attorney's office, the LAPD directed a LAPD Confidential Informant into Refuse Fascism meetings. I am requesting records, reports, statements, communications, memoranda and writings of any nature in the possession of Councilmember Mitch O'Farrell or his custodian of records, regarding police spying on the political organization Refuse Fascism, or Refuse Fascism LA.including communications of any kind or nature, including but not limited to electronic, writing, and.or records of phone communications within the office of Councilmember Mitch O'Farrell as well as any such communications with the Los Angeles Police Department, Los Angeles City Attorney's Office and the Los Angeles Police Commission. Thank you for your attention. Best, Michael Slate	07/23/2019 09:42:36 PM

19-4659	REQUEST TO COUNCILMEMBER MITCH O'FARRELL'S OFFICE Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I would like to inspect the following, which I understand to be held by your office: Any emails involving staff members of Councilmember Mitch O'Farrell, and the Councilmember himself, relating to homeless encampment clean-ups, or service days (whatever your office is calling them now). You can exclude any emails with the LAPD, to make this easier. I'm interested particularly in how your office communicates internally about these clean-ups, otherwise known as "sweeps." Please include any emails sent from one staff member to another, or emails between a staff member and a constituent. Please include emails discussing how to communicate about these clean-ups with the general public and the media. Please include emails involving Councilmember O'Farrell's private email: mitchof13@gmail.com. Dates: from July 1, 2018 to August 19, 2019. If you determine that any or all or the information qualifies for an exemption from disclosure, we ask you to note whether, as is normally the case under the CPRA, the exemption is discretionary, and if so whether it is necessary in this case to exercise your discretion to withhold the information. If you determine that some but not all of the information is exempt from disclosure and that you intend to withhold it, I ask that you redact it for the time being and make the rest available as requested. In any event, please provide a signed notification citing the legal authorities on which you rely if you determine that any or all of the information is exempt and will not be disclosed. I ask for a determination on this request within 10 days of your receipt of it, and an even prompter reply if you can make that determination without having to review the record[s] in question.	08/20/2019 10:00:12 AM

20-1407	To whom it may concern: Pursuant to the state open records law Cal. Gov't Code Secs. 6250 to 6277, I write to request access to and a copy of all emails and text messages sent and received by Mitch O'Farrell's office, including the councilmember himself and staffers, from 4/1/17 to 2/27/20 with regards to either "Ashley Bennett", "Ashley Nicholeb", "Ground Game LA", "Ground Game L.A.", "Ground Game", and/or "Ground Game Los Angeles". If your agency does not maintain these public records, please let me know who does and include the proper custodian's name and address. I agree to pay any reasonable copying and postage fees of not more than $500. If the cost would be greater than this amount, please notify me. Please provide a receipt indicating the charges for each document. As provided in the open records law, Sec. 6253(c), I will expect your response within ten (10) business days. If you choose to deny this request, please provide a written explanation for the denial including a reference to the specific statutory exemption(s) upon which you rely. Also, please provide all segregable portions of otherwise exempt material. I would note that willful violation of the open records law can result in the award of court costs and reasonable attorney fees. See Sec. 6259(d). Thank you for your assistance.	02/27/2020 09:43:13 AM
20-1626	Looking today for copies of all MOF's appointment calendars for 2020 through June 2020 please. Also all emails in the possession of Mr. Cano or Ms. Min from December 1, 2019 onwards that have any of the following search terms: 1. Wulfestieg 2. Parkview 3. Shapiro	02/25/2020 12:00:00 AM

20-1627	Looking today for all 2020 emails between CD13 staff and electeds on the one hand and any correspondent at RAP on the other hand. I also need all attachments to these emails in their specific native formats. Also, of course, I need the emails themselves in their native format, which is MBOX for Gmail. Just tangentially, please note that your City Attorney has opined on a number of occasions that each City department is a separate local agency under the CPRA. CD13 relies on this opinion regularly when you all choose to redact the names and email addresses of those folks your boss chooses to recognize as his constituents even though other City departments don't redact these names or email addresses. Of course if CD13 and these other City departments were part of the same local agency then one non-redaction would waive all exemption claims City-wide. Therefore it follows that CD13 and RAP are distinct local agencies. The point of this, then, is that it's not possible for communications between CD13 and RAP to be exempt under any possible theory about deliberative process since the deliberative process must occur internally to a local agency. The CPRA allows delay in production only for searching, reviewing, and redacting. Since there are no possible deliberative process exemptions, and no possible privacy exemptions, I would expect that you'll be able to review these emails for release fairly promptly.	02/26/2020 12:00:00 AM
20-1628	Good morning, Council Staff. With this email I'm giving notice that I will be in your office tomorrow, Tuesday, March 3, 2020 at some point between 11 AM and 3 PM to inspect the following records in electronic format as specified. Bethelwel and Frank, please see attached. These documents are part of the package we will be sending to the requester **TOMORROW, Friday 5/22** (the due date). However, some of these are correspondence with LAPD so I wanted to first check with you before sending them. Are there any documents here that need to be further redacted or withheld?

The request was submitted on April 23rd. We unfortunately missed the 10-day window to respond, so I would like to provide the initial response later today.

However, I for one am having difficulty of making sense of what exactly this person is asking for. Please see below for the request.

I can respond asking to extend the determination period (to May 17th), but I also feel like we should ask the requester to make their request more succinct or targeted if possible. The request *seems* to be targeted to Walgreens, but I also read it as including ALL correspondence between our office and LAPD, as well as City Planning. The requester also misrepresents Dana Harris and Brian White (who are LAPD employees) as working for City Planning.

In short, it seems like this is a bit all over the place, and I'd like for them to clarify. Can you help?

Thanks,
Dan

Hi Sir,

Attached are the Crime Analysis summaries of the Crimes, Arrests, and Calls for Police Service that have been generated or have otherwise occurred in relation to the Walgreens retail market located at the street address of 1501 Vine Street. All of the summaries indicate that criminal conduct and nuisance activity is escalating at and in relation to the 1501 Vine Street premises. The Crime, Calls for Service, and Arrest summaries additionally support the need to have security conditions added to the Conditional Use Permit that the "Walgreens" is conducting business in conjunction with.

- BELOW IS A SIMPLE BREAKDOWN OF THE CALLS FOR POLICE SERVICE THAT WERE GENERATED IN RELATION TO THE 1501 VINE STREET PROPERTY. THE DATE RANGE IS 01/01/16 – 01/01/19. I HAVE ALSO ATTACHED A COPY OF THE SUMMARY

215 TOTAL CALLS FOR POLICE SERVICE AT 1501 VINE STREET: 01/01/16– 01/01/19:

- **52 CALLS** FOR POLICE SERVICE IN 2016 ****12 OF THOSE CALLS RELATED SPECIFICALLY TO THEFT OR ROBBERY OCCURENCES****
- **69 CALLS** FOR POLICE SERVICE IN 2017 ****17 OF THOSE CALLS RELATED SPECIFICALLY TO THEFT OR ROBBERY OCCURENCES****
- **92 CALLS** FOR SERVICE IN 2018 ****45 OF THOSE CALLS RELATED SPECIFICALLY TO THEFT OR ROBBERY OCCURENCES****

11 TOTAL ARRESTS WERE MADE BY LAPD OFFICERS AT THE 1501 VINE STREET PROPERTY: 01/01/16 – 01/01/19

- **2 ARRESTS** WERE MADE BY LAPD OFFICERS AT THE 1501 VINE STREET PROPERTY IN 2016
- **4 ARRESTS** WERE MADE BY LAPD OFFICERS AT THE 1501 VINE STREET PROPERTY IN 2017
- **5 ARRESTS** WERE MADE BY LAPD OFFICERS AT THE 1501 VINE STREET PROPERTY IN 2018

76 TOTAL CRIMES REPORTEDLY TRANSPIRED AT THE 1501 VINE STREET PREMISES: 01/01/16– 01/01/19:

- **20 CRIMES** REPORTEDLY OCCURRED AT THE 1501 VINE STREET PROPERTY IN 2016 ****8 OF THOSE CRIMES WERE CLASSIFIED AS THEFTS. 4 OF THOSE CRIMES WERE CLASSIFIED AS ROBBERIES. 3 INCIDENTS INVOLVED THEFTS OF LIQUOR****
- **20 CRIMES** REPORTEDLY OCCURRED AT THE 1501 VINE STREET PROPERTY IN 2017 ****9 OF THOSE CRIMES WERE CLASSIFIED AS THEFTS. 2 OF THOSE CRIMES WERE CLASSIFIED AS ROBBERIES. 4 INCIDENTS INVOLVED THEFTS OF LIQUOR****
- **36 CRIMES** REPORTEDLY OCCURRED AT THE 1501 VINE STREET PROPERTY IN 2018 ****25 OF THOSE CRIMES WERE CLASSIFIED AS THEFTS. 4 OF THOSE CRIMES WERE CLASSIFIED AS ROBBERIES. 10 INCIDENTS INVOLVED THEFTS OF LIQUOR****

Police Department records clearly indicate that criminal and nuisance activities are occurring with greater frequency at this location. Records additionally indicate that not only is criminal activity becoming more prevalent at this location but the degree of crime is also becoming more severe with the homicide that occurred on the premises in late 2018 representing the prime example of this alarming escalation.

Please let me know if you have any questions or concerns related to this email or the attached Crime Analysis Summaries.

Thank you,

Officer Thompson

Hi Sir,

We are hosting representatives from the "Walgreens" corporate team at Hollywood Division tomorrow to discuss our opposition to the petition to have off-site sales at the 6801 Hollywood Blvd facility authorized by the Department of City Planning. The meeting will be in Captain Palka's Office at Hollywood Division Station (1358 N Wilcox Avenue, Los Angeles, CA 90028) at 12:00 PM. We all would benefit greatly from your attendance and I hope that you can make it.

Have a great night! Please let me know if you have any questions.

Thank You,

Officer Thompson

Captain Palka and Officer Thompson:

Hope all is well!

As we previously discussed and as requested, enclosed herein please find a proposed security plan for the Walgreens located at 6801 W. Hollywood Boulevard.

We look forward to your review of this security plan and any comments, additions or deletions.

Also, as the record for this Conditional Use Permit ("CUP") only remains open until the beginning of April, we were hoping that we could have our follow up meeting as previously discussed before the end of this month. Therefore, do you have any availability to meet and discuss the week of February 18, 2019 or even the following week (February 25, 2019)?

Please let us know at your earliest convenience.

Thanks,

Hi Miss Oden,

Thank you very much for providing us with the security plan for the Walgreens operation at 6801 Hollywood Blvd. We will discuss the plan and provide you with our opinions and input this week. We will also find a date in the upcoming weeks when we can meet a second time and discuss the security plan you drafted.

Thank You,

Officer Thompson

Hi All,

Captain Palka and I have reviewed the security plan that you developed and provided. We intend to retain much of your plan and incorporate it into our final recommendation to the Zoning Administrator evaluating this case. We want to thank you for all developing and writing the concerned plan and for all of your work in this case. The security condition(s) that we are going to be recommending to the Zoning Administrator evaluating this case has been reproduced below. Our recommended condition will allow for your security plan to be included as part of the terms and requirements of the condition.

Here is our recommended Security Condition:

Prior to effectuation of this grant and prior to the commencement of operations, the petitioner(s) shall be required to provide the Police Department with a security plan that satisfactorily conforms to Police Department and City Planning standards. The security plan shall include a delineation of the video surveillance arrangements for both the licensed premises and the adjoining areas developed and/or commonly utilized by the petitioner(s). The security plan shall also include a delineation of the security personnel scheme including specifications pertaining to staffing, structure and arrangement of security guards for both the licensed premises and the adjoining areas developed and/or commonly utilized by the petitioner. A written/stamped Police Department approved copy of the petitioner(s) security plan will be submitted to the Zoning Administrator prior to the exercise of this grant.

Among the features of the plan are the following:

A. *During all operating hours and until thirty minutes after the premises have been closed to the membership or public, the petitioner(s) shall provide a minimum of one (1) security guards at the 6801 Hollywood Blvd premises, daily.*

B. *During evening hours of operation, from 6:00 p.m. until 12:00 a.m. (Midnight), the petitioner(s) shall provide a minimum of two (2) security guards at the 6801 Hollywood Blvd premises, daily.*

C. *The establishment security guards fulfilling the requirement delineated in Conditions No. ???B and No. ??? C, shall not have any other activities other than those that are security related. Security* *personnel shall be licensed in accordance with State Law and Police Commission standards and maintain valid Bureau of Security and Investigative Services Guard Credentials along with active American Red Cross first-aid credentials. Establishment security personnel shall be dressed in such a manner as to be readily identifiable as facility security guards to pharmacy/grocery customers and to law enforcement personnel.*

D. *The facility operator shall be required to install surveillance cameras throughout the interior and exterior portions of the premises so that all the high-risk public access areas are sufficiently covered. The security plan shall include a delineation of the video surveillance arrangements for both the licensed premises and the adjoining areas (public sidewalks and alleyways fronting the subject premises) developed or otherwise used by the petitioner(s). The petitioner(s) shall maintain the requisite security cameras and a two-month video library that covers all common areas of the business, high-risk areas, sidewalk areas, and entrances or exits. The videotapes or digital recordings shall be furnished to the Police Department upon request.*

I hope that these conditions are a suitable comprise between the security plan that you developed and the recommendations for two guards at all times that I was formerly planning to propose. Please let me know what you all think and what the client thinks.

I believe that Mr. Craig Bullock, Miss Abalkat, and I can find a time to meet with you all next week to discuss. I will let you know as soon as I hear back from them regarding their availably.

Thank You,

Officer Thompson

Thanks for the meeting yesterday.

Attached is AB 1065 we discussed yesterday.
This is the legislation signed by the Governor in September 2018 and effective January 2019, which was designed to help give law enforcement additional tools to combat organized retail theft.

We previously sent it to Officer Thompson in November, and again to both him and Captain Palka after our meeting in January.
We are now interested in seeing how effectively it can be utilized, in practice, and what amendments would/might help it be more effective once it is applied "on the ground".
I am hopeful LAPD will act as a partner to address this concern in a way that would be helpful to this effort.

As you can see, Walgreens is very interested in addressing organized retail theft for all retailers, and to that end was very instrumental in getting this legislation passed.

As to the issue at hand with this particular Walgreens, the store at Hollywood & Highland cannot sustain the economic impact that 2 guards permanently stationed would cause.
$172,000 per year for 2 guards at this 8,500 square foot narrow rectangular drug store in a shopping center with no history of problems, that also has its own security force, is unsustainable.

Per our discussion yesterday, we will now turn our attention to drafting some possible Conditions that include time and performance-based milestones, as well as physical and digital efforts to address retail theft such as stationing an employee in the alcohol aisle, requiring an employee to provide the alcohol to the patron from the cabinets, video surveillance, the relationship of the long narrow floor plan with limited entrance and exit to reducing the possibility of such theft, etc.

We will attempt to have that to you and the officers as soon as possible, and certainly by early next week.

Thank you again for the time, effort, and expertise that you and Amy have devoted to this matter.

Hi Captain Palka:
The email address on your business card was apparently invalid and thus the email with the Organized Retail Theft bill I sent you yesterday was kicked back to me.
So this afternoon I called your office and obtained this email address used now.
The Organized Retail Theft Legislation I mentioned is attached to this email.
This is the legislation that Walgreens has been very active and helped get this passed by the Legislature and signed by Governor Brown.
Please confirm it has been received.
Please note the email below which is mine to Officer Thompson after we met together in November.
Please also let me know your thoughts on whether or not it appears it will prove to be a useful tool to fight ORT.
As you can see, Walgreens is very serious about finding ways to mitigate the prevalence of this type of crime.
Thanks so much,

Gentlemen:

It was good seeing you both today.
Please let me know what you think about this new set of statutes.
Do you see value in it?

I am attaching for your ease of reference a PDF of AB 1065 as well as a Status of the Bill reflecting it was indeed signed by the Governor and Chaptered as Active Amendments to the Statutes identified therein.
So it is law now.
In that Walgreens was instrumental in getting this legislation passed, we are very curious about your observations on it.

Please also note that I spoke with the Regional Director this afternoon and expressed the concerns you expressed to me regarding the Sunset and Vine Walgreens, and also told her of our conversation about the Walgreens at Hollywood & Highland.
She is now looking into who would be the most beneficial to provide for a conversation about how to address the theft issues you identified to me today.
That should not take long and we'll get back to you to set something up.

Thanks so much, Jamieson

Assembly Bill No. 1065

CHAPTER 803

An act to amend, repeal, and add Sections 853.6 and 978.5 of, to add and repeal Sections 490.4, 786.5, and 1210.6 of, to add and repeal Chapter 2.9D (commencing with Section 1001.81) of Title 6 of Part 2 of, and to add and repeal Chapter 13 (commencing with Section 13899) of Title 6 of Part 4 of, the Penal Code, relating to theft.

[Approved by Governor September 27, 2018. Filed with
Secretary of State September 27, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1065, Jones-Sawyer. Theft: aggregation: organized retail theft.

(1) Existing law, the Safe Neighborhoods and Schools Act, enacted as an initiative statute by Proposition 47, as approved by the electors at the November 4, 2014, statewide general election, requires shoplifting, defined as entering a commercial establishment with the intent to commit larceny where the property taken does not exceed $950, to be punished as a misdemeanor. Proposition 47 requires that the act of shoplifting be charged as shoplifting and prohibits a person who is charged with shoplifting from being charged with burglary or theft of the same property.

This bill would, until January 1, 2021, create the crime of organized retail theft which would be defined as acting in concert with one or more persons to steal merchandise from one or more merchant's premises or online marketplace with the intent to sell, exchange, or return the merchandise for value, acting in concert with 2 or more persons to receive, purchase, or possess merchandise knowing or believing it to have been stolen, acting as the agent of another individual or group of individuals to steal merchandise from one or more merchant's premises or online marketplaces as part of a plan to commit theft, or recruiting, coordinating, organizing, supervising, directing, managing, or financing another to undertake acts of theft. The bill would make these crimes punishable as either misdemeanors or felonies, as specified. By creating new crimes, this bill would impose a state-mandated local program.

(2) Under existing law, when a public offense is committed in part in one jurisdictional territory and in part in another jurisdictional territory, or the acts constituting or requisite to the consummation of the offense occur in 2 or more jurisdictional territories, the jurisdiction for the offense is in any competent court within either jurisdictional territory.

This bill would, until January 1, 2021, additionally establish the jurisdiction of a criminal action for theft, organized retail theft, or receipt of stolen property as including the county where an offense involving the theft or receipt of the stolen merchandise occurred, the county in which the merchandise was recovered, or the county where any act was done by the defendant in instigating, procuring, promoting, or aiding in the commission of the offense. The bill would also, if multiple offenses of theft or other specified crimes all involving the same defendant or defendants and the same merchandise or the same defendant or defendants and the scheme or substantially similar activity occur in multiple jurisdictions, establish that any of those jurisdictions is a proper jurisdiction for all of the offenses.

(3) Existing law generally requires that a person arrested for a misdemeanor be released on written notice to appear in court. Existing law allows a peace officer to retain a person in custody on an arrest for a misdemeanor if, among other reasons, there are one or more outstanding arrest warrants for the person, there is reason to believe the person will not appear in court, or there is a reasonable likelihood that the offense will continue or resume.

This bill would, until January 1, 2021, allow a peace officer to retain a person arrested for a misdemeanor if there are unresolved failures to appear in court on previous misdemeanor citations, if he or she has been cited, arrested, or convicted for misdemeanor or felony theft from a store or from a vehicle in the previous 6 months, or if there is probable cause to believe that the person arrested is guilty of committing organized retail theft, as defined. By increasing the number of persons subject to detention at the county jail, this bill would create a state-mandated local program.

(4) Existing law authorizes a court to issue a bench warrant whenever a defendant fails to appear in court as required by law, as specified.

This bill would, until January 1, 2021, authorize the issuance of a bench warrant if a defendant has been cited or arrested for misdemeanor or felony theft from a store or vehicle and has failed to appear in court in connection with that charge or those charges in the previous 6 months.

(5) Existing law authorizes a court, with the consent of the defendant and a waiver of the defendant's speedy trial right, to postpone prosecution of a misdemeanor and place the defendant in a pretrial diversion program or a deferred entry of judgment program under specified situations.

This bill would, until January 1, 2021, authorize a city or county prosecuting attorney or a county probation department to create a diversion or deferred entry of judgment program for persons who commit repeat theft offenses, as specified. Under the program, the prosecuting attorney may enter into a written agreement to refrain from or defer prosecution on the offense or offenses if the person completes program requirements such as community service and makes adequate restitution or an appropriate substitute for restitution to the establishment or person from which property was stolen.

(6) Existing law establishes the Board of State and Community Corrections to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system.

This bill would, until January 1, 2021, additionally require the board to, upon appropriation by the Legislature, award funding for a grant program to 4 or more county superior courts or county probation departments to create demonstration projects to reduce the recidivism of high-risk misdemeanor probationers through the use of risk assessments at sentencing and formal probation. The bill would require the board to develop reporting requirements for each county, as specified, and would require the board to prepare and distribute a report that compiles this information, as specified.

The bill would also, until January 1, 2021, require the Department of the California Highway Patrol to, in coordination with the Department of Justice, convene a regional property crimes task force to assist local law enforcement in counties identified by the Department of the California Highway Patrol as having elevated levels of property crime, including, but not limited to, organized retail theft and vehicle burglary. The bill would require the task force to provide local law enforcement in the identified region with logistical support and other law enforcement resources, including, but not limited to, personnel and equipment, as determined to be appropriate by the Commissioner of the California Highway Patrol in consultation with task force members.

(7) The bill would provide that its provisions are severable.

(8) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

SECTION 1. Section 490.4 is added to the Penal Code, to read:

490.4. (a) A person who commits any of the following acts is guilty of organized retail theft, and shall be punished pursuant to subdivision (b):

(1) Acts in concert with one or more persons to steal merchandise from one or more merchant's premises or online marketplace with the intent to sell, exchange, or return the merchandise for value.

(2) Acts in concert with two or more persons to receive, purchase, or possess merchandise described in paragraph (1), knowing or believing it to have been stolen.

(3) Acts as an agent of another individual or group of individuals to steal merchandise from one or more merchant's premises or online marketplaces as part of an organized plan to commit theft.

(4) Recruits, coordinates, organizes, supervises, directs, manages, or finances another to undertake any of the acts described in paragraph (1) or (2) or any other statute defining theft of merchandise.

(b) Organized retail theft is punishable as follows:

(1) If violations of paragraph (1), (2), or (3) of subdivision (a) are committed on two or more separate occasions within a 12-month period, and if the aggregated value of the merchandise stolen, received, purchased, or possessed within that 12-month period exceeds nine hundred fifty dollars ($950), the offense is punishable by imprisonment in a county jail not exceeding one year or pursuant to subdivision (h) of Section 1170.

(2) Any other violation of paragraph (1), (2), or (3) of subdivision (a) that is not described in paragraph (1) of this subdivision is punishable by imprisonment in a county jail not exceeding one year.

(3) A violation of paragraph (4) of subdivision (a) is punishable by imprisonment in a county jail not exceeding one year or pursuant to subdivision (h) of Section 1170.

(c) For the purpose of determining whether the defendant acted in concert with another person or persons in any proceeding, the trier of fact may consider any competent evidence, including, but not limited to, all of the following:

(1) The defendant has previously acted in concert with another person or persons in committing acts constituting theft, or any related offense, including any conduct that occurred in counties other than the county of the current offense, if relevant to demonstrate a fact other than the defendant's disposition to commit the act.

(2) That the defendant used or possessed an artifice, instrument, container, device, or other article capable of facilitating the removal of merchandise from a retail establishment without paying the purchase price and use of the artifice, instrument, container, or device or other article is part of an organized plan to commit theft.

(3) The property involved in the offense is of a type or quantity that would not normally be purchased for personal use or consumption and the property is intended for resale.

(d) In a prosecution under this section, the prosecutor shall not be required to charge any other coparticipant of the organized retail theft.

(e) Upon conviction of an offense under this section, the court shall consider ordering, as a condition of probation, that the defendant stay away from retail establishments with a reasonable nexus to the crime committed.

(f) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 2. Section 786.5 is added to the Penal Code, to read:

786.5. (a) The jurisdiction of a criminal action for theft, as defined in subdivision (a) of Section 484, or a violation of Section 490.4 or Section 496, shall also include the county where an offense involving the theft or receipt of the stolen merchandise occurred, the county in which the merchandise was recovered, or the county where any act was done by the defendant in instigating, procuring, promoting, or aiding in the commission of a theft offense or a violation of Section 490.4 or Section 496 or in abetting the parties concerned therein. If multiple offenses of theft or violations of Section 490.4 or Section 496, either all involving the same defendant or defendants and the same merchandise, or all involving the same defendant or defendants and the same scheme or substantially similar activity, occur in multiple jurisdictions, then any of those jurisdictions are a proper jurisdiction for all of the offenses. Jurisdiction also extends to all associated offenses connected together in their commission to the underlying theft offenses or violations of Section 490.4 or Section 496.

(b) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 3. Section 853.6 of the Penal Code is amended to read:

853.6. (a) (1) In any case in which a person is arrested for an offense declared to be a misdemeanor, including a violation of any city or county ordinance, and does not demand to be taken before a magistrate, that person shall, instead of being taken before a magistrate, be released according to the procedures set forth by this chapter, although nothing prevents an officer from first booking an arrestee pursuant to subdivision (g). If the person is released, the officer or his or her superior shall prepare in duplicate a written notice to appear in court, containing the name and address of the person, the offense charged, and the time when, and place where, the person shall appear in court. If, pursuant to subdivision (i), the person is not released prior to being booked and the officer in charge of the booking or his or her superior determines that the person should be released, the officer or his or her superior shall prepare a written notice to appear in a court.

(2) In any case in which a person is arrested for a misdemeanor violation of a protective court order involving domestic violence, as defined in subdivision (b) of Section 13700, or arrested pursuant to a policy, as described in Section 13701, the person shall be taken before a magistrate instead of being released according to the procedures set forth in this chapter, unless the arresting officer determines that there is not a reasonable likelihood that the offense will continue or resume or that the safety of persons or property would be imminently endangered by release of the person arrested. Prior to adopting these provisions, each city, county, or city and county shall develop a protocol to assist officers to determine when arrest and release is appropriate, rather than taking the arrested person before a magistrate. The county shall establish a committee to develop the protocol, consisting of, at a minimum, the police chief or county sheriff within the jurisdiction, the district attorney, county counsel, city attorney, representatives from domestic violence shelters, domestic violence councils, and other relevant community agencies.

(3) This subdivision shall not apply to the crimes specified in Section 1270.1, including crimes defined in each of the following:

(A) Paragraph (1) of subdivision (e) of Section 243.

(B) Section 273.5.

(C) Section 273.6, if the detained person made threats to kill or harm, has engaged in violence against, or has gone to the residence or workplace of, the protected party.

(D) Section 646.9.

(4) Nothing in this subdivision shall be construed to affect a defendant's ability to be released on bail or on his or her own recognizance, except as specified in Section 1270.1.

(b) Unless waived by the person, the time specified in the notice to appear shall be at least 10 days after arrest if the duplicate notice is to be filed by the officer with the magistrate.

(c) The place specified in the notice shall be the court of the magistrate before whom the person would be taken if the requirement of taking an arrested person before a magistrate were complied with, or shall be an officer authorized by that court to receive a deposit of bail.

(d) The officer shall deliver one copy of the notice to appear to the arrested person, and the arrested person, in order to secure release, shall give his or her written promise to appear in court as specified in the notice by signing the duplicate notice which shall be retained by the officer, and the officer may require the arrested person, if he or she has no satisfactory identification, to place a right thumbprint, or a left thumbprint or fingerprint if the person has a missing or disfigured right thumb, on the notice to appear. Except for law enforcement purposes relating to the identity of the arrestee, no person or entity may sell, give away, allow the distribution of, include in a database, or create a database with, this print. Upon the signing of the duplicate notice, the arresting officer shall immediately release the person arrested from custody.

(e) The officer shall, as soon as practicable, file the duplicate notice, as follows:

(1) It shall be filed with the magistrate if the offense charged is an infraction.

(2) It shall be filed with the magistrate if the prosecuting attorney has previously directed the officer to do so.

(3) The duplicate notice and underlying police reports in support of the charge or charges shall be filed with the prosecuting attorney in cases other than those specified in paragraphs (1) and (2).

If the duplicate notice is filed with the prosecuting attorney, he or she, within his or her discretion, may initiate prosecution by filing the notice or a formal complaint with the magistrate specified in the duplicate notice within 25 days from the time of arrest. If the prosecution is not to be initiated, the prosecutor shall send notice to the person arrested at the address on the notice to appear. The failure by the prosecutor to file the notice or formal complaint within 25 days of the time of the arrest shall not bar further prosecution of the misdemeanor charged in the notice to appear. However, any further prosecution shall be preceded by a new and separate citation or an arrest warrant.

Upon the filing of the notice with the magistrate by the officer, or the filing of the notice or formal complaint by the prosecutor, the magistrate may fix the amount of bail that in his or her judgment, in accordance with Section 1275, is reasonable and sufficient for the appearance of the defendant and shall endorse upon the notice a statement signed by him or her in the form set forth in Section 815a. The defendant may, prior to the date upon which he or she promised to appear in court, deposit with the magistrate the amount of bail set by the magistrate. At the time the case is called for arraignment before the magistrate, if the defendant does not appear, either in person or by counsel, the magistrate may declare the bail forfeited, and may, in his or her discretion, order that no further proceedings shall be had in the case, unless the defendant has been charged with a violation of Section 374.3 or 374.7 of this code or of Section 11357, 11360, or 13002 of the Health and Safety Code, or a violation punishable under Section 5008.7 of the Public Resources Code, and he or she has previously been convicted of a violation of that section or a violation that is punishable under that section, except in cases where the magistrate finds that undue hardship will be imposed upon the defendant by requiring him or her to appear, the magistrate may declare the bail forfeited and order that no further proceedings be had in the case.

Upon the making of the order that no further proceedings be had, all sums deposited as bail shall immediately be paid into the county treasury for distribution pursuant to Section 1463.

(f) No warrant shall be issued for the arrest of a person who has given a written promise to appear in court, unless and until he or she has violated that promise or has failed to deposit bail, to appear for arraignment, trial, or judgment or to comply with the terms and provisions of the judgment, as required by law.

(g) The officer may book the arrested person at the scene or at the arresting agency prior to release or indicate on the citation that the arrested person shall appear at the arresting agency to be booked or indicate on the citation that the arrested person shall appear at the arresting agency to be fingerprinted prior to the date the arrested person appears in court. If it is indicated on the citation that the arrested person shall be booked or fingerprinted prior to the date of the person's court appearance, the arresting agency at the time of booking or fingerprinting shall provide the arrested person with verification of the booking or fingerprinting by making an entry on the citation. If it is indicated on the citation that the arrested person is to be booked or fingerprinted, the magistrate, judge, or court shall, before the proceedings begin, order the defendant to provide verification that he or she was booked or fingerprinted by the arresting agency. If the defendant cannot produce the verification, the magistrate, judge, or court shall require that the defendant be booked or fingerprinted by the arresting agency before the next court appearance, and that the defendant provide the verification at the next court appearance unless both parties stipulate that booking or fingerprinting is not necessary.

(h) A peace officer shall use the written notice to appear procedure set forth in this section for any misdemeanor offense in which the officer has arrested a person without a warrant pursuant to Section 836 or in which he or she has taken custody of a person pursuant to Section 847.

(i) Whenever any person is arrested by a peace officer for a misdemeanor, that person shall be released according to the procedures set forth by this chapter unless one or more of the following is a reason for nonrelease, in which case the arresting officer may release the person, except as provided in subdivision (a), or the arresting officer shall indicate, on a form to be established by his or her employing law enforcement agency, which of the following was a reason for the nonrelease:

(1) The person arrested was so intoxicated that he or she could have been a danger to himself or herself or to others.

(2) The person arrested required medical examination or medical care or was otherwise unable to care for his or her own safety.

(3) The person was arrested under one or more of the circumstances listed in Sections 40302 and 40303 of the Vehicle Code.

(4) There were one or more outstanding arrest warrants or failures to appear in court on previous misdemeanor citations that have not been resolved for the person.

(5) The person could not provide satisfactory evidence of personal identification.

(6) The prosecution of the offense or offenses for which the person was arrested, or the prosecution of any other offense or offenses, would be jeopardized by immediate release of the person arrested.

(7) There was a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by release of the person arrested.

(8) The person arrested demanded to be taken before a magistrate or refused to sign the notice to appear.

(9) There is reason to believe that the person would not appear at the time and place specified in the notice. The basis for this determination shall be specifically stated. An arrest warrant or failure to appear that is pending at the time of the current offense shall constitute reason to believe that the person would not appear as specified in the notice.

(10) The person was subject to Section 1270.1.

(11) The person has been cited, arrested, or convicted for misdemeanor or felony theft from a store or from a vehicle in the previous 6 months.

(12) There is probable cause to believe that the person arrested is guilty of committing organized retail theft, as defined in subdivision (a) of Section 490.4.

The form shall be filed with the arresting agency as soon as practicable and shall be made available to any party having custody of the arrested person, subsequent to the arresting officer, and to any person authorized by law to release him or her from custody before trial.

(j) Once the arresting officer has prepared the written notice to appear and has delivered a copy to the person arrested, the officer shall deliver the remaining original and all copies as provided by subdivision (e).

Any person, including the arresting officer and any member of the officer's department or agency, or any peace officer, who alters, conceals, modifies, nullifies, or destroys, or causes to be altered, concealed, modified, nullified, or destroyed, the face side of the remaining original or any copy of a citation that was retained by the officer, for any reason, before it is filed with the magistrate or with a person authorized by the magistrate to receive deposit of bail, is guilty of a misdemeanor.

If, after an arrested person has signed and received a copy of a notice to appear, the arresting officer determines that, in the interest of justice, the citation or notice should be dismissed, the arresting agency may recommend, in writing, to the magistrate that the charges be dismissed. The recommendation shall cite the reasons for the recommendation and shall be filed with the court.

If the magistrate makes a finding that there are grounds for dismissal, the finding shall be entered in the record and the charges dismissed.

Under no circumstances shall a personal relationship with any officer, public official, or law enforcement agency be grounds for dismissal.

(k) (1) A person contesting a charge by claiming under penalty of perjury not to be the person issued the notice to appear may choose to submit a right thumbprint, or a left thumbprint if the person has a missing or disfigured right thumb, to the issuing court through his or her local law enforcement agency for comparison with the one placed on the notice to appear. A local law enforcement agency providing this service may charge the requester no more than the actual costs. The issuing court may refer the thumbprint submitted and the notice to appear to the prosecuting attorney for comparison of the thumbprints. When there is no thumbprint or fingerprint on the notice to appear, or when the comparison of thumbprints is inconclusive, the court shall refer the notice to appear or copy thereof back to the issuing agency for further investigation, unless the court finds that referral is not in the interest of justice.

(2) Upon initiation of the investigation or comparison process by referral of the court, the court shall continue the case and the speedy trial period shall be tolled for 45 days.

(3) Upon receipt of the issuing agency's or prosecuting attorney's response, the court may make a finding of factual innocence pursuant to Section 530.6 if the court determines that there is insufficient evidence that the person cited is the person charged and shall immediately notify the Department of Motor Vehicles of its determination. If the Department of Motor Vehicles determines the citation or citations in question formed the basis of a suspension or revocation of the person's driving privilege, the department shall immediately set aside the action.

(4) If the prosecuting attorney or issuing agency fails to respond to a court referral within 45 days, the court shall make a finding of factual innocence pursuant to Section 530.6, unless the court finds that a finding of factual innocence is not in the interest of justice.

(5) The citation or notice to appear may be held by the prosecuting attorney or issuing agency for future adjudication should the arrestee who received the citation or notice to appear be found.

(*l*) For purposes of this section, the term "arresting agency" includes any other agency designated by the arresting agency to provide booking or fingerprinting services.

(m) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 4. Section 853.6 is added to the Penal Code, to read:

853.6. (a) (1) In any case in which a person is arrested for an offense declared to be a misdemeanor, including a violation of any city or county ordinance, and does not demand to be taken before a magistrate, that person shall, instead of being taken before a magistrate, be released according to the procedures set forth by this chapter, although nothing prevents an officer from first booking an arrestee pursuant to subdivision (g). If the person is released, the officer or his or her superior shall prepare in duplicate a written notice to appear in court, containing the name and address of the person, the offense charged, and the time when, and place where, the person shall appear in court. If, pursuant to subdivision (i), the person is not released prior to being booked and the officer in charge of the booking or his or her superior determines that the person should be released, the officer or his or her superior shall prepare a written notice to appear in a court.

(2) In any case in which a person is arrested for a misdemeanor violation of a protective court order involving domestic violence, as defined in subdivision (b) of Section 13700, or arrested pursuant to a policy, as described in Section 13701, the person shall be taken before a magistrate instead of being released according to the procedures set forth in this chapter, unless the arresting officer determines that there is not a reasonable likelihood that the offense will continue or resume or that the safety of persons or property would be imminently endangered by release of the person arrested. Prior to adopting these provisions, each city, county, or city and county shall develop a protocol to assist officers to determine when arrest and release is appropriate, rather than taking the arrested person before a magistrate. The county shall establish a committee to develop the protocol, consisting of, at a minimum, the police chief or county sheriff within the jurisdiction, the district attorney, county counsel, city attorney, representatives from domestic violence shelters, domestic violence councils, and other relevant community agencies.

(3) This subdivision shall not apply to the crimes specified in Section 1270.1, including crimes defined in each of the following:

(A) Paragraph (1) of subdivision (e) of Section 243.

(B) Section 273.5.

(C) Section 273.6, if the detained person made threats to kill or harm, has engaged in violence against, or has gone to the residence or workplace of, the protected party.

(D) Section 646.9.

(4) Nothing in this subdivision shall be construed to affect a defendant's ability to be released on bail or on his or her own recognizance, except as specified in Section 1270.1.

(b) Unless waived by the person, the time specified in the notice to appear shall be at least 10 days after arrest if the duplicate notice is to be filed by the officer with the magistrate.

(c) The place specified in the notice shall be the court of the magistrate before whom the person would be taken if the requirement of taking an arrested person before a magistrate were complied with, or shall be an officer authorized by that court to receive a deposit of bail.

(d) The officer shall deliver one copy of the notice to appear to the arrested person, and the arrested person, in order to secure release, shall give his or her written promise to appear in court as specified in the notice by signing the duplicate notice which shall be retained by the officer, and the officer may require the arrested person, if he or she has no satisfactory identification, to place a right thumbprint, or a left thumbprint or fingerprint if the person has a missing or disfigured right thumb, on the notice to appear. Except for law enforcement purposes relating to the identity of the arrestee, no person or entity may sell, give away, allow the distribution of, include in a database, or create a database with, this print. Upon the signing of the duplicate notice, the arresting officer shall immediately release the person arrested from custody.

(e) The officer shall, as soon as practicable, file the duplicate notice, as follows:

(1) It shall be filed with the magistrate if the offense charged is an infraction.

(2) It shall be filed with the magistrate if the prosecuting attorney has previously directed the officer to do so.

(3) The duplicate notice and underlying police reports in support of the charge or charges shall be filed with the prosecuting attorney in cases other than those specified in paragraphs (1) and (2).

If the duplicate notice is filed with the prosecuting attorney, he or she, within his or her discretion, may initiate prosecution by filing the notice or a formal complaint with the magistrate specified in the duplicate notice within 25 days from the time of arrest. If the prosecution is not to be initiated, the prosecutor shall send notice to the person arrested at the address on the notice to appear. The failure by the prosecutor to file the notice or formal complaint within 25 days of the time of the arrest shall not bar further prosecution of the misdemeanor charged in the notice to appear. However, any further prosecution shall be preceded by a new and separate citation or an arrest warrant.

Upon the filing of the notice with the magistrate by the officer, or the filing of the notice or formal complaint by the prosecutor, the magistrate may fix the amount of bail that in his or her judgment, in accordance with Section 1275, is reasonable and sufficient for the appearance of the defendant and shall endorse upon the notice a statement signed by him or her in the form set forth in Section 815a. The defendant may, prior to the date upon which he or she promised to appear in court, deposit with the magistrate the amount of bail set by the magistrate. At the time the case is called for arraignment before the magistrate, if the defendant does not appear, either in person or by counsel, the magistrate may declare the bail forfeited, and may, in his or her discretion, order that no further proceedings shall be had in the case, unless the defendant has been charged with a violation of Section

374.3 or 374.7 of this code or of Section 11357, 11360, or 13002 of the Health and Safety Code, or a violation punishable under Section 5008.7 of the Public Resources Code, and he or she has previously been convicted of a violation of that section or a violation that is punishable under that section, except in cases where the magistrate finds that undue hardship will be imposed upon the defendant by requiring him or her to appear, the magistrate may declare the bail forfeited and order that no further proceedings be had in the case.

Upon the making of the order that no further proceedings be had, all sums deposited as bail shall immediately be paid into the county treasury for distribution pursuant to Section 1463.

(f) No warrant shall be issued for the arrest of a person who has given a written promise to appear in court, unless and until he or she has violated that promise or has failed to deposit bail, to appear for arraignment, trial, or judgment or to comply with the terms and provisions of the judgment, as required by law.

(g) The officer may book the arrested person at the scene or at the arresting agency prior to release or indicate on the citation that the arrested person shall appear at the arresting agency to be booked or indicate on the citation that the arrested person shall appear at the arresting agency to be fingerprinted prior to the date the arrested person appears in court. If it is indicated on the citation that the arrested person shall be booked or fingerprinted prior to the date of the person's court appearance, the arresting agency at the time of booking or fingerprinting shall provide the arrested person with verification of the booking or fingerprinting by making an entry on the citation. If it is indicated on the citation that the arrested person is to be booked or fingerprinted, the magistrate, judge, or court shall, before the proceedings begin, order the defendant to provide verification that he or she was booked or fingerprinted by the arresting agency. If the defendant cannot produce the verification, the magistrate, judge, or court shall require that the defendant be booked or fingerprinted by the arresting agency before the next court appearance, and that the defendant provide the verification at the next court appearance unless both parties stipulate that booking or fingerprinting is not necessary.

(h) A peace officer shall use the written notice to appear procedure set forth in this section for any misdemeanor offense in which the officer has arrested a person without a warrant pursuant to Section 836 or in which he or she has taken custody of a person pursuant to Section 847.

(i) Whenever any person is arrested by a peace officer for a misdemeanor, that person shall be released according to the procedures set forth by this chapter unless one of the following is a reason for nonrelease, in which case the arresting officer may release the person, except as provided in subdivision (a), or the arresting officer shall indicate, on a form to be established by his or her employing law enforcement agency, which of the following was a reason for the nonrelease:

(1) The person arrested was so intoxicated that he or she could have been a danger to himself or herself or to others.

(2) The person arrested required medical examination or medical care or was otherwise unable to care for his or her own safety.

(3) The person was arrested under one or more of the circumstances listed in Sections 40302 and 40303 of the Vehicle Code.

(4) There were one or more outstanding arrest warrants for the person.

(5) The person could not provide satisfactory evidence of personal identification.

(6) The prosecution of the offense or offenses for which the person was arrested, or the prosecution of any other offense or offenses, would be jeopardized by immediate release of the person arrested.

(7) There was a reasonable likelihood that the offense or offenses would continue or resume, or that the safety of persons or property would be imminently endangered by release of the person arrested.

(8) The person arrested demanded to be taken before a magistrate or refused to sign the notice to appear.

(9) There is reason to believe that the person would not appear at the time and place specified in the notice. The basis for this determination shall be specifically stated.

(10) The person was subject to Section 1270.1.

The form shall be filed with the arresting agency as soon as practicable and shall be made available to any party having custody of the arrested person, subsequent to the arresting officer, and to any person authorized by law to release him or her from custody before trial.

(j) Once the arresting officer has prepared the written notice to appear and has delivered a copy to the person arrested, the officer shall deliver the remaining original and all copies as provided by subdivision (e).

Any person, including the arresting officer and any member of the officer's department or agency, or any peace officer, who alters, conceals, modifies, nullifies, or destroys, or causes to be altered, concealed, modified, nullified, or destroyed, the face side of the remaining original or any copy of a citation that was retained by the officer, for any reason, before it is filed with the magistrate or with a person authorized by the magistrate to receive deposit of bail, is guilty of a misdemeanor.

If, after an arrested person has signed and received a copy of a notice to appear, the arresting officer determines that, in the interest of justice, the citation or notice should be dismissed, the arresting agency may recommend, in writing, to the magistrate that the charges be dismissed. The recommendation shall cite the reasons for the recommendation and shall be filed with the court.

If the magistrate makes a finding that there are grounds for dismissal, the finding shall be entered in the record and the charges dismissed.

Under no circumstances shall a personal relationship with any officer, public official, or law enforcement agency be grounds for dismissal.

(k) (1) A person contesting a charge by claiming under penalty of perjury not to be the person issued the notice to appear may choose to submit a right thumbprint, or a left thumbprint if the person has a missing or disfigured right thumb, to the issuing court through his or her local law enforcement agency for comparison with the one placed on the notice to appear. A local law enforcement agency providing this service may charge the requester no more than the actual costs. The issuing court may refer the thumbprint submitted and the notice to appear to the prosecuting attorney for comparison of the thumbprints. When there is no thumbprint or fingerprint on the notice to appear, or when the comparison of thumbprints is inconclusive, the court shall refer the notice to appear or copy thereof back to the issuing agency for further investigation, unless the court finds that referral is not in the interest of justice.

(2) Upon initiation of the investigation or comparison process by referral of the court, the court shall continue the case and the speedy trial period shall be tolled for 45 days.

(3) Upon receipt of the issuing agency's or prosecuting attorney's response, the court may make a finding of factual innocence pursuant to Section 530.6 if the court determines that there is insufficient evidence that the person cited is the person charged and shall immediately notify the Department of Motor Vehicles of its determination. If the Department of Motor Vehicles determines the citation or citations in question formed the basis of a suspension or revocation of the person's driving privilege, the department shall immediately set aside the action.

(4) If the prosecuting attorney or issuing agency fails to respond to a court referral within 45 days, the court shall make a finding of factual innocence pursuant to Section 530.6, unless the court finds that a finding of factual innocence is not in the interest of justice.

(5) The citation or notice to appear may be held by the prosecuting attorney or issuing agency for future adjudication should the arrestee who received the citation or notice to appear be found.

(*l*) For purposes of this section, the term "arresting agency" includes any other agency designated by the arresting agency to provide booking or fingerprinting services.

(m) This section shall become operative January 1, 2021.

SEC. 5. Section 978.5 of the Penal Code is amended to read:

978.5. (a) A bench warrant of arrest may be issued whenever a defendant fails to appear in court as required by law including, but not limited to, the following situations:

(1) If the defendant is ordered by a judge or magistrate to personally appear in court at a specific time and place.

(2) If the defendant is released from custody on bail and is ordered by a judge or magistrate, or other person authorized to accept bail, to personally appear in court at a specific time and place.

(3) If the defendant is released from custody on his own recognizance and promises to personally appear in court at a specific time and place.

(4) If the defendant is released from custody or arrest upon citation by a peace officer or other person authorized to issue citations and the defendant has signed a promise to personally appear in court at a specific time and place.

(5) If a defendant is authorized to appear by counsel and the court or magistrate orders that the defendant personally appear in court at a specific time and place.

(6) If an information or indictment has been filed in the superior court and the court has fixed the date and place for the defendant personally to appear for arraignment.

(7) If a defendant has been cited or arrested for misdemeanor or felony theft from a store or vehicle and has failed to appear in court in connection with that charge or those charges in the previous six months.

(b) The bench warrant may be served in any county in the same manner as a warrant of arrest.

(c) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 6. Section 978.5 is added to the Penal Code, to read:

978.5. (a) A bench warrant of arrest may be issued whenever a defendant fails to appear in court as required by law including, but not limited to, the following situations:

(1) If the defendant is ordered by a judge or magistrate to personally appear in court at a specific time and place.

(2) If the defendant is released from custody on bail and is ordered by a judge or magistrate, or other person authorized to accept bail, to personally appear in court at a specific time and place.

(3) If the defendant is released from custody on his own recognizance and promises to personally appear in court at a specific time and place.

(4) If the defendant is released from custody or arrest upon citation by a peace officer or other person authorized to issue citations and the defendant has signed a promise to personally appear in court at a specific time and place.

(5) If a defendant is authorized to appear by counsel and the court or magistrate orders that the defendant personally appear in court at a specific time and place.

(6) If an information or indictment has been filed in the superior court and the court has fixed the date and place for the defendant personally to appear for arraignment.

(b) The bench warrant may be served in any county in the same manner as a warrant of arrest.

(c) This section shall become operative on January 1, 2021.

SEC. 7. Chapter 2.9D (commencing with Section 1001.81) is added to Title 6 of Part 2 of the Penal Code, to read:

CHAPTER 2.9D. REPEAT THEFT CRIMES DIVERSION OR DEFERRED ENTRY OF JUDGMENT PROGRAM

1001.81. (a) The city or county prosecuting attorney or county probation department may create a diversion or deferred entry of judgment program pursuant to this section for persons who commit repeat theft offenses. The program may be conducted by the prosecuting attorney's office or the county probation department.

(b) Except as provided in subdivision (e), this chapter does not limit the power of the prosecuting attorney to prosecute repeat theft.

(c) If a county creates a diversion or deferred entry of judgment program for individuals committing repeat theft offenses, on receipt of a case or at arraignment, the prosecuting attorney shall either refer the case to the county probation department to conduct a prefiling investigation report to assess the appropriateness of program placement or, if the prosecuting attorney's office operates the program, determine if the case is one that is appropriate to be referred to the program. In determining whether to refer a case to the program, the probation department or prosecuting attorney shall consider, but is not limited to, all of the following factors:

(1) Any prefiling investigation report conducted by the county probation department or nonprofit contract agency operating the program that evaluates the individual's risk and needs and the appropriateness of program placement.

(2) If the person demonstrates a willingness to engage in community service, restitution, or other mechanisms to repair the harm caused by the criminal activity and address the underlying drivers of the criminal activity.

(3) If a risk and needs assessment identifies underlying substance abuse or mental health needs or other drivers of criminal activity that can be addressed through the diversion or deferred entry of judgment program.

(4) If the person has a violent or serious prior criminal record or has previously been referred to a diversion program and failed that program.

(5) Any relevant information concerning the efficacy of the program in reducing the likelihood of participants committing future offenses.

(d) On referral of a case to the program, a notice shall be provided to or forwarded by mail to the person alleged to have committed the offense with all of the following information:

(1) The date by which the person must contact the diversion program or deferred entry of judgment program in the manner designated by the supervising agency.

(2) A statement of the penalty for the offense or offenses with which that person has been charged.

(e) The prosecuting attorney may enter into a written agreement with the person to refrain from, or defer, prosecution on the offense or offenses on the following conditions:

(1) Completion of the program requirements such as community service or courses reasonably required by the prosecuting attorney.

(2) Making adequate restitution or an appropriate substitute for restitution to the establishment or person from which property was stolen at the face value of the stolen property, if required by the program.

(f) For the purposes of this section, "repeat theft offenses" means being cited or convicted for misdemeanor or felony theft from a store or from a vehicle two or more times in the previous 12 months and failing to appear in court when cited for these crimes or continuing to engage in these crimes after release or after conviction.

1001.82. This chapter shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 8. Section 1210.6 is added to the Penal Code, to read:

1210.6. (a) (1) Upon appropriation by the Legislature, the Board of State and Community Corrections shall award funding for a grant program to four or more county superior courts or county probation departments to create demonstration projects to reduce the recidivism of high-risk misdemeanor probationers.

(2) The demonstration projects shall use risk assessments at sentencing when a misdemeanor conviction results in a term of probation to identify high-risk misdemeanants and to place these misdemeanants on formal probation that combines supervision with individually tailored programs, graduated sanctions, or incentives that address behavioral or treatment needs to achieve rehabilitation and successful completion of probation. The formal probation program may include incentives such as shortening probation terms as probationers complete the individually tailored program or probation requirements.

(3) The demonstration projects shall evaluate the probation completion and recidivism rates for project participants and may compare them to control groups to evaluate program efficacy. The Board of State and Community Corrections shall determine criteria for awarding the grants on a competitive basis that shall take into consideration the ability of a county to conduct a formal misdemeanor probation project for high-risk misdemeanor probationers, including components that align with evidence-based practices in reducing recidivism, including, but not limited to, risk and needs assessment, programming to help with drug or alcohol abuse, mental illness, or housing, and the support of the superior court if the application is from a county probation department.

(b) The Board of State and Community Corrections shall develop reporting requirements for each county receiving a grant to report to the board the results of the demonstration project. The reports may include, but are not limited to, the use of risk assessment, the formal probation program components, the number of individuals who were placed on formal probation, the number of individuals who were placed on informal probation, and the number of individuals in each group who were subsequently convicted of a new offense.

(c) (1) The Board of State and Community Corrections shall prepare a report that compiles the information it receives from each county receiving a grant, as described in subdivision (b). The report shall be completed and distributed to the Legislature and county criminal justice officials two years after an appropriation by the Legislature for this section.

(2) A report to be submitted pursuant to paragraph (1) shall be submitted in compliance with Section 9795 of the Government Code.

(d) This section shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 9. Chapter 13 (commencing with Section 13899) is added to Title 6 of Part 4 of the Penal Code, to read:

CHAPTER 13. RETAIL THEFT PREVENTION PROGRAM

13899. The Department of the California Highway Patrol shall, in coordination with the Department of Justice, convene a regional property crimes task force to assist local law enforcement in counties identified by the Department of the California Highway Patrol as having elevated levels of property crime, including, but not limited to, organized retail theft and vehicle burglary. The task force shall provide local law enforcement in the identified region with logistical support and other law enforcement resources, including, but not limited to, personnel and equipment, as determined to be appropriate by the Commissioner of the California Highway Patrol in consultation with task force members.

13899.1. This chapter shall remain in effect only until January 1, 2021, and as of that date is repealed.

SEC. 10. The provisions of this act are severable. If any provision of this act or its application is held invalid, that invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

SEC. 11. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution for certain costs that may be incurred by a local agency or school district because, in that regard, this act creates a new crime or infraction, eliminates a crime or infraction, or changes the penalty for a crime or infraction, within the meaning of Section 17556 of the Government Code, or changes the definition of a crime within the meaning of Section 6 of Article XIII B of the California Constitution.

However, if the Commission on State Mandates determines that this act contains other costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

Hi Sir,

Thank you assisting the Hollywood Division of the Los Angeles Police Department with the examination of the problematic alcohol retail facility located at 1501 Vine Street (Walgreens Pharmacy). Attached are the Crime Analysis summaries of the Crimes, Arrests, and Calls for Police Service that have been generated or have otherwise occurred in relation to the Walgreens retail market located at the street address of 1501 Vine Street. All of the summaries indicate that criminal conduct and nuisance activity is escalating at and in relation to the 1501 Vine Street premises. The Crime Calls for Service, and Arrest summaries additionally support the need to have security conditions added to the Conditional Use Permit that the "Walgreens" is conducting business in conjunction with.

I have also included Crime Analysis summaries of the Crimes, Arrests, and Calls for Police Service that have been generated or have otherwise occurred in relation to Hollywood area Walgreens retail markets located at the street addresses of 1050 Highland Avenue and 5451 Sunset Blvd. The Crime Analysis summaries related to these "Walgreens" markets/pharmacies indicate that there is a direct connect to crime rates and alcohol retail attributes.

The Walgreens market located at 1050 Highland Avenue does not retail any alcoholic beverages and has, by far, the lowest reported Crimes, Arrests and Calls for Service. The Walgreens market located at 5451 Sunset Blvd has a Conditional Use Permit, which authorizes for beer and wine to sold in conjunction with the operation of the market/pharmacy premises. While the 5451 Sunset Blvd Crime, Arrest and Calls for Service numbers are substantially higher than what is being reported at the Walgreens located at 1050 N Highland Avenue they pale in comparison to the crime numbers generated from the Walgreens located at 1501 Vine Street, which has a Conditional Use Permit that authorizes the sale of a full line of alcoholic beverages.

- **5 CRIMES REPORTEDLY OCCURRED AT THE 1050 HIGHLAND AVENUEPROPERTY IN 2017 ** 1 OF THOSE CRIMES WAS CLASSIFIED AS A THEFT. 1 OF THOSE CRIMES WAS CLASSIFIED AS A ROBBERY.****
- **5 CRIMES REPORTEDLY OCCURRED AT THE 1050 HIGHLAND AVENUEPROPERTY IN 2018 ** 3 OF THOSE CRIMES WERE CLASSIFIED AS THEFTS. 1 OF THOSE CRIMES WERE CLASSIFIED AS ROBBERIES. ****

Police Department records clearly indicate that criminal and nuisance activities are occurring with greater frequency at all of the Hollywood area Walgreens Pharmacies (Particularly apparent at the 1501 Vine Street location, which had criminal occurrence numbers that were nearly twice as great as the 2017 crime statistics for the same location). Records additionally indicate that not only is criminal activity becoming more prevalent at all of the Hollywood area Walgreens Pharmacies, but the degree of crime is also becoming more severe with the homicide that occurred at the 1501 Vine Street premises in late 2018 representing the prime example of this alarming escalation.

Police Department records additionally indicated that over the course of the 2018 year, "Walgreens" far exceeded all of the other comparable pharmacies doing business in the Hollywood area in theft incidents.

BELOW ARE THE BREAKDOWN OF THE 2018 PHARMACY THEFT AT CVS, RITE AID, AND WALGREENS WITHIN THE HOLLYWOOD DIVISION AREA. THE DATE RANGE IS JAN. 1, 2018 – DEC 31, 2018.

2018 GRAND THEFT PERSON INCIDENTS AND THEFTS OCCURRENCES: 01/01/18 – 12/31/18:

- **CVS – 8**
- **WALGREENS – 27**
- **RITE AID - 10**

I believe that a Plan Approval is absolutely necessary with the Walgreens operation doing business at the 1501 Vine Street location. The alarming escalations of crime and nuisance activities occurring in relation to the pharmacy operation along with the degrees of criminal activity becoming increasing severe, warrant substantial intervention actions to reduce the risks that this operation poses to public safety, health, and welfare. My research pertaining to the Walgreens facility located at 1501 Vine Street, has led me to the conclusion that a Plan Approval action, which results with the imposition of more robust and effective security conditions will be the only effective way to minimize the risk that employees, nearby residents, and customers of this business are currently exposed to.

Please let me know if you have any questions or concerns related to this email or the attached Crime Analysis Summaries.

Thank you,

Officer Thompson

To: Brian White <38074@lapd.online>, Craig Bullock <craig.bullock@lacity.org>

Hi Officer White,

We received a notice for an upcoming hearing on Thursday, March 26th at 10:00 am.

REQUESTED ACTION(S):
The Associate Zoning Administrator on behalf of, as a designee of the Director of Planning, will consider the following:

1. An Exemption from California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines, Section 15321 (Enforcement Actions by Regulatory Agencies), and that there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines, Section 15300.2 applies.

2. Los Angeles Police Department calls for service, arrest reports, and crime analysis documentation of: battery, shoplifting, vandalism, petty theft, theft, grand theft, criminal threats, verbal threats, robbery, attempted robbery, trespassing, attempted arson, assault with a deadly weapon, and homicide.

3. Violation of Conditional Use Permit condition related to trash (Condition No. 42 of Case No. ZA-2012-2134-CUB-PA1).

Have you completed your review of the proposed project? Please let us know when you have a moment to discuss. We look forward to hearing back from you soon.

Thanks,
Amy

Hope all is well!

I just tried the office, but was told to reach out to you via email.

As you know, my office represents Walgreen Co. We just received notice of a hearing, pursuant to LAMC Section 12.27.1, for the above-mentioned location, which is set for March 26, 2020. We would really appreciate an opportunity to discuss this matter directly with Councilman O'Farrell.

Could you please give Steve or me a call at your earliest convenience?

Hi Stephen,

As you may already know, we received notice that all scheduled public hearings conducted by the Department's Office of Zoning Administration, Deputy Advisory Agency, and Hearing Officer are cancelled due to COVID-19 until Monday, April 6, 2020. Also, please note that, in observance of Passover, the City of Los Angeles will not conduct hearings on Wednesday, April 8 through Thursday, April 16.

The hearings will be rescheduled for a yet-to-be-determined date. The cancellation notifications and new hearing notices will be sent at a later date. We will let you know if we receive any updates.

Please feel free to contact us at anytime if you need any additional information.

Hi Craig and Amy,

Hope you and your families are all well and safe as we continue to navigate through this pandemic.

I spoke with Ms. Kaufmann-Macias yesterday afternoon. During our conversation, I relayed some concerns my office had with respect to responses to Public Records Act ("PRA") requests to which she provided me with the name of the Deputy City Attorney to contact. I also discussed a possible meeting with the Council Office, my office, her, and/or Planning, and/or the Police Department. Ms. Kaufmann-Macias stated that she had not reviewed this file and would not be partaking in a meeting with my office and the Council Office. She did suggest that my office reach out to you again and see if we can further discuss the matter.

Therefore, I wanted to touch base and as a follow up to Steve's March 27, 2020 letter in order to see if we can further discuss a mutual resolution to this matter.

We look forward to hearing from you.

Thanks,
Jennifer

Re: Walgreens Store 15278 CUB Revocation Hearing (Case No. DIR-2020-952-RV)

Dear Mr. Bullock and Ms. Ablakat:

Thank you for taking the time last week to speak with Jennifer Oden and me regarding the above-mentioned matter. As we explained, Walgreens has heard nothing from anyone at the City or the LAPD about this store at 1501 Vine for about one year.

Moreover, when we got together in your offices about a year or so ago, it was for the purpose of discussing not this store, but rather the Hollywood and Highland location and its then-pending Conditional Use Permit ("CUP" and/or "CUB") application for the off-site sale of alcohol.

Nevertheless, at 1501 Vine, since June of 2019, the store has voluntarily reduced its hours from 24 hours a day seven days a week to 7 AM to 12 AM. Walgreens also voluntarily retained not only it's normal security resources, but also the help of off-duty LAPD officers through a company owned and operated by Jamie McBride. Jamie McBride is currently a Director of the Los Angeles Police Protective League. As a result, there have been no complaints or requests by the LAPD or anyone else with regard to the store for just short of one year.

Then, without precursor or any discussion about anything in the past year or so relating to this store, the City sent notice just about three weeks ago that a revocation hearing was scheduled to address purported nuisance abatement and the alleged violation of CUB conditions.

As Jennifer and I explained in our phone call last week, Walgreens is a substantial valued member of the business community in CD13, as well as every council district in the city of Los Angeles. Walgreens serves the City of Los Angeles with a great number of stores and in each of its locations it is, and has been considered for many years to be, an important member of the community that is engaged and gives back. Walgreens employs hundreds of people within the city of Los Angeles, pays its taxes, and genuinely cares about this community.

As a result of its valuable contributions to the City of Los Angeles in general, and within this Council District in particular, and because Walgreens is a victim of the theft that is prevalent throughout Hollywood, it seems reasonable that Walgreens could find assistance from the LAPD in this regard, rather than resistance, and support from CD13 to allow a level playing field. If we can do those things, then we should be able to, together, find a way to resolve whatever this current dispute is between Walgreens and the City in a way that is a win-win for both the City and Walgreens.

According to our discussion with Mathew Lum and Vanessa Soto last week, the Planning Department has not been in contact with Ms. Kaufmann-Macias and/or any of her deputy attorneys.

Mr. Bullock indicated that he had already been speaking with Ms. Kaufmann-Macias; therefore, we suggested that perhaps there could be a meeting with us, the council members office, the police, and Ms. Kaufmann-Macias. Mr. Bullock indicated he would get back to us and now, we are following up to see if there has been any response.

As we mentioned, we look forward to hearing back from you as soon as possible.

Very Truly Yours,
SOLOMON, SALTSMAN & JAMIESON

Hi Miss,

I apologies but I need a little more time to get the recommendations together for you. I've been a little overwhelmed with some big cases the last couple of weeks. I should be able to complete recommendations by the end of this week.

Thank you,

Hi Detective Thompson,

Thank you for your email and information provided. I reviewed, according to our discussions with the applicants representatives they have already reduced hours and applied additional safety mitigation measures. The hours you have listed, seem to be consistent. Also, I thought they had offsite (type 21) and onsite (type 86)? Are there specific conditions applied for onsite instructional tasting?

The case number is (DIR-2020-952-RV).

Craig: Do you have any comments?

Hi,

I agree with Mr. Bullock completely regarding any communications with the applicants.

To your point Miss Ablakat:

Although the operator is voluntarily closing/opening within the hours that are recommended - the operator is not obligated to maintain those hours. This condition would function to ensure appropriate hours are maintained regardless of the operator's desire.

You are correct in that Walgreens at 1501 Vine Street has an odd ABC license type, which allows for instructional tasting. I do not believe that they have been doing any kind of instructional tasting for years at the 1501 Vine Street location. None of the recommended conditions I included apply specifically to the tasting/instructional functions.

I presently have extremely limited time - please call me for future inquiries, which possibly require lengthy written responses.

Thank you,

Detective Thompson

Hollywood Neighbors,

I hope you are doing well. I am pleased to share that, despite our current challenges related to COVID-19, the Hollywood Walk of Fame Master Plan project continues to move forward and is now in the schematic design phase. Please see the below press release that was distributed earlier today.

As the project progresses, I encourage you to be a part of the ongoing community engagement process by joining a **"Heart to Heart"** virtual roundtable discussion. This week, we have roundtables at the following dates/times:

Wednesday 7/29 (today), 3:00 PM
Thursday 7/30 (tomorrow), 10:00 AM

Please email me directly to RSVP.

Thank you and be safe,

Dan Halden

HOLLYWOOD WALK OF FAME MASTER PLAN PROJECT MOVES FORWARD

Next steps include more detailed study of proposed design elements

HOLLYWOOD - Councilmember Mitch O'Farrell announced that the Hollywood Walk of Fame Master Plan, the signature project of his "HEART of Hollywood" initiative, has officially begun schematic design, the next stage toward developing a full master plan. The project, which began early last year and released a concept plan this past January, has received broad support from an array of Hollywood stakeholders.

"This began as an effort to bring a cohesive, holistic design - centered around residents and pedestrians - to the Hollywood Walk of Fame," said Councilmember O'Farrell. "In the wake of COVID-19, the goals of this project are even more important. Enhancing public spaces is not only good for our collective psyche, but also for a local economy that is being challenged by the pandemic."

The concept plan envisions Hollywood Boulevard along the Walk of Fame as a place with wider sidewalks, more space for amenities like sidewalk dining, additional shade trees, enhanced lighting, a mobility lane, and additional pedestrian safety features. It is anticipated that the project could create hundreds of construction jobs, along with other economic, environmental, and public health benefits. Since the beginning of COVID-19, Hollywood Boulevard along the Walk of Fame has seen a 14% rise in vacancies. This project will be essential to revitalizing the Boulevard whe the community begins to emerge from the pandemic.

Robust community engagement has been a cornerstone of the effort. In-person and virtual outreach has included focus groups, neighborhood council meetings, a community open house, surveys, and an ongoing series of roundtable meetings, more than 40 of which have been held thus far.

"Like so many in Hollywood, I'm so excited about this project and have enjoyed being a part of the community engagement process," said Sarah Zurell, a Hollywood resident and entrepreneur. "The ongoing outreach by Councilmember O'Farrell's team has been inclusive, inspiring, and an example of how to build consensus around a vision. This process has reflected the love and care that so many people have for this treasured public space."

The project is being overseen by the City of Los Angeles Bureau of Engineering. The concept plan proposes roadway changes to Hollywood Blvd, including removing the parking lane between Gower Street and La Brea Avenue and reducing the street by one travel lane in each direction between Argyle Avenue and La Brea Avenue. That space would then be dedicated to the new amenities, which would be designed and constructed in collaboration with the community.

Initial analysis showed that the proposed change to the roadway is not anticipated to result in heavy impacts to vehicular circulation. **Schematic design will include a more detailed study of any corresponding impacts to traffic, and the community will be kept informed and updated regarding the analysis.**

"We are thrilled to work with Councilmember O'Farrell and the community on this transformational project," said Gary Lee Moore, City Engineer. "The Bureau of Engineering is committed to a collaborative, cohesive design for the Walk of Fame Master Plan - and ultimately bringing it to life, piece by piece, over time."

The Walk of Fame Master Plan design team is led by Gensler. Gensler is an award winning global design firm committed to creating an equitable future through design in the communities where they live, work and play. Their projects in Hollywood include workplaces for Netflix and the renovation and expansion of the beloved landmark Musso and Frank Grill with an emphasis on improving the public experience.

In addition to the support from community members, the project also recently received an "Award of Excellence" from the Los Angeles chapter of the American Planning Association. The award will officially be presented at a virtual ceremony later this year. Dear Councilman O'Farrell,

I write as an angry constituent. Your failure to support the Burlington tenants is very disappointing. We need leaders who will protect the rights and interests of tenants-who are being exploited by outrageously high rent. Instead, you have shown that you are more interested in helping developers and landlords. What are you doing to help the housing crisis in your district? If Prop 10 passes, will you support universal rent control? Housing is perhaps the most important issue to your constituents, and by supporting the landlord (who doesn't live in your district) over the Burlington tenants, you have shown that you don't care about us.

I strongly hope you will stand with tenants, who make up the vast majority of your district.

Best wishes,

Hello [redacted],

Thank you for reaching out to our office, the Councilmember asked that I follow up on your email regarding the Burlington tenants.

Do you have some time next week to schedule a quick call with myself and our Planning Director Craig Bullock? We have been working with the tenants, owner, and the departments regarding this issue. We can clarify any information you would like to discuss regarding this issue along with what our office and the City is doing to address some of your other housing concerns.

Thank you again for taking the time to reach out. We look forward to talking to you soon.

Dear Mr. Fregoso and Mr. Bullock,

Thank you for your response. I apologize for the delay on my end, I've been out of town and away from email. I appreciate your offer to speak over the phone about housing issues. As the Burlington situation seems mostly resolved, I would primarily like to hear about the efforts the city and Councilman O'Farrell are making (I hope) to protect tenants in the future. I could speak briefly on Friday morning or early afternoon. I am also available next Monday or Tuesday. Let me know what time works best for you.

Thanks again,

Estimado Concejal Mitch O'Farrell,

Mi nombre es ___[redacted] [redacted]_____ y soy un miembro de 200 personas compartido en 94 unidades ubicadas en 131, 143, 171 Burlington Avenue en Westlake en nuestra huelga de renta contra la propietaria Lisa Ehrlich y los aumentos de alquiler exagerados. Nuestra huelga de renta es la más grande en la historia de Los Ángeles. Somos votantes del Distrito 13, somos familias, somos mayoría latinos, y somos inquilinos que, actualmente, estamos pagando el 50% de nuestros ingresos mensuales a la renta. La propietaria Sra. Ehrlich aumentó nuestras rentas en un 10% en 2017 y otro 30% en 2018. El aumento de 30% va resultar en el 70% de nuestros ingresos mensuales para la renta. Aunque la Sra. Ehrlich tiene derecho de aumentar el alquiler de nuestros apartamentos pero vivimos en condiciones deplorables (fugas de aguas residuales, ratas, infestaciones de cucarachas y chinches, molde, techos desmoronados por fugas y problemas de seguridad y más). Estamos luchando contra estos injustos aumentos de alquiler con nuestra huelga de alquiler porque, francamente, no tenemos otra manera de luchar contra estos aumentos exagerados de alquiler. Hemos intentado negociar con la Sra. Ehrlich y ella se niega a llegar a un compromiso razonable.

Los casos ahora han llegado a la corte - Lisa Ehrlich ha archivado detenciones ilegales contra nosotros. Si logra desalojarnos, nos convertiremos en familias desamparadas. Francamente, no podemos pagar los alquileres exorbitantes por toda la ciudad. Como nuestro Concejal y nuestro representa en el Distrito 13, nos gustaría reunirnos con usted para analizar cómo nos puede ayudar a mediar en las negociaciones con la Sra. Ehrlich. Formamos una asociación de inquilinos llamada Burlington Unidos, y nos gustaría reunirnos con ustedes la próxima semana, martes o miércoles para hablar sobre la tema. El tiempo corre.

Esperamos su respuesta.

Sinceramente,

Dear Councilmember Mitch O'Farrell,

My name is ___[redacted] [redacted]______ and I am one nearly 200 tenants (94 units) living at 131, 143, 171 Burlington Avenue in Westlake currently in a rent strike, the largest in recent history in LA, against the owner Lisa Ehrlich. We are your constituents in CD 13, we are families, we are mostly Latinxs, and we are currently paying 50% of our monthly income in rent. Ms. Ehrlich raised our rents 10% in 2017, and another 30% in 2018. The rent increases will result in 70% of our monthly income going to rent. Although Ms. Ehrlich is within her right to raise rent on our non RSO buildings, we live in deplorable conditions (sewage leaks, rats, roach and bed bugs infestations, mold, crumbling roofs from leaks, and security issues among other issues). We are fighting these unjust rent increases with a rent strike, frankly, we have no other way to fight these rent increases. We have attempted to negotiate with Ms. Ehrlich and she refuses to reach a sensible compromise.

The cases have now gone to court, as she has filed unlawful detainers against us. If now face eviction and if she is successful, we will literally become homeless -we cannot afford the outrageous rents accross the city. As our City Councilmember representing us in CD 13, we would like to meet with you to discuss how you can help mediate negotiations with Ms. Ehrlich. We formed a tenants association called Burlington Unidos, and we would like to meet with you by next week, Tuesday or Wednesday to discuss. Time is of the essence.

We look forward to your response.

Thank you.

Hi [redacted],

Happy New Year and thank you again for the invite to the Christmas Celebration, the students did a great job.

As for the graffiti, Did you report this through 311?

Do you have pictures you can share so we can flag it to the contractor?

To: Felix Valde <felix.valde@lacity.org>

Hi Felix,

I know things are busy, I wanted to discuss the boundaries for establishing a new PPD.

See below for the initial request, they are requesting the following streets:

The blocks are Westlake Ave, Bonnie Brae, Burlington, Ross Loos, London Street, and Bellevue Ave. (North of Temple)

Let me know when you get a chance to discuss the boundaries we should look at for sending a letter from our office.

Talk to you soon.

Hi Juan -

I took a quick look at this and we can pick up this area as part of the establishment of PPD 294 (Westlake) District. It's the one with Rockwood and Union and it's almost done but we can still issue the petition if you have the exact streets in mind. If you want to issue a letter for a new boundary, it should be: Hollywood Freeway; Glendale Boulevard; Lucas Avenue; 3rd Street; Alvarado Street.

We can talk more about it next week.

- Felix

RE: REQUEST TO EXTEND BOUNDARIES FOR PREFERENTIAL PARKING DISTRICT 294

Dear Ms. Reynolds,

Residents in Echo Park and Westlake have contacted my office seeking relief from parking challenges and have requested that we expand the boundaries for Preferential Parking District (PPD) 294. My office is formally requesting that PPD 294 be extended for the zone bounded by:

- ***Hollywood Freeway on the NORTH***
- ***Glendale Boulevard / Lucas Avenue on the WEST***
- ***Alvarado Street on the EAST***
- ***3rd Street on the SOUTH***

Currently PPD 294 has the following restrictions:

"No Parking 6 PM to 8 AM; 2 Hour Parking 8AM to 6 PM; Vehicles with Permit 294 Exempt."

Residents who wish to have their streets posted with said restrictions will still need to follow the DOT petition process and meet the threshold for establishing a PPD on their street. If you have any questions regarding this matter, please contact my Field Deputy Juan Fregoso at (213) 207-3015 or email at juan.fregoso@lacity.org.

Hi Juan -

I just added one small word - other than that, the letter pretty much covers all our bases...

Residents in Echo Park and Westlake have contacted my office seeking relief from parking challenges and have requested that we expand the boundaries **further** *for Preferential Parking District (PPD) 294.*

Felix

PS: let me know which exact segments wants the posting and I can issue the petitions with the restriction listed in the letter.

Hello Juan,

I am just following up on our call from Wednesday. I wen to the office on Sunset and was told that you are on vacation.

The tenants have received the water, sewer and trash bill. My bill is $90.49 Plus the $12 of Building Protection + the 8.31% rent increased.

As I told you on the phone HCID said that they can't do anything about it because is not a RSO building.

I am attaching the bill.

I hope to get a response soon.

Thank you.

Conservation Tip
Keep a bottle of drinking water in the refrigerator. This beats the wasteful habit of running tap water to cool it for drinking. Saves 200 to 300 gallons a month.

Dear Honorable Councilmember,

I urge you to act upon the issue on homelessness in Echo Park. It has been an ongoing issue.
Act on it by placing more homeless shelters in the area, So that the park can be a park again and the homeless would have a place to live. Believe it or not this issue in Echo park does affect many people who live in the area.

Echo Park is the park that represents the area and many communities. Being founded in 1892 the park was well taken care of. It has been 127 years now and the park has come to be a place where homeless people live in and bathe in the restrooms, which is an issue that needs to be resolved or it's going to get worse.

I support and applaud your commitment for your passion to improve communities involving homelessness. Now I urge you to continue to improve Echo park and add more shelters in the area.

I am looking forward to your response on this issue you contact me through email or letter.

All housing that broke ground and projects completed last year for transitional, affordable, or veterans for your council district.....

Does the Councilman's website site all the projects for CD13? My wife and I are concerned what affordable housing projects are going on in our Silverlake area besides the two between Union and Glendale on Temple that charge $2100-$6000 for 1-3 bedrooms. We know that on Burlington and Temple the affordable housing charges $1100 for a 2 bedroom.

Hi Cecile,

Welcome back.

Please see the response below from the Department regrading the request for a 15 Min Green Zone.

1)
I am handling your request to replace a missing 15 minute parking sign in front of the school at the above location. I conducted a field check. There are 2 signs with a beginning and ending sign for the 15 minute zone. Our office would not be able to paint the curb because the paint is only enforced between 8a to 6p Monday through Saturday. The 15 minute in front of the school is from 6a to 6p school days. There would be a conflict. I will submit a request to have the trees trimmed away from the sign. That will solve any issues of visibility.

The department states there is no missing sign. Can you please confirm the tree trimming was done to help with the visibility?

2) You are familiar with the procedures for dealing with homeless encampments. Please report the encampment to 311 and share the Service Request Number along with some pictures so we can work with the departments to schedule a clean up. As for issues on private property, the owners need to contact LAPD.

3) There are no meetings scheduled for the gateway right now. Ill keep you posted as I get information to share.

Hello Juan..thanks. Please note that the missing 15 minute sign is in front of 250 N. Burlington Avenue, next door to the

court houses. The sign was knocked down and the
stump/cement is still standing there.
Trimming the trees would help especially the front of 250 N. Burlington Avenue is a hang out for the drinkers and smokers after dusk.

Yes, I encourged the tenants and houses ffaround 418 -430 N. Alvarado to be more vigilant and keep on calling 311.
How sad! These people are invading the peace and quiet of our community,
endangering us with our fear of setting up fires and violence due to drugs within the 420 N. Alvarado.

By the way our Parol Parade will be December 1, 2018 with the same route last year.

Thanks,

Cecile Ramos

Hi Juan,

This is just to follow up with the letter from Stephanie Lemus, requesting your support for our Turkey collection. I hope you will be able to help us with **40** or more vouchers from The Dodgers or from another benefactor. Thanks again for your time and your quick email to Principal Herrera, let's see what happen if not we look for our second option "closing down Burlington Street in front of Union Elementary".

Please let me know the best time for a phone call next week.

Best,

Hi Juan,

I am following up with our request for Turkeys, if possible can you let me know how many 20, 30 vouchers from Dodgers and if I can pick them up when? The date is closing and I need to start planning for collecting turkeys or vouchers. Sorry for any inconvenience.

Best,

Hi [redacted],

Next week is tough.

I can do Tuesday the 21st after 11am.

Can you please provide me more information about the Parade and Festival?
What is the parade route? Will you be requesting No Parking anywhere?

Do you have a run of show for the events?

Are there any other community groups you are working with?

I am following up on the email you sent the Councilmember.

Are you currently one of the tenants at the Burlingtion Apartments?

We had just met with the tenants to go over their issues and to hear them out per their request. National Night Out is not the place for a meeting or discussion of this matter, so I am not sure how in depth of a dialog you were hoping for given that we had just met with a lot of the tenants a few days earlier.

If you are a tenant going through the rent strike I am available to schedule a call and go over the ways we can help.

If there are areas within the district that need to be addressed please let me know what the issues are so we can work with the proper department to address.
What are the streets you walked and what are the issues that need to be addressed in the neighborhood? Did you report them through 311 or any department?

Thank you for reaching out to our office.

Much of my community involvement can be attributed to my young life, as a Boy Scout, later reaching Eagle. That, along with a plethora of other reasons, is why I am writing this email to you today.

Constituents that are currently facing eviction due to a rent increase of as much as 40%, while living in inhuman conditions. Would you be okay with a rent increase of 40% while you're living among rats and bedbugs? I doubt it. After seeing your performance yesterday, I am rather appalled that you place your donors above your voters. The single response the tenants received from you was "I will talk to the landlord" as you quickly fled the scene. Well, today, some tenants were just evicted from 143 S. Burlington.

HI Juan

I live next to my brother at [redacted] N Burlington and I am concern of the yellow oozing stuff coming out of the ground as well.

Maybe after your inspections and repairs its time to also get sidewalks repaired in light of the line break.

Please keep us informed

Hello Steve,

Thank you for reaching out to either Public Works or LADWP. The crews responded, installed new copper water piping in the parkway, then returned later to cover the exposed piping with crushed rock groundcover.

We live in an older neighborhood which is true for most all of CD13. We appreciate your work and your office's assistance!

FYI I brought up a concern to Juan about the removal of two street trees in front of 1740 West Temple Street which was part of the "Vision Zero" public improvements. I live in the vicinity of this site. If in the course of your work you learn about replanting efforts on Temple Street, I would be an interested party. I would be happy to facilitate communications between the City and the owners of 1740 W. Temple Street who I assume would need to agree to water the trees during their establishment period of roughly three years. Unfortunately they failed to do so and I even witnessed unauthorized "pruning" which was more like "butchering" the trees, likely resulting in their improper growth coupled with lack of proper watering and maintenance. There must have been a City decision to remove them. I look forward to their replacement!

Best,

[redacted]

Much appreciated.

Hi, [redacted] yes I went by to inspect the alley.

The Historic Filipinotown Field Deputy Juan Fregoso is CC'd here.

My first step will be to send a request to LA Conservation Corps, to see if they can schedule one of their Clean & Green crews to do the project, ASAP.

My second option would be to coordinate a day for both of Councilmember O'Farrell's Clean Teams to do the project.

Thanks for bringing it to my attention. I'll keep you updated.

Let me know if there's any other way we can partner together to help your neighborhood.

Sylvan – Thank you and your team for cleaning our alley and your quick response to our request. The results are truly amazing. It saddens me to report that dumping has reoccurred at this site. We believe it comes from the apartments at the corner of Burlington and Temple. My wife has notified the building's management company and we hope it will put a stop to it. Moving forward, do you know of any recourse we (community stakeholders) can reach out to prevent and/mitigate illegal dumping in our community? Lastly, I would like to take you up on the offer to meet and discuss possible ways we can partner to improve the appearance of our neighborhood. Let me know what time/day works for you. I would be happy to come to your office.

Hi Kyle:

Thanks for the email. I will forward your sentiments to the Councilmember.

The issues you mentioned because there are both specific to Echo Park, which my colleague Juan oversees and can provide you with some updates.

However, I do want to take a moment to touch on the general notion of your email, which is that we are "out of touch" with the daily needs of our constituents. Nothing could be further from the truth. I am aware that this is the narrative that is being aggressively pushed by certain factions online at all costs. Often the "reporting" coming from these sources is so warped, you do not see the full picture, while other times, they are blatant lies. This is by design. Advocacy groups are not objective news agencies. It is their job to promote their agenda at all costs, even at the expense of the truth. For that reason, these aren't reliable sources of information, and I appreciate you giving me a platform to inform you of some of the things we're doing directly, at least in East Hollywood.

The Councilmember has always directed his staff to take a hands-on approach to issues related to renters' rights and evictions. I don't expect you or anyone else to know about these sorts of cases because we generally do not advertise this as they are examples of private casework. Still, there have been several instances in East Hollywood in which we have had to step in and work out something in favor of renters or people who are experiencing the threat of displacement. We did this with Super Pan when I asked to meet with the business owners and the people advocating on their behalf. I met with several members of the Neighborhood Council as well as the business owner and explained to them in Spanish, that we would be doing everything possible to extend their contract. In the end, we were able to secure an extension of their lease with the new property owner and their agent even assisted them in finding a new spot elsewhere.

We intervened when an entire building of tenants was being cheated of their RSO rights to relocation while work was being conducted illegally in their property. We were able to halt the illegal renovation work and worked with the Department to get the tenants who qualified for relocation accommodated. The Councilmember and I even personally went to the tenants' and met them in a living room in the building to address them directly.

We did this in Los Feliz, where an elderly Armenian couple was having their Section 8 contract terminated and were facing homelessness. We reached out to the landlord and worked with them to get an extension on their termination date until we were able to help them look for a new spot to live. Luckily they found something just a few blocks over and stayed in the neighborhood.

We did this with the Kingswood Apartments, which is an affordable housing building that had an expiring covenant in 2019. We are working with HCID to get another 30-year extension of the covenant on this property so that people can stay in their homes.

We are the only Council office I know in which the elected official goes door-to-door every month with his entire staff to conduct a neighborhood cleanup and offer residents City services and hear some of their concerns directly.

I am happy to explain and elaborate further if you care/wish to know about what's happening on the Council side of things. My door is always open to you and you are welcome to call anytime if you have any comments or concerns.

I will hopefully see you at the next Neighborhood Council meeting.

Best regards,
George

Hello [redacted]
My name is Juan Fregoso, Field Deputy with Councilman O'Farrell. He asked that I follow up on your email regarding the issues with the landlord at 131 Burlington.

I have spoke with a few of the residents here.

We are limited in what we can do because this is a legal matter being disputed in court.

If you want to schedule a quick call to further discuss I available on Monday.

Juan, Hector is going to send this to LASAN right now, and there is a possibility that they could do it this Friday. There's no guarantee, and I'd prefer not to take that chance that this would remain as is for another week.

Because it seems quite urgent, I'd also like to see if Mike Solis would just send a bulky items truck to meet me and the Clean Teams there tomorrow morning, and I do think we can handle it, as it is clearly an illegal dumping, that seems to be free of contaminants,

Maybe 4 truck loads worth of stuff.

There's no reason to delay getting it done, is how I feel about it.

Hey David,

I hope all is well with you!

Our office received a call from Alex Hernandez about his wall again. Alex mention that a contractor was about to abate his wall again (it got tagged again) but he stop them from paint it. Alex prefers that we not paint over the stone wall because the color options wouldn't match his stone wall. He was requesting that the graffiti on his wall be removed with either power washing or chemicals.

Is this a request that can be done?

Thanks again for your help.

Nuestra huelga de renta es la más grande en la historia de Los Ángeles. Somos votantes del Distrito 13, somos familias, somos mayoría latinos, y somos inquilinos que, actualmente, estamos pagando el 50% de nuestros ingresos mensuales a la renta. La propietaria Sra. Ehrlich aumentó nuestras rentas en un 10% en 2017 y otro 30% en 2018. El aumento de 30% va resultar en el 70% de nuestros ingresos mensuales para la renta. Aunque la Sra. Ehrlich tiene derecho de aumentar el alquiler de nuestros apartamentos pero vivimos en condiciones deplorables (fugas de aguas residuales, ratas, infestaciones de cucarachas y chinches, molde, techos desmoronados por fugas y problemas de seguridad y más). Estamos luchando contra estos injustos aumentos de alquiler con nuestra huelga de alquiler porque, francamente, no tenemos otra manera de luchar contra estos aumentos exagerados de alquiler. Hemos intentado negociar con la Sra. Ehrlich y ella se niega a llegar a un compromiso razonable.

Mitch

Thank you for the notification and concern.

I would like to add that if the blue waste trucks do not make their pickups that homeowners should compensated for the missed service

If someone does not come to work their time at work is deducted. We pay alot for our trash bill to have poor service. Perhaps they should credit the water or electric but no shows are unacceptable

Neighbors,

Please see the information, below and attached, which provide an overview of Councilmember O'Farrell's work on homelessness and renter protections. The first graphic outlines services provided in the 13th District for people experiencing homelessness. The second graphic details the Councilmember's work to protect renters during COVID-19.

I hope this is helpful. Please feel free to share, and let me know if you have any questions.

PROTECTIONS

FOR RENTERS DURING COVID-19

REPRIORITIZED $1,000,000 OF CD13 DISCRETIONARY FUNDS TO HELP CD13 RESIDENTS IN NEED WITH RENT SUBSIDIES.

APPROVED ALLOCATION OF $100M OF CARES ACT FUNDING TO BE PLACED IN THE CITY'S COVID-19 EMERGENCY RENTERS RELIEF PROGRAM. THIS IS IN ADDITION TO THE $1M ALLOCATED FROM 13TH DISTRICT DISCRETIONARY FUNDING TO HELP THE MOST VULNERABLE RENTERS IN THE DISTRICT.

CALLED ON GOVERNOR AND STATE LAWMAKERS TO ENACT AN EMERGENCY SUSPENSION OF THE COSTA-HAWKINS ACT. THIS WILL ALLOW CITIES TO FREEZE RENT INCREASES FOR ALL RENTAL UNITS AND NOT JUST UNITS SUBJECT TO THE CITY'S RENT STABILIZATION ORDINANCE (RSO).

VOTED TO PROHIBIT RSO RENT INCREASES - ORDINANCE PROHIBITS RENT INCREASES FOR 12 MONTHS AFTER THE COVID-19 EMERGENCY ORDERS ARE LIFTED, FOR ALL RENT STABILIZED ORDINANCE (RSO) UNITS.

VOTED UNANIMOUSLY TO WAIVE LATE FEES ON RENT DUE TO THE COVID-19 EMERGENCY ORDERS.

EXTENDED THE RENT PAYBACK PERIOD TO 12 MONTHS FOR RESIDENTIAL UNITS (THREE MONTHS FOR COMMERCIAL). THE ORDINANCE PERTAINS TO ALL ANGELENOS, REGARDLESS OF IMMIGRATION STATUS.

APPROVED AMENDMENT TO COVID-19 RELATED RENTERS PROTECTIONS THAT ALLOWS TENANTS A RIGHT OF ACTION TO SUE LANDLORDS WHO EGREGIOUSLY AND MALICIOUSLY VIOLATE ANY OF THE CITY'S PROTECTIONS DURING THE PANDEMIC.

CALLED ON CONGRESS TO INCLUDE RENT AND MORTGAGE RELIEF PAIRED TOGETHER IN THE NEXT FEDERAL RELIEF PACKAGE, INCLUDING EXTENDING PAYMENT OR FORGIVENESS ASSISTANCE TO RENTERS AND PROPERTY OWNERS IMPACTED BY COVID-19.

INSTRUCTED A REVIEW OF ALL FEDERAL AND STATE LEGISLATION PERTAINING TO EMERGENCY AID, WITH THE GOAL OF PROVIDING ADDITIONAL ASSISTANCE BY THE CITY TO 'FILL THE GAPS' IN AID FOR IMMIGRANT AND UNDOCUMENTED ANGELENOS.

City of Los Angeles Mail - Safety Committee Meeting Announcement - Wednesday, March 13th 10 00 a.m -redacted.pdf

Frank and Bethelwel,

Hello again! Back to Adrian Riskin. Please see below an email he sent me today, and an email he sent me over the weekend. They are the two most recent emails in the thread (May 12th and May 9th).

He seems to be nit-picking over an email address that I redacted from one individual in particular, Carol Massie, whose email address is an **@verizon.net** domain. My understanding is and has always been that that is a private email address, and therefore it is within our ability to redact.

He is threatening a lawsuit over the redaction of the information. Again, I redacted it because... I thought that's what I was supposed to do.

I'm not sure how he has ascertained that Carol Massie's was the email that was redacted; my guess is that he has sent the Hollywood B.I.D. a similar request, and perhaps they did not redact that address in particular?

Please let me know how I should proceed.

Thank you,

Dan Halden

Hi Mr. Halden,

I just want to confirm that you're justifying the redaction of Carol Massie's name and email address from the attached email on the basis of your chilling effect theory as outlined below. This is carol.massie2@verizon.net for reference. May I make the following observations?

1. CD13 has already released this email address in response to a number of CPRA requests. All possible exemption claims have been waived.

2. Ms. Massie is not a constituent of Mr. O'Farrell's. She lives in the Palisades in CD11.

3. If she's a constituent in some kind of broader sense I hope you'll share the criteria with me. The only thing I could think of is that she owns property in CD13. If that's the criterion I can send you essentially infinite lists of broader-sense constituents whose names or email addresses CD13 has never redacted, many of which appear on this very email.

4. Carol Massie is a member of the board of directors of the legislative body of the local agency formerly known as the Hollywood Property Owners Alliance. Redaction of putatively personal email addresses for members of legislative bodies of local agencies was disallowed by the California Supreme Court in 2017 in a landmark case that you might have heard of. Whether or not you have there are staff in the City Attorney's office who have definitely heard of it, have read it, have understood it. Please seek their advice on this matter!

I hope you will explain your choices here, Mr. Halden, and perhaps we can avoid yet another lawsuit.

Thanks,

Adrian

Hello Dan,

I'm not sure I understand. You're saying that even though you've told me on any number of occasions that CD13 does not possess the means to produce emails electronically now that there's a dire state of emergency you've somehow gained the ability to produce them this way? And if I agree to use NR then you'll upload them in whatever format they're in now but if I choose not to use NR then you'll print them on paper and scan them to PDF?

If that's indeed what you're saying then what I would prefer you to do is to email me the documents in whatever format it is that you are offering to put them on NR. There's no reason whatsoever, whether in the law or in the world of common sense, for you to insist that different means of transmission require different file formats (where clearly the OCR PDFs produced by City Gmail, which you've told me CD13 is unable to produce) are different from the embedded image PDFs produced by your scanner, at least with the settings you typically use.

Furthermore, given that you state below that these files are in some format other than the one which would result from printing/scanning, even leaving aside CD13's bizarre contentions about the native file format of emails I think it's pretty clear that the native format of the actual copies of the files you're offering to upload to NR is whatever file format they're in, so that the CPRA requires CD13 to produce them in that format. I can't imagine that there's any authority in the CPRA which requires me to sign up for an NR account or create a request in order to receive them.

Please let me know which option you prefer and you may complete the request in your preferred fashion.

Thank you and be safe.

Dear Adrian,

We have finished compiling documents that are responsive to your CPRA request CD13.2019.05.23.c. Due to the extraordinary circumstances presented by the COVID-19 pandemic, this request was completed electronically, which delayed its completion. Thank you again for your patience.

Due to the challenges posed by the pandemic, there are a couple different options available to you regarding how you will receive the documents. Please see the options below and let me know your preference:

Option #1 - You can open a request on the "Next Request" portal, and we will add the documents into the request electronically. Please note that, due to the redacting and review process, the documents have not been sorted by date, so if presented in this fashion, the documents will not be in chronological order. **Expected Date**

of Completion: Tuesday 4/21/20

Option #2 - We can do a final print of all the documents, re-sort them by date, re-scan them, and send them to you electronically. Due to the size of the request, this will likely result in several email batches being sent to you. We will also need a few additional days to complete the request in this fashion. **Expected Date of Completion: Friday 4/24/20**

Please let me know which option you prefer and we will complete the request in your preferred fashion.

Thank you and be safe.

Hi Mr. Halden,

I just want to confirm that you personally decided to redact the names and email addresses of selected members of the Brown-Act-subject HPOA Safety Committee on the theory outlined below. An example is attached. If that's the case, please confirm. If there's some other theory on which you personally chose to redact these names/email addresses please let me know what it is. Also, if these redactions are indeed based on your (entirely novel in my experience) public-interest-in-preventing-potential-chilling-effect theory, I wonder if you could let me know why that theory doesn't apply to the other members whose names and email addresses you chose not to redact.

Thanks,

Adrian

City of Los Angeles Mail - Safety Committee Meeting Announcement - Wednesday, March 13th 10 00 a.m -redacted.pdf

Hi Mr. Halden,

I just want to confirm that you're justifying the redaction of Carol Massie's name and email address from the attached email on the basis of your chilling effect theory as outlined below. This is carol.massie2@verizon.net for reference. May I make the following observations?

1. CD13 has already released this email address in response to a number of CPRA requests. All possible exemption claims have been waived.

2. Ms. Massie is not a constituent of Mr. O'Farrell's. She lives in the Palisades in CD11.

3. If she's a constituent in some kind of broader sense I hope you'll share the criteria with me. The only thing I could think of is that she owns property in CD13. If that's the criterion I can send you essentially infinite lists of broader-sense constituents whose names or email addresses CD13 has never redacted, many of which appear on this very email.

4. Carol Massie is a member of the board of directors of the legislative body of the local agency formerly known as the Hollywood Property Owners Alliance. Redaction of putatively personal email addresses for members of legislative bodies of local agencies was disallowed by the California Supreme Court in 2017 in a landmark case that you might have heard of. Whether or not you have there are staff in the City Attorney's office who have definitely heard of it, have read it, have understood it. Please seek their advice on this matter!

I hope you will explain your choices here, Mr. Halden, and perhaps we can avoid yet another lawsuit.

Thanks,

Adrian

Hi Mr. Halden,

I just want to confirm that you personally decided to redact the names and email addresses of selected members of the Brown-Act-subject HPOA Safety Committee on the theory outlined below. An example is attached. If that's the case, please confirm. If there's some other theory on which you personally chose to redact these names/email addresses please let me know what it is. Also, if these redactions are indeed based on your (entirely novel in my experience) public-interest-in-preventing-potential-chilling-effect theory, I wonder if you could let me know why that theory doesn't apply to the other members whose names and email addresses you chose not to redact.

Thanks,

Adrian

Hi Adrian,

On behalf of CD13, I made the decision to redact or withhold information pursuant to Government Code Section 6255. The redactions that were made pertained to the personal information of constituents. Full disclosure of their personal information would have a chilling effect upon citizens reaching out to their elected representatives for assistance. Therefore, the public interest in nondisclosure outweighs the public interest in disclosure.

Also, what's the public interest in disclosure that's outweighed?

Also thanks for your diligent work on this. Eleven months sure is a long time to be sorting through emails!

Hello Dan,

I'm not sure I understand. You're saying that even though you've told me on any number of occasions that CD13 does not possess the means to produce emails electronically now that there's a dire state of emergency you've somehow gained the ability to produce them this way? And if I agree to use NR then you'll upload them in whatever format they're in now but if I choose not to use NR then you'll print them on paper and scan them to PDF?

If that's indeed what you're saying then what I would prefer you to do is to email me the documents in whatever format it is that you are offering to put them on NR. There's no reason whatsoever, whether in the law or in the world of common sense, for you to insist that different means of transmission require different file formats (where clearly the OCR PDFs produced by City Gmail, which you've told me CD13 is unable to produce) are different from the embedded image PDFs produced by your scanner, at least with the settings you typically use.

Furthermore, given that you state below that these files are in some format other than the one which would result from printing/scanning, even leaving aside CD13's bizarre contentions about the native file format of emails I think it's pretty clear that the native format of the actual copies of the files you're offering to upload to NR is whatever file format they're in, so that the CPRA requires CD13 to produce them in that format. I can't imagine that there's any authority in the CPRA which requires me to sign up for an NR account or create a request in order to receive them.

Please let me know which option you prefer and you may complete the request in your preferred fashion.

Thank you and be safe.

Best,

A.

Dear Adrian,

We have finished compiling documents that are responsive to your CPRA request CD13.2019.05.23.c. Due to the extraordinary circumstances presented by the COVID-19 pandemic, this request was completed electronically, which delayed its completion. Thank you again for your patience.

Due to the challenges posed by the pandemic, there are a couple different options available to you regarding how you will receive the documents. Please see the options below and let me know your preference:

Option #1 - You can open a request on the "Next Request" portal, and we will add the documents into the request electronically. Please note that, due to the redacting and review process, the documents have not been sorted by date, so if presented in this fashion, the documents will not be in chronological order. **Expected Date of Completion: Tuesday 4/21/20**

Option #2 - We can do a final print of all the documents, re-sort them by date, re-scan them, and send them to you electronically. Due to the size of the request, this will likely result in several email batches being sent to you. We will also need a few additional days to complete the request in this fashion. **Expected Date of Completion: Friday 4/24/20**

Please let me know which option you prefer and we will complete the request in your preferred fashion.

Thank you and be safe.

I'm also curious, and I believe that this is part of the required determination response, what kinds of exemptions might possibly, conceivably, apply to communications between City staff and a private corporation such at the Hollywood Property Owners' Alliance?

Since your request includes a 17-month time frame, and the initial search of documents within that time frame produced approximately 1400 documents, I wanted to give you the opportunity to refine your request to a narrower window of time, which would enable us to complete the request more quickly. I'm sorry if that wasn't clear.

We will continue on this request with the timeline (expected completion by 12/31/19) I provided this previous Friday.

Hi Mr. Halden,

I'm just curious as to what you understand the word "focus" to mean in this context. I thought I understood what it's generally accepted to mean in the context of CPRA requests, but obviously my understanding is incompatible with yours given that from my point of view this request is 100% completely focused and it's logically impossible to focus it more. If you don't mind letting me know what it means to you to "focus the search terms" it would possibly make our interactions more efficient.

Thanks!

I apologize for the delay in response. This letter is in response to your request, pursuant to the California Public Records Act (CPRA), received by Council District 13 seeking records pertaining to all emails between me and anyone at "hollywoodbid.org" from January 1, 2018 through May 23, 2019.

Please be advised that this office finds that "unusual circumstances" exist with respect to the request, as that term is defined in California Government Code section 6253(c). Unusual circumstances exist because of the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records in order to respond to the request.

City of Los Angeles Mail - No call this morning-redacted.pdf

Good afternoon, Mr. Halden.

There are a few problems with this production, although that's bound to happen when you rush through work like this. Eleven months is very little time, I admit, and of course I thank you for your diligence!

First, again, you've apparently failed to check all email accounts. Obviously only your account and Mr. Fregoso's were checked. There are, however, plenty of responsives in other CD13 accounts. If I'm assuming too much, if you did check all CD13 staff accounts and MOF's, then I suppose all these missing emails are exempt?

And yet, again, the only exemption you've claimed is your constituents-won't-write-to-MOF-if-we-expose-them-to-ridicule-by-publicly-linking-their-names-with-their-opinions reading of section 6255(a). That prima facie does not apply to emails, e.g., between Ms. Miller and ePath and yet you've failed to search her account. Please clarify.

And also this exemption claim does not seem to apply to pretty many of your own redactions. For instance, consider the email (attached) from Mr. Torres to you. He sent it and yet you've redacted names, presumably on the basis of your above-named theory. It can't possibly apply, though, because these names are not CD13's correspondents. They're recipients of an email sent by someone else entirely. It's not possible that the release of such a name could have any effect on the willingness of any person to communicate with the office of CD13. Please, therefore, explain what authority you have for redacting these names.

And also consider the call-cancelling email, also attached. Here you've redacted Stephen Saengpradap's email, which is awdfs@msn.com. This is an email address that Mr. Saengpradap, who is paid with public funds by a public agency, uses to conduct his publicly-funded, publicly-directed work. Not only that but the City of Los Angeles has on a number of occasions already released Mr. Saengpradap's email address unredacted, thus waiving any possible exemption claims.

And finally it's not plausible that Mr. Saengpradap's email address is redactable on your no-constituent-chilling theory given that he lives at 849 S. Sierra Bonita, which is in CD4. He's not a constituent of Mr. O'Farrell's. The address, if you're wondering, was also released unredacted by the City of Los Angeles and thus exemption claims have been waived for it as well.

I'm sure that if I found these errors in just a few minutes of superficial skimming there are pretty likely others I didn't find yet. You can find them, though! Also, you can have the other members of your office including your boss search their email accounts for responsives.

And I hope you will do it very soon. The interest in this material is already pretty stale even though you so very kindly rushed, rushed, rushed to get it done so quickly. What a tragedy it will be if we, Mr. O'Farrell's true constituents, have to wait another eleven months for you to finish production.

Thanks, Mr. Halden!

Neighbors,

Following up on my email from last week, I wanted to let you know that this proposal will be heard in Homelessness & Poverty Committee tomorrow, Wednesday September 5th, at 3:00 PM at City Hall, Room 340 (John Ferraro Council Chamber).

If this moves forward out of committee, the item will next be heard at Budget & Finance Committee, followed by the full City Council, which will review the proposal and decide whether or not to approve the project. You can subscribe to updates on the legislative process **via this link.**

Additionally, our weekly **"Coffee with the Community"** series continues on **Wednesdays at 9:00 AM.** These discussions regarding the project proposal are open to the public on a first-come, first-serve basis. You must RSVP in advance. To RSVP, please email me or call me at (213) 207-3015 and I will send you confirmation information.

Please feel free to contact me at any time.

Warm Regards,

Subject: Proposed Temporary Bridge Housing at 1533 Schrader Blvd -- Formal Study Completed
To: Tony Arranaga <tony.arranaga@lacity.org>, Angelo Yenko <angelo.yenko@lacity.org>

Neighbors,

Earlier today, Councilmember O'Farrell introduced a motion that completes the formal study of the proposed temporary bridge housing facility at 1533 Schrader Blvd. I am including a press release and the motion itself, attached below.

This does not mean that the project is approved. This means that the formal study has been completed, and will now head to Homelessness & Poverty Committee, Budget & Finance Committee, and the full City Council, which will review the proposal and decide whether or not to approve the project. To stay up-to-date as this moves through the legislative process, you can subscribe for updates via this link. To subscribe, click on the "envelope" icon at the top of the page, and enter your email address. On this page, you can also review feedback from stakeholders, letters of support, and technical documents.

As a friendly reminder, the **"Coffee with the Community"** series is ongoing, **Wednesdays at 9:00 AM.** This is an opportunity to ask questions and discuss the proposal directly with representatives from PATH and The Center at Blessed Sacrament, who have been recommended to operate the facility. These discussions are open to the public on a first-come, first-serve basis, with a limit of 10 guests each week, and you may RSVP for yourself plus one additional guest, max. To RSVP, please email me or call me at (213) 207-3015 and I will send you confirmation information.

Please let me know if you have any questions.

Hi Dan...happy soggy Monday!

Looking forward to coffee on Wednesday—wondering when we'll be able to get a tour of the Schrader site (still too early?).

Thanks!

Hi Matt,

Nice to hear from you, and thank you!

It will open hopefully mid March, with room for up to 70 adults (M/F) at a time. I'm CCing Stephen and Tescia from PATH, the organization that will be operating the facility.

Stephen and Tescia, see below from Matt Fritch, a longtime community leader in Hollywood.

Hi Jennifer!

I hope all is well. I would like to invite you to a roundtable discussion to hear updates on the proposed temporary bridge housing facility at 1533 Schrader Blvd.

At this time, the proposal is not an approved project, but as the matter is being studied by various departments, we will have updates to share regarding a proposed operator(s), amended design, etc. The purpose of the meeting will be to present these updates and seek feedback and questions from community stakeholders and leaders.

This discussion will be held on **Monday, July 30, 2018 at 6:00 PM at the Hollywood Property Owners Alliance, 6562 Hollywood Blvd.**

Please RSVP to me directly if you are available and/or interested in attending. **Please note that this invitation is NOT transferable, and this is not an open house or town hall.** There will be other public opportunities for folks to weigh in.

Please let me know if you can make it on Monday July 30th at 6:00 PM.

Thanks!

Hi Dan,

Great to hear from you!

I am actually out of the office on vacation July 30th through August 10th. Also, our CEO and CPO are presenting in San Diego that day, but I can see if our Director of Metro LA (who also oversees our LA Interim Program) can attend? Let me know what you think.

Thanks so much,

Jennifer

Hello Michelle,

Thank you for reaching out tot our office. The Councilmember currently met with tenants to hear their concerns regarding their situation with the landlord. We do agree these are horrible living conditions and no one should have to live under these circumstances.

Did you file a case with the housing department regarding the conditions you are living under?

Please see the link for filing a case with the Housing Department:

http://hcidapp.lacity.org/ReportViolation/Pages/ReportViolation

We can also follow up with Sanitation to confirm that the owner has adequate service for trash pick up. How long ago was it that the trash was overflowing? Please provide some pictures when you get a chance so that I can document.

As for the rent increases, I am not familiar with the details but since there is no rent control here we are very limited in what we can do. The Councilmember has reached out to the owner, but she has not returned our calls for scheduling the call. We are looking into all the resources available to us in order to address.

Let me know if you want to schedule a quick call to further discuss.

Thank you for reaching out.

> My name is Michelle Garcia and I'm part of the Burlington Unidos tenants facing eviction. I know that you're already familiar with our story since many of your constituents have been trying to reach out to you regarding our case, but hear me out here. We, tenants at 131, 143, 171 Burlington Ave. LA, CA 90057, have been living for many years under very unsafe and

unhealthy conditions. Pest and rodent infested units and building, and to make things worse the landlord charges for fumigation. Mold in restrooms are only painted over and over again with no real solution. Several tenants have roof leaks during the rainy season and some have even had their roofs collapse. Landlord charges us for normal wear-and-tear repairs. We had our hot water on and off throughout the day for many days before we even received a note from management telling us it was going to be fixed. Trash pick up only twice a week caused the trash containers to overflow, trash on the ground made the trash area and parking lot to stink, and to make things worse there was no proper clean up done by maintenance. A sewage pipe in one of the parking lots tends to burst, flooding the area with dirty water, we have to walk over it to get to our cars, and maintenance does an awful job cleaning it up and the bad stench stays for days. There are almost everyday plumbing leaks in the parking lot that we have to drive under and over puddles of dirty water. We have the videos to show you the above and more.........So Councilmember, I'm sure that you agree with me that there should be no tenant under your district that should be living under these slum conditions, not in Los Angeles, not anywhere. Unfortunately, this is our reality for the tenants at Burlington Apartments.

While the landlord neglects our well being, the landlord still believes it is ok to raise our rent by $250-$400 monthly. There were no offers for renovations, no offers for repairs, no offers for improved maintenance, no offers for fumigations. That was a wake up call for us tenants, it's true that we are not protected under the RSO, that our rents are slightly below the market rate, but I honestly believe that there should be NO EXCUSE for uninhabitable living conditions, and I hope that you agree with me on this too. We realized that the only way to get the landlord's attention was to form Burlington Unidos and begin a rent strike. We have tried to negotiate with the landlord for a reasonable rent increase (pertaining to all the safety and health problems with the buildings) and improved maintenance and repairs as well as respect from management. The landlord doesn't seem to want to reach a fair negotiation with us at all. Therefore, this is where we seek for your help. For you to kindly meet with us, as a group, and give us the opportunity to share our experiences with you. We only ask that you, as our representative, show us your support against this unjust and inhumane treatment from our landlord and act as an intermediate for a negotiation. A slumlord who operates in your district and is taking advantage of hard working families. We stood up against our slumlord, and now we face eviction and homelessness. We seek justice and a safe and healthy home in our community of Westlake. I'm sure you also agree that this is part of your responsibility? Beforehand, I truly appreciate your SUPPORT and look forward to hearing back from you soon since this is an URGENT matter.

Sincerely,

Michelle Gacia

Hi Juan,

Thank you very much for getting back to me.

Unfortunately, the Housing Department has not been of any help. The complaints were closed or no violation found, yet the problems persist. As for the trash pick-up, an additional day was added, but only several months after the rent strike and court cases had begun. But like you mentioned, since our apartments are not protected by the rent control guidelines, it seems our rights are also limited. These are the reasons why we are reaching out to Mitch O'Farrell for help. The landlord refuses to reach a fair negotiation with us. On Wednesday, August 8th, a family was evicted, children locked out from their home by the Sheriff. A family who like the rest of Burlington Unidos, was living in deplorable conditions when they were hit with an unjust rent hike, and is only asking for a safe and healthy home, a reasonable rent increase, and respect from the landlord and management. I understand that the Councilmember has a busy schedule, but once again, I kindly ask if he can please meet and greet all of us as a group. I greatly appreciate all that you are doing to help us and I'm sure that all of the tenants in the district will too.

Regards,

Michelle Garcia

Hi Michell,

Councilmember O'Farrell met with the tenants last week to hear their stories, sorry you could not attend. He also briefly met with them at the Rampart National Night Out on Tuesday.

The Councilmember has a call scheduled with the property owner tomorrow to see if there is anything we can do to further assist, but we can not guarantee the outcome.

I have been in touch with the Los Angeles Homeless Authority and PATH, they offer resources and help to families that are going through the process of being evicted and at risk of being homeless.

Please see the attached and share with neighbors so that they can start the process. I can help connect anyone that fills out the form so please have them reach out.

I have asked for Spanish sheets as well and will share them when I get them.

Hi Dan! Hope you've enjoyed a fantastic Labor Day weekend in the City of Angels!

I'm going to be out of town on business this Wednesday—I've asked Jesus Torres to be at the morning coffee at the Center in my stead. I'm sure you know Jesus—he's our outreach wunderkind...I think it will be a good addition to the conversation to have him there with his insights and perspective on outreach in the Hollywood area.

Hope this works for you. I'll be back for the following Wednesday.

Thanks so much!

Hello, friends from The Center and PATH!

Following up on our conversations, I'd like to **confirm** that **beginning next Wednesday, August 22nd at 9:00 AM,** we will start holding our weekly "Coffee with the Community" at The Center.

This will be an opportunity for members of the public to interact with reps from The Center and PATH, and learn more about the planned operations for the proposed bridge housing at 1533 Schrader.

I will be sending out this email below later today or tomorrow. Please take a look and let me know your thoughts ASAP.

Also, **please confirm** that The Center and PATH will have the appropriate reps at these weekly coffees, every Wednesday at 9:00 AM until further notice. I will also be there with you each week, and will manage the RSVP list.

Thank you!

Dan

Neighbors,

I hope you have all had a great summer. As we enter the fall, Councilmember O'Farrell asked me to share some important updates regarding the proposal to build a temporary bridge housing facility on City Parking Lot 649, located at 1533 Schrader Boulevard in Hollywood. This facility would be built through Mayor Garcetti's "A Bridge Home" program.

- **Current Status:** The proposal is still being studied and is not yet an approved project. However, we expect the formal study to make its way back to City Council soon. You can subscribe to updates by following this link and clicking the "envelope" icon at the top of the page, where you will be asked to enter and verify your email address.
- **Updated Design:** The proposal has been modified to reflect feedback from neighbors, service providers, and other stakeholders. I am including the latest DRAFT designs here.
- **Recommended Provider(s):** As part of the proposal, the Los Angeles Homeless Services Authority (LAHSA) will be recommending that the facility be jointly operated by People Assisting The Homeless (PATH), which manages several similar sites throughout California; and The Center at Blessed Sacrament, which is located in the immediate neighborhood and currently provides services to local homeless individuals on a daily basis.
- **Upcoming Outreach:** As this proposal makes its way through the process, we want to make sure all interested stakeholders have the opportunity continue to ask questions and learn more, and to dialogue directly with PATH and The Center. Accordingly, The Center will be hosting **weekly "Coffees with the Community" on an ongoing basis.** These discussions will be open to the public on a first-come, first-serve basis, and will be held **every Wednesday morning, 9:00 AM, at The Center:** 6636 Selma Avenue. The first Coffee will be held **next Wednesday, August 22nd, at 9:00 AM.** There will be a limit of 10 guests each week, and you may RSVP for yourself plus one additional guest, max. To RSVP, please contact Dan Halden at daniel.halden@lacity.org or **(213) 207-3015.**
- **More Information:** Please feel free to check out the Hollywood 4WRD website devoted to this proposal. Hollywood 4WRD is a coalition of service providers in the area that has offered important feedback, guidance, and support for this proposal.

Please let me know if you have any questions and feel free to contact me at any time.

Warm Regards,

MITCH

Friendly reminder that we will be having our weekly conference call today at 11a.

Recurring Coordinated Conference Call re: Schrader Bridge Housing - OUTREACH

Hi everyone,

Now that the 1533 Schrader Blvd bridge housing project is under construction and we are in the "90 day/30 day" period, I am setting up a weekly "check-in" conference call to discuss outreach strategies, and to allow all agencies an opportunity to share information and coordinate.

This will be an opportunity for everyone to get on the same page and everyone is swimming in the same direction. The goal, of course, is to identify 70 individuals currently experiencing homelessness who will be able to move in to Schrader when it opens, ETA mid-January. I also want to make sure that our office is staying in touch with all of you, and monitoring the pulse of the area, throughout this period.

I am asking for the following agencies and entities represented on this call:

Mayor's Office
CD13
LAPD
LASAN
Park Rangers
LAHSA
PATH
The Center
Hollywood BID

Recurring Coordinated Conference Call re: Schrader Bridge Housing - OUTREACH

Hi everyone,

Now that the 1533 Schrader Blvd bridge housing project is under construction and we are in the "90 day/30 day" period, I am setting up a weekly "check-in" conference call to discuss outreach strategies, and to allow all agencies an opportunity to share information and coordinate.

This will be an opportunity for everyone to get on the same page and everyone is swimming in the same direction. The goal, of course, is to identify 70 individuals currently experiencing homelessness who will be able to move in to Schrader when it opens, ETA mid-January. I also want to make sure that our office is staying in touch with all of you, and monitoring the pulse of the area, throughout this period.

I am asking for the following agencies and entities represented on this call:

Mayor's Office
CD13
LAPD
LASAN
Park Rangers
LAHSA
PATH
The Center
Hollywood BID

Hi everyone,

I am pleased to share that the Los Angeles City Council has officially approved the temporary bridge housing project at 1533 Schrader Blvd.

Thank you for your support and partnership; we are excited to work with you as we get this facility up and running and serving the Hollywood community.

>
> CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell led a unanimous vote Tuesday to approve construction of a temporary bridge housing facility in Hollywood, the second such project to be established as part of Mayor Garcetti's 'A Bridge Home' program to provide emergency housing for our homeless.

The facility will temporarily house up to 70 people at a time; provide on-site supportive services such as case management, mental health services, and substance abuse programs; include 24/7 security; and will bring enhanced resources to the surrounding neighborhood provided by the Los Angeles Bureau of Sanitation, Police Department (LAPD), and Los Angeles Homeless Services Authority (LAHSA). The facility is expected to be operational for approximately three years.

"I want to thank the community for working with my office to make this happen in the 13th District," said O'Farrell. "The support from area stakeholders, businesses, and organizations underscores the urgent need for a solution to address the homeless crisis across the city."

As part of the community outreach for the project, Councilmember O'Farrell's office hosts an ongoing weekly meeting with stakeholders and representatives from the operators who will manage the facility: People Assisting the Homeless (PATH) and The Center at Blessed Sacrament, two experienced service providers with deep roots in Hollywood.

"Thank you to Councilmember O'Farrell for leading this vote and paving a way forward in the community's effort to solve our homelessness crisis," said Joel John Roberts, CEO, PATH. "It is up to all of us to take care of those in our community who need it most. And just like with this project, it will take the entire community, elected leaders and nonprofit partners to solve the city's homelessness crisis once and for all."

In addition to the Council action Tuesday, O'Farrell introduced a motion requesting reports on establishing Permanent Supportive Housing at the Schrader lot once the bridge housing facility wraps up service in three years (see attachment).

More than three-quarters of Angelenos voted in favor of Measure HHH (2016) to provide funding to construct up to 10,000 units of permanent supportive housing for those experiencing homelessness, and went even further and approved Measure H (2017) to provide funding for on-site services for the permanent housing and shelters. This includes case management, mental health services, substance abuse programs, and employment counseling.

Recurring Coordinated Conference Call re: Schrader Bridge Housing - OUTREACH

Hi everyone,

Now that the 1533 Schrader Blvd bridge housing project is under construction and we are in the "90 day/30 day" period, I am setting up a weekly "check-in" conference call to discuss outreach strategies, and to allow all agencies an opportunity to share information and coordinate.

This will be an opportunity for everyone to get on the same page and everyone is swimming in the same direction. The goal, of course, is to identify 70 individuals currently experiencing homelessness who will be able to move in to Schrader when it opens, ETA mid-January. I also want to make sure that our office is staying in touch with all of you, and monitoring the pulse of the area, throughout this period.

I am asking for the following agencies and entities represented on this call:

Mayor's Office
CD13
LAPD
LASAN
Park Rangers
LAHSA
PATH
The Center
Hollywood BID

Hi everyone,

Friendly reminder regarding tomorrow's (Wednesday 8/22) coffee meeting at 9am at The Center.

Heads up — we have only ONE confirmed community RSVP, Kerry Morrison from the Hollywood BID. So it may be a fairly light conversation. Regardless, I look forward to seeing you in the morning even if we just end up chatting amongst ourselves.

I will bring some materials related to A Bridge Home and the proposed project itself. At 9:00 AM, if other community folks are present, we can begin with introductions, and then I'll provide a brief overview of the proposed bridge housing. From there, we can dive into questions on specifics. I will moderate the whole thing.

Please let me know if you have any questions. Thank you again for your time and partnership.

Best,
Dan

Hi Hollywood Outreach Collaborative!

We'll be meeting at PATH to go over the case conference forms for the Hollywood Hotspots.

Parking is extremely limited as we are under construction for our new Metro Villas Affordable/ PSH Units!

We recommend taking public transportation or using a ride share app.

The nearest public transit stop is the Beverly/ Vermont Metro Station.

Let me know if you have any questions. Thank you Team!

Hi Tescia,

i wanted to E introduce you to Becky Gross with LAHSA. We are working on doing safe parking here in Echo Park and I wanted connect you both to discuss what that might look like as one of the service providers in the area.

Please let me know if there is anything else we can do to assist.

Hi All,

Juan, thanks for the introduction.

Tescia, it's great to e-meet you. As Juan mentioned, we are working to launch a safe parking program in echo park. In case you are not familiar with safe parking, I have outlined the program's primary goals here:

1. Assist vehicle dwellers with a safe and legal place to park and sleep at night so they can avoid victimization while they sleep and comply with parking laws
2. Connect program participants to CES and services
3. Provide participants with access to case management

I am looking for a provider to partner with us on this program and was wondering if PATH would be open to discussing this. Specifically, we would want your organization to help refer eligible participants to this program and also provide case management and/or other services to clients in the program that meet your eligibility requirements. Please let me know if this might be something your organization would be open to. I am happy to have a conversation to discuss the details of this. Please let me know if you need additional information.

Warmly,

Becky

Hi Tescia,

i wanted to E introduce you to Becky Gross with LAHSA. We are working on doing safe parking here in Echo Park and I wanted connect you both to discuss what that might look like as one of the service providers in the area.

Please let me know if there is anything else we can do to assist.

Hi Dan! Sorry to miss the coffee this morning, but Andrea reports things went well. Sounds like a couple of logistical changes (no couples beds?)—thought I'd check in to see if there are updates.

Thanks so much!

Hi Juan,

I just submitted the request below (Service Request # 1-1117154051).

It says it's scheduled for service on 8/2, but there are hazardous items in the trash, so if it could be cleaned ASAP, that would be much appreciated.

Thank you,

Hi friends -

Are any of you familiar with an encampment at the NE corner of Selma and Las Palmas?

This was not on my radar until a nearby property manager emailed me so I wanted to reach out and see if you were familiar with the folks at this location, and what their needs are. Please advise.

Hello everyone,

Thanks for making it out last Friday to plan the Source program at Edendale.

It is exciting that we set a monthly date for the Edendale Library Source program-**the 3rd Thursday of the Month!**

Our next meeting will be **August 16, 12:00pm. (3rd Thursday)**
This meeting will cover logistics and outreach for the event.
Please feel free to forward this information to some of the organizations mentioned at our last meeting: LA Kitchen, Food on Foot, People Concern, Ground Game, Good Shepherd, El Centro De Pueblo, Gateways, Chrysalis ....

The Source event will **START** the following month- **Sept 20, 12-3:00pm (3rd Thursday)**
Partners will arrive at Edendale Library at 11:30 am to set up and breakdown/debrief from 3 to 3:30pm.

Please let me know if you have any questions. I will send out an reminder email closer to the date.
Per request- I have attached the sign in sheet from last Friday's meeting.

Thanks again!

All the best,
Angi

Thank you Angi.

Can you set up a reoccurring calendar invitation so I can add it to my calendar?

Let me know if there is anything else I can do to help.

Talk to you soon.

Hi everyone,

Not sure who the lead is for this area, but if you're around this morning, there is a homeless man clearly in need of some help. Blondish brownish hair, no shoes, feet appear to be soiled. Looks to be 20s-30s. Speaking to himself.

Hopefully he can be helped.

Neighbors,

Happy Monday! I wanted to check in once again and provide an update, along with a friendly reminder, regarding the temporary bridge housing facility that has been approved for City Parking Lot 649 at 1533 Schrader Blvd.

Construction activity is expected to begin on Monday, October 15th, with the facility anticipated to open in January 2019. As you know, local service providers PATH (People Assisting The Homeless) and The Center at Blessed Sacrament will be operating this bridge housing facility.

Also as a reminder, please join us for our weekly **"Coffee with the Community"** series. These discussions are held on a recurring basis, Wednesday mornings at 9:00 AM, and are open to the public on a first-come, first-serve basis. To RSVP, please email me or call me at (213) 207-3015 and I will send you confirmation information.

Neighbors,

I am pleased to report that, earlier today, the Los Angeles City Council officially approved the proposal for temporary bridge housing at 1533 Schrader Blvd.

With today's approval, construction is expected to begin in October (exact date TBD), with the facility projected to open in January 2019. This facility will be the second in the City to be built under Mayor Garcetti's "A Bridge Home" program.

In addition to today's Council action, Councilmember O'Farrell introduced a motion requesting reports on establishing Permanent Supportive Housing at this location once the bridge housing facility wraps up service in three years (see attached document).

As this project moves from a proposal to a reality, our commitment to community outreach and engagement continues. We will resume our weekly **"Coffee with the Community"** series **next Wednesday, September 26th, at 9:00 AM.** (There is no meeting tomorrow, September 19th.) These discussions are held on a recurring basis, Wednesday mornings at 9:00 AM, and are open to the public on a first-come, first-serve basis. To RSVP, please email me or call me at (213) 207-3015 and I will send you confirmation information.

For your reference, a press release with detail's on today's Council approval is included below. As always, please feel free to contact me at any time.

RELEASE: O'FARRELL LEADS COUNCIL VOTE TO APPROVE BRIDGE HOUSING IN HOLLYWOOD

Construction on the city-owned parking lot at 1533 Schrader Boulevard to begin in October, with the facility projected to open in January 2019

CITY HALL -- Los Angeles City Councilmember Mitch O'Farrell led a unanimous vote Tuesday to approve construction of a temporary bridge housing facility in Hollywood, the second such project to be established as part of Mayor Garcetti's 'A Bridge Home' program to provide emergency housing for our homeless.

The facility will temporarily house up to 70 people at a time; provide on-site supportive services such as case management, mental health services, and substance abuse programs; include 24/7 security; and will bring enhanced resources to the surrounding neighborhood provided by the Los Angeles Bureau of Sanitation, Police Department (LAPD), and Los Angeles Homeless Services Authority (LAHSA). The facility is expected to be operational for approximately three years.

"I want to thank the community for working with my office to make this happen in the 13th District," said O'Farrell. "The support from area stakeholders, businesses, and organizations underscores the urgent need for a solution to address the homeless crisis across the city."

As part of the community outreach for the project, Councilmember O'Farrell's office hosts an ongoing weekly meeting with stakeholders and representatives from the operators who will manage the facility:

People Assisting the Homeless (PATH) and The Center at Blessed Sacrament, two experienced service providers with deep roots in Hollywood.

"Thank you to Councilmember O'Farrell for leading this vote and paving a way forward in the community's effort to solve our homelessness crisis," said Joel John Roberts, CEO, PATH. "It is up to all of us to take care of those in our community who need it most. And just like with this project, it will take the entire community, elected leaders and nonprofit partners to solve the city's homelessness crisis once and for all."

In addition to the Council action Tuesday, O'Farrell introduced a motion requesting reports on establishing Permanent Supportive Housing at the Schrader lot once the bridge housing facility wraps up service in three years (see attachment).

More than three-quarters of Angelenos voted in favor of Measure HHH (2016) to provide funding to construct up to 10,000 units of permanent supportive housing for those experiencing homelessness, and went even further and approved Measure H (2017) to provide funding for on-site services for the permanent housing and shelters. This includes case management, mental health services, substance abuse programs, and employment counseling.

Homelessness Session Panelists,

Thank you again for taking time to join us for our panel this morning. We've already received one follow-up email from a constituent who found the homelessness panel "inspirational."

I share that sentiment. Thanks for your time today, and the great work and partnership you provide me/us on an ongoing basis.

Enjoy the rest of your weekend.

Hi....good morning! Wonder if you have thoughts or insights into how this will (or won't) affect our work around Schrader.

Thanks for your partnership in this grand endeavor...(and Sean, I still need to circle back with you to set up that YWCA tour...I'm looking for a good spot on my calendar)

A great day! -Steve

Hi Dan—as the holidays approach, I wanted to extend a special thanks to you. There are indeed so many partners and folks to thank in this process of moving Schrader forward, but truly your work in bringing things together and providing clear information and space for conversation has been a key element in that process. Coffee may not seem like a big deal, but it's a big deal…creating space for validating, calming, sharing, growing.

Thank you—

And when the doors open and people enter into a new and more hopeful chapter, when they experience the care and respect of the community, it will be a happy day thanks in no small measure to your creativity and hard work.

Hope the holidays afford you some time for rest and celebration!

Hi Dan,

See the attached Board Report and transmittals. This is scheduled for Friday. Let us know if you want to also be able to call in and speak at the Board meeting. We can follow up on call in instructions.

Note in the final sentence of the Board Report that Mayor's office review and approval are still pending, tho I am hopeful it happens this week, and we can verbally report that at the Board hearing.

Thanks,

Deborah

REVISE THE TASK FOR SOLICITATION NO. 052A/340L TO M. ARTHUR GENSLER JR. & ASSOCIATES, INC. FOR ARCHITECTURAL AND RELATED PROFESSIONAL SERVICES FOR THE HOLLYWOOD WALK OF FAME PROJECT (WORK ORDER NO. E1908444, CONTRACT NO. C-124805)

RECOMMENDING THE BOARD OF PUBLIC WORKS (BOARD):

AUTHORIZE the City Engineer to issue a revision of the task for Task Order Solicitation (TOS) No. 052A/340L to M. Arthur Gensler Jr. & Associates Inc. (Gensler), increasing the budget authority from $297,000 to $2,526,577 for architectural and related professional services for the Hollywood Walk of Fame (HWoF) Project.

TRANSMITTALS

1. Copy of TOS No. 052A/340L, entitled "Hollywood Walk of Fame - Design Services", dated March 20, 2019.

2. Council File No. 14-1174-S40 - Economic Development Committee Report, dated December 3, 2018, requesting review and recommendation that the Los Angeles City (City) Council and the Mayor, as required, appropriate up to $4,082,572 plus earned interest in Community Redevelopment Agency of Los Angeles (CRA/LA) Excess Non-Housing Bond Proceeds (EBP) from the Hollywood Redevelopment Project Area (Taxable Series 2006-E and Tax-Exempt Series 2008-F) for the HWoF Project, approved by Council on December 12, 2018, with Mayor's approval on December 17, 2018.

3. Council Motion in Council File No. 14-1174-S40, approved on May 20, 2020.

4. Council Motion in Council File No. 14-1174-S40, approved on February 4, 2020.

5. Bureau of Engineering (BOE) Board Liaison Commissioner Jessica Caloza's email approving an emergency Notice-to-Proceed (NTP) of up to $150,000, dated March 11, 2020.

DISCUSSION

Background

On June 11, 2014, the Board approved the Pre-Qualified On-Call (PQOC) list of consultants to provide architectural and related services for the Municipal Facilities Program. The contract with Gensler was executed on October 31, 2014, Amendment No. 1 was executed on October 10, 2019, and the contract's new expiration date is September 23, 2024.

The HWoF comprises more than 2,600 bronze and terrazzo star plaques embedded in and lining the sidewalks of Hollywood Boulevard and Vine Street. The stars honor the achievements of celebrities in the entertainment industry. The HWoF is a City of Los Angeles Historic Cultural Monument (No 194, designated in 1978) that attracts millions of tourists and visitors worldwide each year. It runs 1.3 miles east to west on Hollywood Boulevard, from Gower Street to La Brea Avenue, plus a short segment of Marshfield Way that runs diagonally between Hollywood and La Brea; and 0.4 miles north to south on Vine Street between Yucca Street and Sunset Boulevard. The HWoF is in Council District No. 13.

The first eight stars of the HWoF were installed on August 15, 1958, near the intersection of Hollywood Boulevard and Highland Avenue as part of a demonstration project meant to generate excitement over what the HWoF could look like. Construction on the HWoF began in earnest on February 8, 1960, with the installation of the star of Stanley Kramer near the intersection of Hollywood and Gower. Over time, the HWoF became a permanent fixture of the area's sidewalks, and of the entertainment industry and the Hollywood mystique in general. Today, each year approximately two dozen stars are added to the HWoF in five possible categories: 1) Motion Pictures; 2) Television; 3) Recording; 4) Radio; and 5) Live Performance.

Over the years, various areas of the HWoF have fallen into disrepair. Due to the HWoF's overall size, complicated jurisdictional issues, and the escalating costs associated with the terrazzo material used for the stars, there have been inconsistent repairs. Even relatively minor maintenance or repairs to individual stars can prove to be a costly endeavor. Large-scale repairs of a block or more at a time have been extremely complicated, expensive, and in many cases begin to show deterioration within a few years. As a result, the HWoF as a whole is inconsistent, piecemealed and often does not match the expectations visitors have for the HWoF or for Hollywood in general.

There are a number of master plans, studies, and records related to the HWoF that have been conducted by various organizations or agencies throughout the years. The diverse nature of the various studies and the organizations that commissioned them is indicative of the special place the HWoF has in the community. The current goal is to move the HWoF forward into the 21st century, respecting its rich history, while establishing a holistic and long-lasting vision.

TOS Description and Funding Authorization

On May 20, 2019, TOS No. 052A/340L was sent out to a total of 32 firms (Transmittal No. 1): 20 firms from the 2014 PQOC Architectural and Related Services Consultant List and 12 firms from the 2008 PQOC Landscape Architectural and Related Services Consultant List.

The proposed scope of work for the project is being funded from the City's CRA/LA EBP, that total $4.1 million. As part of C.F. 14-1174-S40 approved in December 2018 (Transmittal No. 2), $500,000 was authorized for the Strategic Master Plan for the Hollywood Walk of Fame. A Council Motion (C.F. 14-1174-S40) introduced on May 13, 2020 and approved by Council on May 20, 2020, increases the authorized funding to $4,082,572 (Transmittal No. 3).

The scope of work as described in the TOS was to be in two steps as follows:

TOS Step 1 - Streetscape Concept Plan:
This first step, in summary, was to review prior plans and studies, suggest alternative, conceptual design approaches to the HWoF, hold team and community meetings, and develop a strategy for next steps.

TOS Step 2 - Streetscape Design Documents:
For Step 2, in summary, once the concept plan was approved, the City agreed to negotiate a lump sum design task for full design services.

Summary of Selection and Negotiations:
Three out of the 32 firms submitted fee proposals in response to the TOS. They were: Ahbe/MIG, Gensler, and Xten Architecture. The selection criteria in the TOS is noted below.

	Selection Criteria	**Points**
1	Demonstrated ability to deliver the design within the approved construction budget as supported by similar completed projects within the last 5 years	**25**
2	Ability of the team to complete the project design according to the schedule	**25**
3	Demonstrated experience with the local community	**20**
4	Value of services based on the fee proposal	**20**
5	Continuous compliance with the Business Inclusion Program per Contract Article 17 of your contract	**10**
	Total Points	**100**

All proposals were competitive and met the minimum criteria of the TOS. After thorough evaluation based on the TOS selection criteria, Gensler was selected. Documentation supporting the selection of the consultant as well as a record of the negotiations has been included in the project file.

On June 6, 2019, NTP No. 1 was issued in the amount of $138,000 to prepare the Concept Plan; and on August 26, 2019, NTP No. 2 was issued for additional requested work in the amount of $9,000, to prepare colored renderings. The two NTP's total $147,000 for work under Step 1 of the TOS, and they were issued under the authority of the City Engineer. Gensler provided an initial proposal for Step 2 on December 4, 2019.

Gensler Completed Step 1 of the TOS on January 30, 2020
In January of 2020, BOE staff and Council District No. 13 staff person Daniel Halden, the Director of the Heart of Hollywood Initiative, briefed Board President Kevin James, Commissioner Caloza, and Eva Bitar of the Mayor's Office of Film and Television Production.

On January 31, 2020, the City Council adopted a Motion No. 55 (Council File No. 14-1174-S40), which directed the BOE to work with Gensler on Step 2 for the HWoF (Transmittal No. 4).

Gensler provided a revised proposal for Step 2 on March 23, 2020. Gensler's proposal for Step 2, was for streetscape design document services for two phases of the entire project which were described as: Schematic Design, and Design Development for the entire project area. However, in consultation with the Council Office, this Board report is asking for approval of an NTP for Schematic Design only, increasing the Task Authority by $2,229,577 for a total Task Authority amount of $2,526,577. A NTP for the next design work will be established once the priority is clarified for the remaining design funds. Next design work could be focused on construction documents for a pilot project. The overall scope is no longer limited to a construction budget of $3 million dollars as was noted in the original TOS in May of 2019.

At the request of the Council Office to meet a deadline on a Los Angeles County Metropolitan Transportation Authority (Metro) Advanced Transportation Program (ATP) grant submission of April 20, 2020, and in anticipation of this Board report, on March 11, 2020 BOE briefed Commissioner Caloza via email requesting emergency authority to issue a NTP up to $150,000. Commissioner Caloza concurred via email (Transmittal No. 5). BOE issued a NTP of $144,210 to expedite the preparation of the Metro ATP grant application.

Business Inclusion Program (BIP)

The revised Task is subject to the BIP outreach requirements. The City has established anticipated participation levels of 18.00 percent minority-owned (MBE), 4.00 percent women-owned (WBE), 25.00 percent small (SBE), 8.00 percent emerging (EBE), and 3.00 percent disabled veteran-owned (DVBE) business enterprises. For this revised Task, Gensler has pledged 20.20 percent MBE, 3.87 percent WBE, 39.46 percent SBE, 31.84 percent EBE, 4.96 percent DVBE, and 5.11 percent OBE participation levels.

During the course of preparing this revised Task, Gensler conducted outreach and requested that Bess Testlab, Calvada Surveying, Infrastructure Factor, John M. Cruikshank, and Structural Focus be added to the Schedule A subconsultants list in order to meet the BIP outreach requirements.

For the revised Task, the following MBE, WBE, SBE, EBE, DVBE and OBE firms are proposed to be utilized by the consultant:

REGULAR COUNCIL AGENDA TO BE POSTED
#55

MOTION

I MOVE that the Council Action of December 18, 2018 relative to the Hollywood Walk of Fame Project (CF 14-1174-S40), BE AMENDED to direct / authorize the Bureau of Engineering to prepare, process and execute the necessary document(s) with, and/or payment(s) to Gensler, a City consultant, to move forward on the next phases of more detailed analysis and design work for this Project, utilizing CRA/LA excess Non-Housing Bond Proceeds from the Hollywood Redevelopment Project Area already set aside in the original Council Action, and subject to the approval of the City Attorney as to form, if needed.

I FURTHER MOVE that the Council FIND that the above services to be performed by Gensler are for the performance of professional, scientific, expert, technical, or other special services of a temporary and occasional character for which competitive bidding is not practicable or advantageous and that the work can be performed more economically or feasibly by independent contractors than by City employees.

HOLLYWOOD WALK OF FAME - DESIGN SERVICES - WORK ORDER NO. E1908444 - TOS NO. 052A/340L

INTRODUCTION

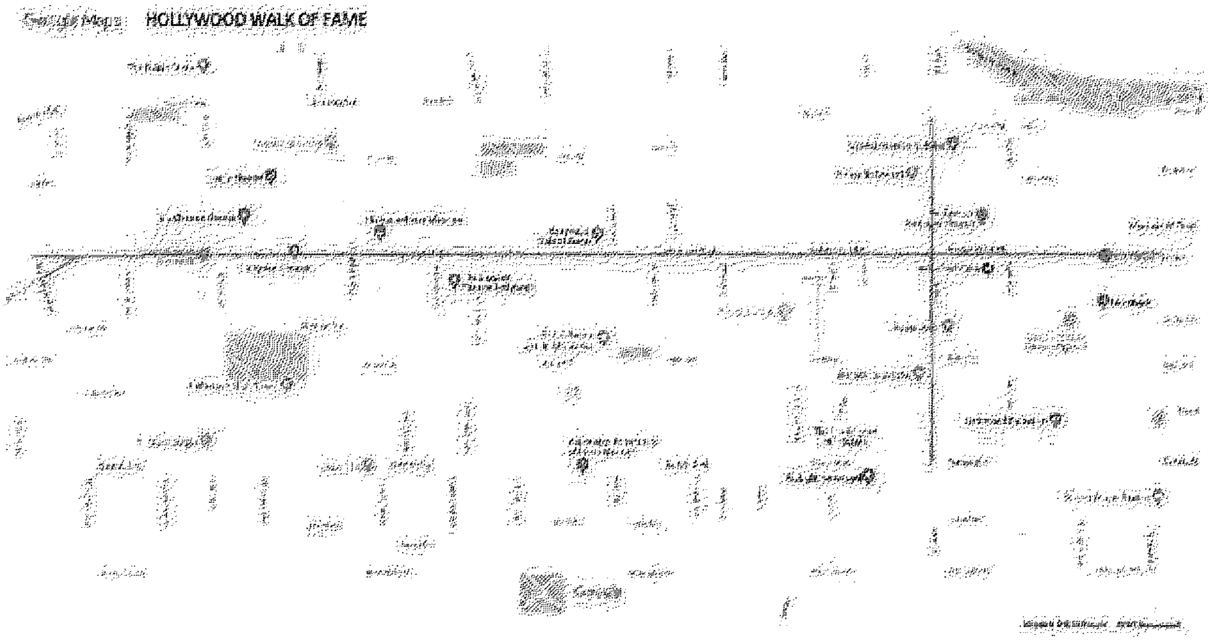
The City of Los Angeles, Bureau of Engineering (BOE) is seeking a consultant team ("the consultant") to provide Design Services for the Hollywood Walk of Fame (HWoF), located mainly on Hollywood Boulevard, between La Brea Avenue and Vine Street in Hollywood, Los Angeles. The Design Services include, but are not limited to, Planning, Pre-Design, Design, Construction Administration, and Post Construction, etc. The selected consultant will provide architectural, landscape, civil, and other support services, as necessary to deliver the scope of work as specified in this TOS.

TRANSMITTAL NO. 1

Recyclable and made from recycled waste.

PROJECT DESCRIPTION - HOLLYWOOD WALK OF FAME

The Hollywood Walk of Fame comprises of more than 2,600 bronze and terrazzo star plaques embedded and lining the sidewalks of Hollywood Boulevard. The stars honor the achievements of celebrities in the entertainment industry. It is a Historic Cultural Monument that attracts millions of tourist and visitors worldwide each year. It runs 1.3 miles east to west on Hollywood Boulevard from Gower Street to La Brea Avenue, plus a short segment of Marshfield Way that runs diagonally between Hollywood and La Brea; and 0.4 miles north to south on Vine Street between Yucca Street and Sunset Boulevard.



The first eight stars to the Walk of Fame were installed on August 15, 1958 near the intersection of Hollywood and Highland as part of a demonstration project meant to generate excitement over what the Walk could look like. Construction on the Walk began in earnest on February 8, 1960 with the installation of the star of Stanley Kramer near the intersection of Hollywood and Gower. Over time, the Walk of Fame became a permanent fixture not just of the area's sidewalk, but of the entertainment industry and the Hollywood mystique in general. Today, each year approximately two dozen stars are added to the Walk of Fame in five possible categories: 1) Motion Pictures; 2) Television; 3) Recording; 4) Radio; and 5) Live Performance.

Over the years, various areas of the Walk of Fame have fallen into disrepair. Due to the Walk's overall size, complicated jurisdictional issues, and the escalating costs associated with the terrazzo, there have been inconsistent repairs throughout the years. Even relatively minor maintenance or repairs to individual stars can prove to be costly endeavors. Large-scale repairs of a block or more at a time have been extremely complicated, expensive and in many cases begin to show deterioration within a few years. As a result, the Walk of Fame as a whole is inconsistent and piecemealed and often does not match the expectations visitors have for the Walk or for Hollywood in general.

There are a number of master plans, studies, and records related to the Walk of Fame that have been conducted by various organizations or agencies throughout the years. The diverse nature of the various studies, and the organizations that commissioned them, is indicative of the special place the Walk of Fame has in the community. Attached to this TOS are some of those documents, provided by organizations including: the Hollywood Chamber of Commerce, the agency in charge of selecting stars to add to the Walk; the Hollywood Historic Trust, set up by the Chamber to oversee and administer repairs to the Walk; the Hollywood Entertainment District Business Improvement District (BID), which represents property owners in the area; Hollywood Heritage, a historic preservation organization; and other non-profit organizations that have imagined or proposed improvements to either the Walk itself or the area and experience associated with it (including the bump-outs, parking, public art, trees, etc.). The previous Masterplan and Studies are an attachment to this TOS.

The goal is to move the Hollywood Walk of Fame, forward from the 20th Century. The Consultant shall:

Step 1 - Streetscape Concept Plan:

1. Review all previous Master Plans and Studies:
    - Review all previous outstanding Stakeholders inputs.
    - Review all previous outstanding Community meetings and inputs.
    - Coro Study: "Protecting the Hollywood Walk of Fame"
    - Modified Parking District Study and Recommendations
    - Diagram of Existing Five (5) Sidewalk Widening Improvements originally designed and installed by the Community Redevelopment Agency (CRA)
    - DO Art Foundation proposed activation of Sidewalk Widening Improvements.
    - Specifications for existing Decomposed Granite along the Walk
    - Information on Hollywood Boulevard Commercial & Entertainment Historic District, as recognized by the National Register of Historic Places
    - Walk of Fame 50th Anniversary Maintenance and Repairs Project
    - Proposal(s) for Suggested Theater/Entertainment District, Pedestrian Systems, Facade Controls, etc.

2. Assess existing/current conditions of the entire Hollywood Walk of Fame limits of work. Prepare a report documenting damaged items, inoperative items, violations, inconsistencies, discrepancies, missing elements, ...etc.

3. Meetings:
    - Standard Project Team Meetings.
    - Three (3) Focus Group Meetings – CD13, City Staff, Office of Historic Resources, Chamber, BID, HWoF, Historic Trust, etc....

  - Two (2) Community Meetings - With synthesized Information, conduct courtesy update.

4. Provide a new Streetscape Concept Plan.

5. Provide Construction Estimates of the Streetscape Concept Plan and recommended improvements. The Estimate shall be broken down by tasks and phases, allowing the Project Team to plan, strategize, and develop what elements to construction in Phase 1 and other subsequent phases.

6. Recommend strategy & priorities scope of work to go to construction, factoring:
    - Available Funding – Phase 1 & Future Phases.
    - Existing Conditions (Most Dilapidated Areas)
    - Prime Areas
    - Phasing – Construction Logistics Sequencing
    - Cohesive Coordinated Approach
    - Other Construction Projects & Developments
    - Olympics, Special Events, & Ceremonies.

   The City shall approve a strategy & priority scope of work.

The total maximum fee for the Concept Streetscape Plan shall not exceed One Hundred and Thirty-Eight Thousand dollars ($138,000). This total maximum fee includes all reimbursable expenses and other miscellaneous fees. In addition, your fee quotation is required to be itemized per discipline and sub-consultants, i.e. Civil, Landscape, Architectural, Structural, Mechanical, Plumbing and Electrical Engineering, etc. It shall demonstrate how all hours and fees are to be allocated. In addition, your fee quotation should be itemized per Project Deliverable as listed in this Task Order Solicitation.

Step 2 - Streetscape Design Documents:

Once this Streetscape Concept Plan task is completed and approved, the City will negotiate a lump sum design task order with the chosen consultant to provide complete Streetscape Design Documents services for the prioritized Streetscape improvements, limited to a construction budget of $3 million dollars.

SCOPE OF SERVICES

1. Streetscape Concept Design Services

   The project limit of work shall be the entire Hollywood Walk of Fame for the purpose of Assessment. The BOE will secure environmental clearances, including completing the required documentation under the California Environmental Quality Act (CEQA). The BOE also provides the necessary surveys and geotechnical engineering work.

A. The Consultant, in accordance with the Architectural Services Agreement, shall perform Landscape/Architectural/Engineering Pre-Design, Design, and Construction Administrative services, including but not limited to, the preparation of design and construction documents (plans and specifications), related plan check and permit approvals, constructability review, cost estimates, support services during bid and construction, and preparation of related as-built drawings, as described herewith.

B. All drawings shall be drawn in BIM/Autodesk Revit 2015 or the latest, and on 24 by 36-inch sheets with the BOE title block, of which an electronic copy will be provided by the BOE. The electronic files of the drawings in BIM/Autodesk Revit 2015 or the latest shall be made available to the BOE upon request during any phase of the project and for final assembly of bid/construction documents. Design Documents shall be in English units and shall be completed in conformance with City requirements and comply with current codes.

C. The Consultant shall coordinate all disciplines, including but not limited to: civil, landscape, architectural, structural, and electrical engineering plans and specifications with all other disciplines.

D. The Potential Construction Scope of Work:
- Sidewalk Widening Improvements
- Tree Wells
- Street Lighting
- Signage
    - Direction / Way Finding
    - Informational
    - Interpretive
- Obsolete Items
    - Trash Cans
    - CRA Stage Lights
    - Newspaper & Magazines Stand
    - Etc......
- ADA Ramps
- Curb & Gutter Replacements
- Trees Replacements
- Street Furniture
    - Benches
    - Trash Receptacles
- Bus Shelters
- Medians
- Tour Bus Designated Areas
- Drainage Improvements
- Demonstration Terrazzo Replacement Material
- Demonstration stretch:

  - Both the North and South side of Hollywood Boulevard between Las Palmas Avenue to Wilcox Avenue.

E. All disciplines, including but not limited to the civil, landscape, architectural, structural, electrical engineering consultant shall comply with all current and applicable codes and regulations. The Consultant shall provide all the required architectural, civil, structural and electrical engineering design and construction documents in accordance with but not limited to the following:

- Site Demolition & Construction Plans.
- New Structures Structural Engineering Design.
- Site Improvement Civil Engineering, Landscape, Architectural Design.
- Lighting, Power and Data/Telecommunication Systems.
- Camera Monitoring Systems.
- Public Announcement System.
- Grading and Site Drainage Design.
- Electrical Service Load Calculations and Single Line Diagrams.
- Electrical Panel Schedules.
- Lighting Control Diagrams and Details.
- California Energy Commission's Title 24 Compliance Forms for lighting.
- Information and coordination related to utility companies and service connections.
- Coordination with all agencies having jurisdiction, including but not limited to, the Fire Department (LAFD), Department of Building and Safety (LADBS), Bureau of Sanitation (BOS), Information Technology Agency (ITA), Department of General Services (GSD), Department of Water and Power (DWP), and other utility companies as needed, to complete the design and obtain all necessary approvals.
- Verify and locate all utilities point of connections (POC), including the sizes of all required utility services.
- The site civil engineering shall comply with the City's Low Impact Development Ordinance (LID).
- All Title 24 Calculations shall be done by EnergyPro software. Electrical calculations shall be combined under a single file.

F. The Consultant shall provide Technical Specifications for the entire project in coordination with the BOE (ALL disciplines). The Technical Specifications shall be prepared by an independent professional specification writer, and written in Microsoft Word in CSI Format. The BOE will provide a sample format of the Technical Specifications for reference. The electronic files of the Technical Specifications in Microsoft Word shall be made available to the BOE upon request during any phase of the design and for final assembly of bid/construction documents.

G. The Consultant shall provide cost estimates for the entire HWoF project at specified project intervals. The cost estimates shall be prepared by an independent professional cost estimator.

H. The Consultant shall provide an independent constructability review for the entire project from a third party. The constructability review may be in the form of Value Engineering which may be required in order to bring the cost of the project back into the budget. In addition, the aesthetical design must be approved by the City, local neighborhood, and the Cultural Affairs Commission as part of this Task Order.

I. All work shall be in compliance with all the most current requirements of all applicable codes and regulations, including but not limited to the following:
  - City's Low Impact Development Ordinance (LID).
  - City's Standard Urban Stormwater Mitigation Plan (SUSMP).
  - City's Standard Specifications for Public Works Construction ("Green Book").
  - City's Green Building Ordinance.

J. The Consultant shall attend periodic design coordination meetings with the BOE. The Consultant shall attend as many meetings as are necessary to successfully complete the design for the site and the building.

K. The Consultant shall determine the locations and requirements for all relevant utility sources and points of connection. The Consultant shall provide electrical engineering design to ensure uninterrupted power supply to the rest of HWoF, when other sections of the HWoF are interrupted or demolished.

L. The Consultant shall assist the BOE during bid and award phase responding to bidders' Requests for Information (RFIs) and/or issue bid addenda where necessary at no extra charge.

M. The Consultant shall provide full Construction Administration for their related services during construction including but not limited to the following:
  - Attend minimum 60 weekly job site meetings during construction. The duration for demolition and construction is approximately twenty-four (24) months.
  - Review and respond to Requests for Information (RFIs), Shop Drawings and Submittals in a timely manner.

N. The Consultant shall prepare Record Drawings for their related disciplines from the field as-built plans prepared by the Contractor after construction completion. The final Record Drawings shall be submitted to Engineering in both BIM/Autodesk Revit 2014 and Adobe PDF formats. All plan sheets shall be "bound" in their original digital format when submitted to the BOE.

O. Public Outreach will be coordinated and organized for Design approval by City team. The team will facilitate Community meetings, during the course of the Project.

P. The overall goal is to secure environmental approvals as early as possible. The City will be handling the environmental work for the project. The Consultant shall provide technical support services to assist the City's environmental officer.

Q. Prepare the necessary presentation documents to the Department of Cultural Affairs (DCA) and Public Art, including elevations, cross-sections and renderings of the cultural artwork and elevated sculptures. Consultant will participate in the selection of the Artist by the DCA for the Public Art aspect of the project.

R. The BOE will provide survey and geotechnical reports for the project upon request by the Consultant. The BOE's Survey Division and Geotechnical Engineering Division shall produce these documents.

S. Quality Assurance / Quality Control (QA)/ (QC) and Constructability Review: Consultant will develop a QA program to develop procedures and guidelines to assure an acceptable level of quality. A constructability review will be conducted to ensure the contract documents are buildable, biddable, and meet the anticipated construction estimate.

2. Project Phases:
   The Consultant shall complete the following tasks for each of project phases, for the related design and engineering work as described in the Basic Services above.

   A. Pre-Design/Conceptual Phase (PD): (Step 1 – Streetscape Concept Plan)
      1. Investigate site conditions and all as-built plans necessary for design programing, design concepts, and related civil, structural, and electrical engineering.
      2. Complete Design Programming and develop a Pre-Design Report.
      3. Develop a minimum of 3 different Conceptual Design. The schemes shall present the benefits to the BOE, Focus Group, and the community. The community shall be represented by a Focus Group.
      4. The Consultant shall provide conceptual architectural and engineering design services, such as architectural, civil, structural, electrical engineering, landscape designs, and other related support services, as needed until a Final Conceptual Design is approved. This Conceptual Design must be presented to the stakeholders for feedback before proceeding further with the Design.
      5. Provide an outline Technical Specifications for the entire project in coordination with the BOE.
      6. Present and obtain conceptual approval from the Cultural Affairs Commission and Capital Project Review Committee.
      7. Provide a rough order of magnitude construction cost estimate for the entire project based on the Final Conceptual Design.

B. Schematic Design Phase (SD): (Step 2 – Streetscape Design Documents, to be negotiated)
   1. Provide Schematic Design, including civil, structural, electrical engineering, landscape, and other related support services. Develop Schematic Design as needed until an acceptable scheme is accepted by the City. Consultant shall start with a minimum of 3 different floor plan schemes and building massing.
   2. Attend meetings as necessary with the BOE until the final Schematic Design is approved.
   3. Perform investigation work for site conditions and as-built plans necessary for the related design of the civil, structural, and electrical engineering for the improvements.
   4. Meet with the LAFD, LADBS, BOS, BSL, Planning Dept. and other agencies having jurisdiction for preliminary plan check and reviews for compliance with grading, structural, and electrical code requirements and incorporate pertinent aspects as appropriate.
   5. Coordinate with the DWP and other utility companies to obtain service commitment and identify points of connection for all applicable utility services.
   6. Provide drawings and documents necessary to obtain Schematic Design approval from the BOE and the Council District Office.
   7. Present and obtain approval from the Cultural Affairs Commission.
   8. Provide a Class "C" construction cost estimate for the entire project.
   9. Provide outline Technical Specifications for the entire project in coordination with the BOE.
   10. Present to the Community Maintenance Committee.
   11. Assist and obtain parking variance with Planning Dept.

C. Design Development Phase (DD):
   1. Drawings shall illustrate the project in much greater detail than the Final Conceptual Design. Work with the BOE to identify their maintenance and infrastructure needs and design accordingly.
   2. Present the 50% Design Development plans to the BOE.
   3. Provide Technical Specifications for the entire project, indicating construction methods and materials used, including sizes and quantities of proposed major electrical, security, phone, data, and fire/life safety systems.
   4. Present the Design Development plans to the BOE, Council District office, and the community until the Design Development plans are approved.
   5. Meet with the LAFD, LADBS, BSS, DWP, and other agencies having jurisdiction for preliminary plan check for compliance with code requirements and incorporate pertinent aspects as appropriate.
   6. Provide a Class "B" construction cost estimate for the entire project.

D. Construction Document Phase (CD):
   1. Provide Construction Documents in accordance with the approved Design Development phase plans except for any modifications authorized in writing or identified during a Value Engineering session and approved by the BOE.

2. Submit the Construction Documents at fifty percent (50%) and ninety percent (90%) completion to the BOE for review and approval.
3. Submit the ninety percent (90%) Construction Documents to all agencies having jurisdiction, including but not limited to LAFD, LADBS, DWP, and BOS for plan check and obtain "Ready to Issue" permits.
4. Attend meetings as necessary with the BOE and other agencies having jurisdiction until the final Construction Documents are approved by the BOE.
5. Submit Class "A" construction cost estimate for the entire project at ninety percent (90%) completion.
6. Provide final Construction Documents including Technical Specifications and drawings ready to be issued for bid.
7. Provide an independent (third-party) constructability review for the entire project, and complete related plan revisions to address all the comments from the constructability review.

E. Bid and Award Phase (B&A):
The Consultant shall assist the BOE to respond to bidders' RFIs, and prepare clarifications and/or additional bid documents for issuance of bid addenda where necessary.

F. Construction Phase (CON):
1. Attend the pre-construction meeting.
2. Attend weekly job site construction meetings for related work to ascertain progress and compliance of the project for regulatory requirements per instruction above.
3. Review and comment on shop drawings and submittals for related work in a timely manner.
4. Review and respond to RFIs for related work in a timely manner.
5. Review contractor proposed product substitutions in a timely manner.
6. Review the contractor's schedule, advice on the schedule impact of proposed construction change orders.
5. Attend field observation/construction meetings as necessary to resolve design-related construction problems in a timely manner.
6. Provide interpretation of related construction documents and issue clarification drawings as required.
7. Assist with preparation of construction's preliminary change order estimates.
8. Participate in pre-final and final inspections.
9. Provide structural observation as necessary to comply with LADBS.

G. Post-Construction Phase (POST):
1. Incorporate as-built information to the final record drawings for related disciplines after construction completion, indicating all field changes made during construction based on the information provided by the Contractor, including but not be limited to, change orders, clarifications, bulletins, supplemental instructions, addenda, etc. Each drawing sheet shall be prominently marked "AS-BUILT" and dated.

PROJECT SCHEDULE

The following timeline and milestones are to be used for developing the fee proposal and services breakdown:

Task	Duration	Completion Dates
Step 1- TOS Award / NTP	-	05/16/19
Step 1 - Planning & Design	5 months	09/30/19
Step 2 – NTP (to be negotiated)	3 months	12/31/19
Step 2 – Design Documents	3 months	03/30/20
Step 2 - Bid & Award	3 months	06/30/20
Step 2 - Construction	18 months	12/30/21
Step 2 - Post Construction	6 months	06/30/22

The Consultant shall submit a schedule for the proposed work. The schedule may be a bar chart.

PHASES AND FEE PROPOSALS

Please submit your fee proposal for each of the project components noted below and itemize your fees accordingly. In addition, your fee quotation is required to be itemized per project phases; schematic design, design development, construction documents, bid and award, construction, and post construction. This Task Order Solicitation is not an authorization to start work. A Notice to Proceed (NTP) will be issued to authorize work start when your firm has been selected and your fee proposal has been accepted. In addition, an Authorization to Proceed (ATP) will be issued to your firm for each of the subsequent project phases before you may proceed with the work.

			Step 1

TOTAL PROPOSAL AMOUNT					

The requested fee proposal shall be prepared in accordance with the terms and conditions of your executed Architectural Services Agreement. Submit the names and resumes of your firm's personnel and proposed sub-consultants including Schedule B – Task Work Order List of Sub-Consultants for all proposed sub-consultants per contract Article 17 Business Inclusion Program. The Schedule B form is attached.

The Consultant Payment Schedule shall be as follows:

Start	-
Draft Report	$35,000.00
Presentation of Concept Option & Class "C" Cost Estimate	$68,000.00
Final Report	$35,000.00
Total	$138,000.00

SUBMISSION AND FEE PROPOSAL

Submit Four (4) identical hard copies of your proposal along with an electronic version in Adobe PDF format. Each submitted proposal must not exceed 36 double-sided sheets including covers.

The requested fee proposal shall be prepared in accordance with the terms and conditions of your executed Services Agreement. In the event that the prime consultant is including in fee proposal subconsultants not previously included in the prime consultant's Schedule A list of proposed subconsultants, the prime consultant shall first conduct outreach according to the Contract's Business Inclusion Program Article 17. Documentation supporting consultant's outreach efforts to potential subconsultants and evaluation of selected subconsultants must be included as an attachment with the fee proposal. After reviewing the documentation, the BOE staff may approve these sub-consultants as additions to the prime consultant's Schedule A list of proposed sub-consultants per Contract's Article 9 Subconsultant Approval. Submit the names and resumes of your proposed sub-consultants including Schedule B – Task Work Order List of Subconsultants for all proposed subconsultants.

The fee proposal should outline the costs per phase for each service, as well as an estimated cost for reimbursable expenses. Please note that the City shall pay for all the plan check and permit fees. However, the Consultant may be asked to pay for related plan check fees and submit invoices for reimbursement.

NON-COLLUSION AFFIDAVIT

A Non-Collusion Affidavit, attached, must be signed and submitted with your proposal.

SELECTION CRITERIA

Proposals shall be evaluated according to the following criteria:

- Demonstrated ability to deliver the design within the approved construction budget as supported by similar completed projects within the last 5 years (25%)
- Ability of the team to complete the project design according to the schedule (25%)
- Demonstrated experience with the local community (20%)
- Value of Services based on the Fee proposal. (20%)
- Continuous compliance with the Business Inclusion Program per Contract Article 17 of your contract. The set anticipated participation levels are 18% MBE, 4% WBE, 25% SBE, 8% EBE, and 3% DVBE (10%)

MOTION

PUBLIC WORKS & GANG REDUCTIC

On December 12, 2018, Council took various actions related to the Hollywood Walk of Fame Public Improvements Project (Project) located along Hollywood Boulevard in Hollywood (C.F. 14-1174-S40). Among those actions, Council authorized the Department of Public Works, Bureau of Engineering (BOE) to serve as the lead City department responsible for the planning, design, and contract development of the Project and authorized the use of $4,082,572 in CRA/LA Excess Non-Housing Bond Proceeds (EBP) available to CD13 from the Hollywood Redevelopment Project Area. The Project involves conducting a needs assessment of the historic Hollywood Walk of Fame that has endured significant deterioration over the years and developing a design followed by the implementation of various capital improvements to address those needs.

As development of the Project has advanced and further thought has been given to the needs of the area, the future vision of the Hollywood Walk of Fame has broadened to not just include basic repairs but also transformational improvements that aim to revitalize the aesthetics and attraction of the area for businesses, residents, and tourists alike. As a result, the cost of design and environmental review has significantly increased from what was originally anticipated and additional funding is needed to cover the cost of developing a strategic Master Plan and Schematic Design documents for the entire Walk of Fame, and to conduct the initial environmental reviews and documentation necessary for a planned "Pilot" Project. Previous Council action capped the amount available for design and environmental review at $500,000 so further Council action is needed to authorize access of up to $4,082,572 plus all earned interest of the available EBP for the Project.

I THEREFORE MOVE that the Council Action of December 12, 2018 relative to the Hollywood Walk of Fame Public Improvements Project (Project) (CF 14-1174-S40), BE AMENDED to AUTHORIZE the Bureau of Engineering (BOE) to develop a strategic Master Plan and Schematic Design documents for the entire Walk of Fame, and to conduct the initial environmental reviews and any other relevant documentation necessary for a planned "Pilot" of the Project in an amount not to exceed $4,082,572 plus all earned interest in CRA/LA Excess Non-Housing Bond Proceeds from the Hollywood Redevelopment Project Area already set aside under previous Council Action;

I FURTHER MOVE that the Council DIRECT the BOE to withhold expending or committing to expend any balance of the above-noted funds appropriated to the Project for construction until all of the following have occurred:

a. BOE has completed the preliminary planning documents and environmental review documents;
b. The City has complied with the requirements of the California Environmental Quality Act (CEQA) with respect to the Project, including obtaining any necessary CEQA clearances; and
c. The Board of Public Works (BPW) has considered and approved the Project for expenditure of the remaining funds; and

I FURTHER MOVE that the Council AUTHORIZE the General Manager of the Economic and Workforce Development Department, or designee, to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to the approval of the City Administrative Officer, and authorize the Controller to implement these instructions.

Hello Commissioner Caloza,

The Bureau of Engineering, Architectural Division would like to issue an additional preliminary NTP, in an amount not to exceed $150,000, to prepare the application for a Metro ATP (Advanced Transportation Program) Grant for the Hollywood Walk of Fame project, located in Council District No. 13. This would result in a total NTP amount of less than $300,000 for the subject project.

To that end, we are in the process of drafting, and will be circulating, the board report for design services for the Hollywood Walk of Fame project for BOE internal review. We have also already requested our Council Liaison staff, copied herein, to arrange a briefing with you as soon as possible. We commit to bringing the board report to your board within 30 days of the approval of this request.

Please confirm your approval of this request, so that we can process the preliminary NTP and begin the application for ATP funds as soon as possible. Also, please note that the ATP application is due to be submitted to Metro on April 20, 2020, thus, the need for an expedited approval of this request.

Thank you,
Steve

Commissioner Caloza,

With respect to my previous email this morning, I would like to provide some additional information / clarification that I should have included. In order to create a conceptual design for the Hollywood Walk of Fame, under the City Engineer's authority to issue work up to $150,000, the BOE issued a Notice to Proceed with Design Services on June 6, 2019 and on August 29, 2019 to Gensler totaling $147,000. Based on the successful work done under the Task, we will be coming to Board to amend the Task for a total of approximately $3.7M. The intent of this request is to ask for your approval allowing us to issue a Notice to Proceed to Gensler for a small portion of the amended task for $144,210 given the time constraints we are facing for the ATP grant application.

Thank you,
Steve Fierce

Report from Economic Development Committee	12/11/2018

File No. 14-1174-S40

ECONOMIC DEVELOPMENT COMMITTEE REPORT relative to Community Redevelopment Agency of Los Angeles (CRA/LA) Bond Oversight Committee report relative to appropriating CRA/LA Excess Non-Housing Bond Proceeds (EBP) for the Hollywood Walk of Fame Public Improvements Project (Project).

Recommendations for Council action, SUBJECT TO THE APPROVAL OF THE MAYOR:

1. APPROVE, subject to the requirements as stated in the CRA/LA Bond Oversight Committee report dated December 5, 2018, attached to the Council file, the appropriation of up to $323,937 in Taxable, and $3,758,635 in Tax-Exempt CRA/LA EBP for a total of $4,082,572 available to Council District 13 from the Hollywood Redevelopment Project Area (Project Area) for the Project.

2. AUTHORIZE, subject to the requirements as stated in the said CRA/LA Bond Oversight Committee report, the Bureau of Engineering (BOE) to be the implementing department, and to expend funds up to $4,082,572 plus all earned interest from the EBP Fund No. 57D, 22L9FT Hollywood Taxable Series 2006-E, and Account No. 22L9FN, Hollywood Tax-Exempt Series 2008-F, for activities related to the Project upon presentation of proper documentation to, and satisfactory review by, the Economic and Workforce Development Department (EWDD) in accordance with the terms and conditions of the Bond Expenditure Agreement.

3. AUTHORIZE the Controller, subject to the requirements as stated in the said CRA/LA Bond Oversight Committee report and the availability of funds and duly executed and encumbered contracts, to provide the BOE with direct access of up to $4,082,572 plus all earned interest from the EBP Fund No. 57D, 22L9FT Hollywood Taxable Series 2006-E, and Account No. 22L9FN, Hollywood Tax-Exempt Series 2008-F, to process transactions related to the Project.

4. AUTHORIZE the BOE to develop a strategic Master Plan that is limited to preliminary planning as may be necessary to conduct the environmental review of the Project in an amount not to exceed $500,000 from the above-noted funds appropriated to the Project.

5. INSTRUCT the BOE to withhold expending or committing to expend any of the remainder of the above-noted funds appropriated to the Project until all of the following have occurred:

    a. The BOE has completed the preliminary planning documents and environmental review documents.

    b. The City has complied with the requirements of the California Environmental Quality Act (CEQA) with respect to the Project, including obtaining any necessary CEQA clearances.

    c. The Board of Public Works (BPW) has considered and approved the Project for expenditure of the remaining funds.

6. FIND that the action of appropriating and withholding expenditure of funds for the Project

pending the completion, review, and consideration of planning and environmental documents related to the Project is not a project pursuant to CEQA Guidelines Section 15378(b)(4), because it merely creates a funding mechanism or other government fiscal activity that does not commit the City to a project that may result in a potentially significant impact on the environment, and that preparing preliminary planning and environmental documents is not a project pursuant to CEQA Guidelines Section 15378(b)(5) because it is an administrative activity that will not result in physical changes in the environment.

7. INSTRUCT the BOE to transmit copies of all contract awards related to the Project to the EWDD.

8. INSTRUCT the BOE to report on its work accomplishments to the City Administrator Officer (CAO), and fund expenditures to the EWDD, on a quarterly and as-needed basis.

9. AUTHORIZE the General Manager, EWDD, or designee, to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to the approval of the CAO; and, AUTHORIZE the Controller to implement these instructions.

Fiscal Impact Statement: The CRA/LA Bond Oversight Committee reports that there is no impact on the City's General Fund from the proposed appropriation of CRA/LA EBP. The CRA/LA EBP Fund No. 57D is funded solely from two transfers of approximately $86 million in pre-2011 tax allocation bond proceeds from CRA/LA to the City (Council file Nos. 14-1174 and 14-1174-S36). Said transfers have been deposited with the Controller.

Community Impact Statement: None submitted.

SUMMARY

At the meeting held on December 11, 2018, your Economic Development Committee considered a CRA/LA Bond Oversight Committee report relative to appropriating CRA/LA EBP for the Project.

The EWDD reports that the Hollywood Walk of Fame (Walk), a Historic Cultural Monument, dates back to 1956 when the Council approved the addition of stars to Hollywood Boulevard to honor individuals in the entertainment industry. It is comprised of approximately 2,600 stars along 1.8 miles of sidewalks over 15 blocks on Hollywood Boulevard and 3 blocks on Vine Street. The terrazzo sidewalk, a Must See for travelers and tourists, has endured enormous wear and tear. Preservation and maintenance efforts over the last 25 years have been temporary and ad hoc. They are neither reflective nor complementary to this landmark.

The need exists to assess and implement public improvements to the Walk. The process will involve hiring a design consultant to develop a Master Plan for preliminary planning of restoration and improvement activities, and an environmental consultant to assess environmental impacts of the work. After completion of the initial planning and environmental work, the BPW will consider whether or not to initiate physical improvements in various phases. The total project cost is expected to potentially reach $50 million. If approved by the BPW, the approximately $3.5 million in EBP would pay for public improvements in the areas where pedestrian safety is paramount.

After an opportunity for public comment was held, the Committee moved to approve the CRA/LA Bond Oversight Committee's recommendations, as detailed above. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

TRANSMITTAL

To: Council	DATE 12-05-18	COUNCIL FILE NO. 14-1174-S40
From: CRA/LA Bond Oversight Committee		COUNCIL DISTRICT 13

At its Special Meeting of December 5, 2018, the CRA/LA Bond Oversight Committee approved recommendations in the attached Economic and Workforce Development Department report and instructed staff to transmit to Council for consideration. Council approval of the report recommendations would authorize Bureau of Engineering to be the implementing department and appropriate up to $4,082,572 plus all earned interest in CRA/LA Excess Non-Housing Bond Proceeds from the Hollywood Redevelopment Project Area (Taxable Series 2006-E and Tax-Exempt Series 2008-F) for the Hollywood Walk of Fame Improvements Project, under the terms and conditions substantially outlined in the report.

Fiscal Impact Statement: There is no impact on the City's General Fund from the proposed appropriation of CRA/LA EBP. The CRA/LA Excess Non-Housing Bonds Proceeds Fund No. 57D is funded solely from transfers of approximately $86 million in pre-2011 tax allocation bond proceeds from CRA/LA to the City (C.F. 14-1174 and 14-1174-S36). Said transfers have been deposited with the Office of the Controller.

BOND OVERSIGHT COMMITTEE TRANSMITTAL: REQUEST REVIEW AND RECOMMENDATION THAT COUNCIL AND MAYOR, AS REQUIRED, APPROPRIATE UP TO $4,082,572 PLUS ALL EARNED INTEREST IN CRA/LA EXCESS NON-HOUSING BOND PROCEEDS FROM THE HOLLYWOOD REDEVELOPMENT PROJECT AREA (TAXABLE SERIES 2006-E AND TAX-EXEMPT SERIES 2008-F) FOR THE HOLLYWOOD WALK OF FAME PUBLIC IMPROVEMENTS PROJECT

The General Manager of the Economic and Workforce Development Department (EWDD) requests your review, approval and processing of the recommendations in this transmittal to the Mayor and City Council for their review and consideration.

RECOMMENDATIONS

The General Manager of EWDD, or designee, requests that the Bond Oversight Committee recommend that the City Council, subject to the approval of the Mayor as required:

1. APPROVE, subject to the requirements below, the appropriation of up to $323,937 in Taxable, and $3,758,635 in Tax-Exempt CRA/LA Excess Non-Housing Bond Proceeds (EBP) for a total of $4,082,572 available to Council District 13 from the Hollywood Redevelopment Project Area (Project Area) for the Hollywood Walk of Fame Public Improvements Project (Project);

2. AUTHORIZE, subject to the requirements below, the Department of Public Works, Bureau of Engineering (BOE) to be the implementing department, and to expend funds up to $4,082,572 plus all earned interest from the EBP Fund No. 57D, 22L9FT Hollywood Taxable Series 2006-E, and Account 22L9FN, Hollywood Tax-Exempt Series 2008-F, for activities related to the Project upon presentation of proper documentation to, and satisfactory review by, the EWDD

in accordance with the terms and conditions of the Bond Expenditure Agreement (BEA);

3. AUTHORIZE the Controller, subject to the requirements below and the availability of funds and duly executed and encumbered contracts, to provide the BOE with direct access of up to $4,082,572 plus all earned interest from the EBP Fund No. 57D, 22L9FT Hollywood Taxable Series 2006-E, and Account 22L9FN, Hollywood Tax-Exempt Series 2008-F, to process transactions related to the Project;

4. AUTHORIZE the BOE to develop a strategic Master Plan that is limited to preliminary planning as may be necessary to conduct the environmental review of the Project in an amount not to exceed $500,000 from the above-noted funds appropriated to the Project;

5. DIRECT the BOE to withhold expending or committing to expend any of the remainder of the above-noted funds appropriated to the Project until all of the following have occurred:
   a. BOE has completed the preliminary planning documents and environmental review documents;
   b. The City has complied with the requirements of the California Environmental Quality Act (CEQA) with respect to the Project, including obtaining any necessary CEQA clearances; and
   c. The Board of Public Works (BPW) has considered and approved the Project for expenditure of the remaining funds;

6. FIND that the action of appropriating and withholding expenditure of funds for the Project pending the completion, review, and consideration of planning and environmental documents related to the Project is not a project pursuant to CEQA Guidelines Section 15378(b)(4), because it merely creates a funding mechanism or other government fiscal activity that does not commit the City to a project that may result in a potentially significant impact on the environment, and that preparing preliminary planning and environmental documents is not a project pursuant to CEQA Guidelines Section 15378(b)(5) because it is an administrative activity that will not result in physical changes in the environment.

7. DIRECT BOE to transmit copies of all contract awards related to the Project to the EWDD;

8. DIRECT BOE to report on its work accomplishments to the Office of the City Administrator Officer (CAO), and fund expenditures to the EWDD, on a quarterly and as-needed basis; and

9. AUTHORIZE the General Manager of EWDD, or designee, to prepare Controller instructions and/or make technical adjustments that may be required and are consistent with this action, subject to the approval of the CAO, and authorize the Controller to implement these instructions.

SUMMARY

Transmitted herewith for your review, approval, and further processing are recommendations pursuant to a CD 13 Motion (O'Farrell-Martinez) which was adopted by Council on June 27, 2018 (C.F. 14-1174-S40).

This transmittal recommends that up to $323,937 in Taxable, and $3,758,635 in Tax-Exempt, for a combined EBP total of $4,082,572 in the Project Area within CD 13 be appropriated to the BOE to engage a design and/or environmental consultant(s) to develop a strategic master plan to assess preliminary plans and environmental review of the Project, which will be used by the BPW to consider whether to approve implementation of improvements and restoration of the Hollywood Walk of Fame. Public Infrastructure is an eligible funding category, and the Walk of Fame restoration which includes ongoing repair of sidewalk including the terrazzo that has dilapidated in certain areas has been identified as a potential project in the Project Area's Bond Spending Plan (BSP) that was adopted by Council on June 24, 2015 (C.F. 14-1174). Sufficient funds for this purpose are available from CD 13's portion of EBP in this Project Area.

The original taxable and tax-exempt EBP in the Hollywood Project Area available to CD 13 was $6,582,678 consisting of $1,295,044 in taxable, and $5,287,634 in tax-exempt EBP. After the mandated 16%, or $207,207, in taxable EBP allocated for bond administration, there remained a combined $6,375,471 in the Project Area available to CD 13. CD 13 subsequently received an additional $199,885 in tax-exempt EBP as part of the FY 17/18 Recognized Obligations Payment Schedule, thus bringing the total EBP to $6,575,356. This transmittal's proposed $323,937 taxable, and $3,758,635 tax-exempt appropriation, along with 2 existing motions approved with taxable and tax-exempt EBP, will completely exhaust CD 13's EBP in the Project Area. There will be no EBP remaining in the Hollywood Project Area after Project is approved.

BACKGROUND

A CD 13 Motion (C.F. 14-1174-S40), approved by Council on June 27, 2018, sought to appropriate all tax-exempt EBP and earned interest available to CD 13 within the Project Area to develop the Project. The Council Office subsequently requested that all taxable EBP and earned interest remaining be used for planning purposes.

The Hollywood Walk of Fame (Walk), a Historic Cultural Monument, dates back to 1956 when the Los Angeles City Council approved the addition of stars to Hollywood Blvd. to honor individuals in the entertainment industry. It is comprised of approximately 2,600 stars along 1.8 miles of sidewalks over 15 blocks on Hollywood Blvd. and 3 blocks on Vine Street. The terrazzo sidewalk, a "Must See" for travelers and tourists, has endured enormous wear and tear. Preservation and maintenance efforts over the last 25 years have been temporary and ad hoc. They are neither reflective nor complementary to this landmark. The need exists to assess and implement public improvements to the Walk. The process will involve hiring a design consultant to develop a Master Plan for preliminary planning of restoration and improvement activities, and an environmental consultant to assess environmental impacts of the work. After completion of the initial planning and environmental work, the BPW will consider whether or not to initiate physical improvements in various phases. The total project cost is expected to potentially reach $50 million. If approved by the BPW, the approximately $3.5 million in EBP would pay for public improvements in the areas where pedestrian safety is paramount.

The EWDD has met and consulted with CD 13, BOE, CAO and Chief Legislative Analyst (CLA) regarding Project and scope of work. BOE will serve as the lead department overseeing the procurement and engagement of the consultants.

EWDD ANALYSIS

Upon Council approval of this Motion's recommendations, BOE will initiate Task Order Solicitations to engage architectural and environmental consultants using $323,937 in taxable EBP plus earned interest, and approximately $176,063 in tax-exempt EBP for a total expenditure of $500,000. Any shortfall in the final consultant costs will be absorbed by CD 13's Hollywood-Highland Urban Development Action Grant (UDAG) funds. There is an available $4.7 million in UDAG funds for CD 13 as of November 9, 2018.

The proposed scope of work for the consultants is as follows:

1. Review all previous Master Plan studies
2. Assess existing/current conditions
3. Estimate cost of construction improvements
4. Recommend strategy and priorities for improvements
5. Conduct meetings with project team, focus group and community
6. Pre-design and design limited to preliminary planning activities
7. Preparing environmental analyses for compliance with CEQA

Upon completion of the preliminary planning and environmental review work, the City will consider whether to authorize proceeding with priority construction elements utilizing the remaining $3,582,572 tax-exempt EBP plus earned interest. Potential construction components include:

1. Bump out improvements
2. Tree Wells
3. Signage
4. ADA ramps
5. Curb and gutter replacements
6. Street furniture
7. Bus shelters
8. Medians
9. Designated areas for tour buses
10. Drainage improvements
11. Terrazzo replacement

The BOE will develop, in consultation with CD 13, contracts with the consultants. Funding for the contracts must be encumbered no later than September 30, 2019 with EBP appropriation fully expended no later than September 30, 2024. The City will review and consider approving the Project pursuant to this timeline. Deliverables and/or activity reports showing percentages of completion must accompany BOE's signed off invoices which shall be submitted to the EWDD. Disbursements will be authorized pursuant to receipt and satisfactory review by the EWDD to ensure compliance with bond covenants and the approved spending categories outlined in this transmittal.

The BOE will report its work accomplishments to the CAO, and funds expended to the EWDD, on a quarterly and as-needed basis for their respective reports to the BOC and Mayor.

BENEFITS TO THE AFFECTED TAXING ENTITIES

The expenditures set forth in this report will provide community benefits in the Hollywood Project Area which will benefit the affected taxing entities by improving the public right-of-way to promote economic development, improve safety, and enhance the appearance of the Historic Walk of Fame which is the key attraction along this commercial corridor of Hollywood. The construction of public infrastructure improvements will allow for greater social equity by making a positive impact to the built environment while complementing other community development efforts. Safety will be enhanced for residents, tourists, school children and bicyclists in general. Enhanced connectivity and improved access along the commercial corridor will promote the public peace, health, safety, and public welfare in an effort to increase economic vitality for property owners, and improve the overall quality of life for the area's residents and visitors. As the Hollywood area is undergoing a cultural and economic renaissance, it is an ideal time to dedicate meaningful improvements to Hollywood Boulevard, in particular to the terrazzo surfaces that pose risks of liability during the rainy season.

ENVIRONMENTAL REVIEW

The recommended actions are not a project pursuant to CEQA. Consistent with CEQA Guidelines Section 15378(b)(4), approving the appropriation of funds for the Project, and concurrently withholding any expenditure of those funds pending the completion, review, and consideration of planning and environmental documents related to the Project, and also pending the consideration of whether or not to approve the Project, is not itself a project. Such preliminary actions are intended to only create a funding mechanism or other government fiscal activity that does not commit to a project that may result in a potentially significant impact on the environment. Instead, the funds will be made available to the Project, similar to other regular government budgeting activities. But, just as such occurs with other City budgeting procedures, no construction of the Project will occur until the City has complied with CEQA (including the preparation and consideration of an environmental review document, if needed), and until the BPW has ultimately reviewed and determined whether or not to approve moving forward with, and expending the funds on, the Project.

Accordingly, after expending only the initial funds appropriated to preliminary planning and environmental document preparation (up to $500,000) pursuant to the recommended actions, BOE's expenditure of the remainder of the funds will not occur until all of the following have occurred: (1) BOE has completed the preliminary planning and environmental review documents; (2) the City has complied with the requirements of the CEQA with respect to the Project, including obtaining any necessary CEQA clearances prior to final consideration and approval of the Project by the BPW; (3) and the BPW has considered and approved the Project. This process is intended to ensure compliance with CEQA by evaluating and considering the environmental impacts before deciding whether to proceed with the Project. If the BPW ultimately determines to not proceed with the Project, the remaining funds will not be used on the Project.

Also, consistent with CEQA Guidelines Section 15378(b)(5), preparing preliminary planning and environmental documents with the $500,000 appropriated to those preliminary tasks is also not a project pursuant to CEQA, because it is only an administrative activity that will not result in physical changes in the environment. Preparing such preliminary documents does not commit the City to completing the Project. Rather, such documents merely facilitate assisting the BPW in its evaluation of whether the Project will potentially impact the environment when it considers whether to approve construction of the Project.

CAO COVENANT REVIEW

The CAO has completed its review of the original bond documents and covenants, and has found that the proposed use of excess bond proceeds, including using tax-exempt EBP for planning and environmental study purposes, is consistent with those covenants.

FISCAL IMPACT STATEMENT

There is no impact on the City's General Fund from the proposed appropriation of CRA/LA EBP. The CRA/LA Excess Non-Housing Bonds Proceeds Fund No. 57D is funded solely from transfers of approximately $86 million in pre-2011 tax allocation bond proceeds from CRA/LA to the City (C.F. 14-1174 and 14-1174-S36). Said Transfers have been deposited with the Office of the Controller.

ECONOMIC DEVELOPMENT

MOTION

The Hollywood Walk of Fame, recognized worldwide in film, television, radio, news stories and social media, dates back to 1956 when the Los Angeles City Council approved the addition of stars to Hollywood Boulevard to honor individuals in the entertainment industry. The instantly recognizable engraved stars along the terrazo sidewalk remains Los Angeles' most iconic sidewalk, attracting an estimated ten million tourists and local visitors annually.

Hollywood is undergoing a Renaissance, and continues to attract an unprecedented level of financial investment through new and expanded residential and commercial development. The new investment, coupled with millions of visiting tourists, has contributed to the wear and tear of the Hollywood Walk of Fame. Numerous stakeholder groups have invested time and resources to supporting it, and keeping it on the "must" see list for annual travelers. The efforts of the Hollywood Chamber of Commerce and the Hollywood Historic Trust have been invaluable in the preservation and maintenance of this resource. Over numerous decades, temporary and ad hoc improvements have been implemented that are neither reflective nor complementary to this iconic sidewalk. These temporary improvements, some of which are over 25 years old, are in need of repair or replacement.

Funds are available to Council District 13 in tax-exempt CRA/LA Excess Bond Proceeds from the Hollywood Redevelopment Project Area to assist with the cost of assessing and implementing public improvements to the Hollywood Walk of Fame. These funds should be allocated to develop a Master Plan for restoration and improvement of the Hollywood Walk of Fame, as well as the initiation of physical improvements. This will ensure that the Hollywood Walk of Fame does not fall into a state of disrepair and that the landmark continues to attract and impress visitors to Hollywood, a world class destination.

In accordance with policies adopted by Council (C.F. 14-1174) related to the CRA/LA Bond Expenditure Agreement and Bond Spending Plan, any proposal to expend CRA/LA Excess Bond Proceeds shall be initiated by Council Motion. Proposals will be reviewed by the CRA/LA Bond Oversight Committee, Economic Development Committee, and any other applicable committee with final recommendations presented to the Council and Mayor for final consideration and approval. The use of tax-exempt CRA/LA Excess Bond Proceeds towards public improvements to the Hollywood Walk of Fame in the Hollywood Redevelopment Project Area is identified as an eligible expense in the Bond Expenditure Agreement and Bond Spending Plan.

I THEREFORE MOVE that all tax-exempt CRA/LA Excess Bond Proceeds available to Council District 13 from the Hollywood Redevelopment Project Area, including any earned interest, be utilized by the Bureau of Engineering, with the assistance of the Bureau of Street Services, Bureau of Street Lighting, and Department of Transportation, to assist in the assessment and implementation of public improvements to the Hollywood Walk of Fame, including development of a Master Plan for the restoration and improvement of the Hollywood Walk of Fame.

I FURTHER MOVE that the Economic and Workforce Development Department, with the assistance of the City Administrative Officer, Chief Legislative Analyst, and any other applicable City department, provide a report with recommendations to the CRA/LA Bond Oversight Committee to allocate all tax-exempt CRA/LA Excess Bond Proceeds available to Council District 13, including any earned interest, for the purpose of assessing and implementing public improvements to the Hollywood Walk of Fame as identified in the Bond Expenditure Agreement and Bond Spending Plan for the Hollywood Redevelopment Project Area.

HOME MEAN
EVERYTHIN

Every day PATH works to end homelessness for individuals, families, and commur Larry, Jacqueline, and 7,500 other individuals, PATH helped them move off the s into a home.

"When they called us to get our keys, I was so happy I was shouting with joy,"Jacqueline said. For this couple, home means comfort and safety. Home me everything.

We could not do this without our partnerships with the local community and people

As we end our Making It Home campaign, an effort dedicated to closing the $1,00 gap that prevents people from moving off the streets, support our mission by dona someone cross the threshold into their own home.

PATH couldn't do the work that we do without your help. Please support the M Home campaign to help others like Larry and Jacqueline move off the streets.

PATH Metro Villas - David T.C. Ho Family Building

East Hollywood, Los Angeles
Completed: September 2018

Walton Brewster Photography

The Ho Building is the first phase of the mixed-use, multi-phase PATH Metro Villas, a comprehensive redevelopment and re-envisioning of PATH's Metro LA home. The development includes 65 affordable apartments for low-income individuals and couples, including 51 that are set-aside for people who previously were experiencing homelessness. In addition to intensive case management services provided by four full-time PATH staff, tenant support includes a range of on-site and off-site services.

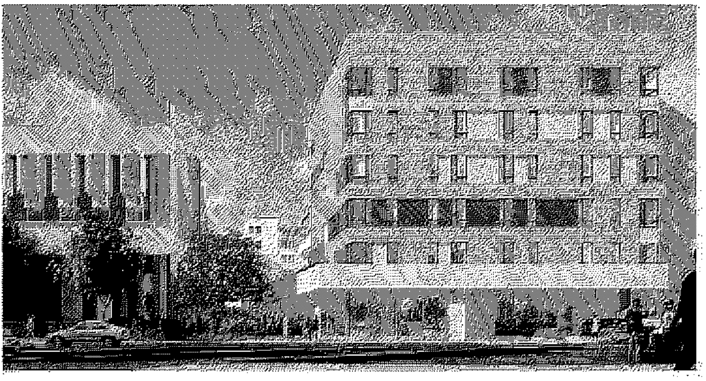
PATH METRO VILLAS

A new community integrating affordable homes & supportive services



PATH'S VISION

As part of its goal to house 10,000 people by 2020, PATH is creating PATH Metro Villas, a comprehensive community that integrates housing, employment, healthcare, and supportive services to help people end their homelessness. This creative urban development sits near one of Los Angeles' primary public transit lines and consists of five components:

- **Affordable & Supportive Housing (3 buildings)**
  Three apartment communities with intensive services that provide affordable housing for more than 187 people who have struggled with homelessness or are at risk of becoming homeless.
- **Metro LA Hub (Redesigned)**
  The PATH Mall redesigned into a collaborative office space, home to a community-based employment center, a housing location program, and PATH's administrative team.
- **PATH Interim Housing (Remodeled)**
  PATH's existing interim housing program expanded to 98 interim beds focused on intensive supportive services to help idividuals make it home.

PATH Metro Villas is a hub for PATH's full spectrum of services in the region. It is a central location for its outreach teams who travel to areas of Los Angeles County where many people are homeless and hidden, for its teams that provide case management, and for its housing navigators who help secure apartments and homes throughout the community.

PROGRAMS: CONNECTING PEOPLE TO HOUSING

Housing Connections

Permanent housing is the primary goal for all of PATH's programs. PATH Metro Villas incorporates housing programs including rapid re-housing, housing location and placement, and supportive housing.

Employment Connections

Helping people find employment is critical to long-term housing stability and bolsters dignity and self-sufficiency.

Healthy Connections

Healthcare is a primary need for people experiencing homelessness. PATH Metro Villas includes on-site clinics that provide physical and mental healthcare to meet the needs of its most vulnerable neighbors.

Veterans Connections

At any given time, PATH serves over 1,000 Veterans. PATH Metro Villas is home to PATH's field-based Veterans programs that include street outreach, rapid re-housing, housing location, and supportive housing.

Hi Brigid,

I wanted to see if you can help me get updated pictures so we can authorize another full service day.

It is my understanding that the fire debris was addressed today so if there are any areas from Juanita - Virgil that need to be serviced in the next two weeks it would help if you can get me some updated pictures.

If you can not I should be able to get out there tomorrow.

Anything you can do to help would be appreciated.

THANKFUL
FOR HOME.

What does home mean to you? For many of us, home is a place where you can fe
relax, and enjoy time with friends and family. This is especially true during

Thanksgiving, when **home is the anchor** as we gather to share a meal with our lo ones.

However, for the **53,000 people experiencing homelessness in Los Angeles**, Thanksgiving is spent without a home of their own.

If you're thankful for your home this holiday season, we ask that you support the Ir Feast. Your gift will help someone like Bertha move off the streets and into their ov permanent home.

Hi Brigid,
Our office is looking into the possibility of creating a homeless shelter in the area. Councilmember O'Farrell asked that we include the Property Manager at La Kretz so she can represent the tenants and any issues they might have.

Do you think she would be available to meet us at our District Office on February 28th from 6:00-7:30 PM for an intimate conversation among a select group of stakeholders to discuss next steps?

Please advise and let me know if she can attend and represent the tenants at La Kretz.

DOUBLE YOUR IMPACT!

Double your impact!

There is still time to give to the Imaginary Feast in support of our neighbors experiencing homelessness—and now you can make double the impact!

Thanks to IDPE and loft & bear, your donation to the Imaginary Feast will be matched dollar for dollar, up to $12,500!

If you have already donated to the Imaginary Feast, thank you for supporting our mission! On average PATH helps 23 people each week move into their own home, and we couldn't do it without the help of our supporters!

GIVE

Thank you to our generous matching donors!

IDPE | PRIVATE EQUITY loft & bear.

What is the Imaginary Feast?

Instead of attending a fancy black tie fundraiser, fighting traffic, and paying a babysitter, we're asking you to enjoy an evening at home with your friends and family.

Then donate the money saved by staying in for the night to the Imaginary Feast. Whether you have a dinner party, a game night, or a movie marathon, your evening in helps other people Make It Home.

Subject: Family Unification Program (FUP) Vouchers

Hello all,

Please read below for information from our SPA 4 Family Coordinator regarding a housing voucher opportunity for families who do not currently have custody of their children, but are in the reunification process with DCFS. Eligibility for these vouchers is pretty specific but this is a great opportunity for families who qualify…

First, the family must be in the reunification process. Second, the placement of the child back into the home of their parents is ONLY being prevented due to lack of sufficient/adequate housing. All other court requirements must have already been met.

In the CES system, anyone without custody of their children has to be served by the singles system, as you all know. However, in order to qualify for these vouchers, the families must also have a Family CES Assessment Score and be referred to the program through the family matcher. Please note that LAHSA hasn't changed eligibility for enrollment into family programs, so FSC still are not able to enroll them in family programs. But we can get these families assessed using the family assessment in order to make sure they are being considered for this resource.

Please email the below information to SPA 4 Family Coordinator Kimberly Farnham (KimberlyF@epath.org) for any participants you think may qualify:

- Participant Name, DOB, and HMIS #
- Participant Phone Number
- Current Case Manager Name, Email, Phone Number

Please let me know if you have any questions!

There is issue outside of Madison and Oakwood streets we have a lot of trash. I found a way to lower the amount of trash. I work with environmentalist the y help us clean most of the trash I have needle exchange companies that come and collect needles from trash. This Wednesday Feb 7 Sylvan came and helped us clean few spots they couldn't take mattress because they thought there might be bead bugs. We are changing way of life in this area and I need your help. I would be able to separate needles from trash and put it in special containers I would be able to putt all the trash in bags and sealed for pick up only thing we need is to someone pick up trash bags and big items. If someone can come once a week and be in contact with me, it will only take few minutes to load everything up.

Thank you so much for your work

Homeless Count Press Conference

Hey Juan!

LAHSA and Mark Ridley Thomas' office decided to have the press conference releasing the results of the Homeless Count at PATH. They liked the idea of having our construction in the background to show how Prop HHH is in the works. The mayor will also be there. We wanted to see if Councilman O'Farrell would like to attend since your office is always so supportive of us and our community. It's on May 31st at 1pm. Call me if you need any additional info. Thank you!

Thank you,

Hi Tescia,

Sorry for the delay on this. I thought I replied. The Councilmember is not able to attend, he has a few prior commitments on his calendar. I see that our Communications Team and Legislative Team have this on their radar. I will follow up with our team to see if anything has changed.

Thank you again for the follow up.

Sean - Chris Fuentes is a longtime Hollywood constituent who is in need of housing. See the thread below. Could you give him a call?

He is NOT homeless but says he is in danger of becoming homeless. Not sure what resources could be available to someone in that situation. CC Marisol and Juan.... Juan, do you think one of your contacts at PATH might be able to assist, or point in a more appropriate direction?

The problem with getting on the waiting list for the Montecito is that it seems they want you to be living homeless - destitute before you can make the list.

My doctor put me on disability but I'm hoping to find my way back on my feet, I love making movies and have to believe things will get better.

Hi Juan,

I hope you're doing well! On Friday, July 13th, PATH will be hosting our 2018 Annual All Staff Meeting. PATH team members from throughout the state will travel to LA for the meeting – we're expecting about 400 of our staff to join us. The Annual All Staff Meeting will be hosted at the Delancey Street Foundation – located in the 13th District!

This year's theme is Empowerment for All. With this theme in mind, we would greatly appreciate the opportunity to invite Councilmember O'Farrell to speak. Might he have any availability to join us on July 13th – any time between 10:30am-3:00pm?

I've included event details below:

MAKING
IT HOME

Larry and Jacqueline experienced homelessness for nine months after they were wrongfully evicted from their home. They were only given one day's notice and lost all of their possessions as they were forced on the streets.

They found themselves living in a dangerous neighborhood. **"I saw things you could never imagine,"** Jacqueline says.

Jacqueline's health issues increased while they were living without a home, and soon she could not walk without experiencing extreme pain.

The couple started working with the Department of Veterans Affairs, who eventually connected them to PATH. Larry and Jacqueline were accepted into one of PATH Ventures' affordable rental homes, and have been there for three years.

"When they called us to get our keys I was so happy I was shouting with joy" Jacqueline expresses.

Now that the couple has a stable home, their health has improved significantly.

"It is comfortable and safe. I sleep soun at night," Jacqueline shares.

PATH couldn't do the work that we do without your help. Please support the Making It Home campaign to help others like Larry an Jacqueline move off the streets and into a home.

Hi Juan,

PATH is working on submitting an application for the LA Homelessness Challenge. Our idea for the application involves great opportunities to collaborate with CD 13.

Tescia and I would really appreciate the chance to schedule a call with you to discuss the details and hear your thoughts.

Any chance you have availability for a brief call during any of the following times tomorrow, August 22?

- 8:00am
- 9:30am
- 11:00am
- Any time after 4:00pm

Thank you!

Brigid

Hi Brigid and Tescia,

Sorry I missed this, so many things going on right now.

Can we chat next week?

Hi Juan,

No problem at all. It would be great to jump on a call this week.

Are you available tomorrow, 8/28, at 3:30pm or 4:00pm? Or Wednesday, 8/29, at 9am?

Thank you,

Brigid

Hi LaKesha,

It was nice meeting you at the PATH Neighborhood Watch meeting. Sorry I needed to rush out, but I had a meeting I needed to get too.

I wanted to loop you in with Rhonda Renolds, she is one of the business owners with the Echo Park Chamber. We wanted to see if there was any training or resources for small businesses. As I mentioned, business owners and their staff have lot of interaction with the homeless population on a daily basis,

Could we work with LAHSA and PATH on getting more info/training on the Portal, 211, and resources?

Id like to jump on a call or schedule a meeting soon to further discuss.

Thank you all for your help, I look forward to our continued work through the process.

Thank you for the introduction Juan!

Our Echo Park business community interacts with our homeless population on a daily basis in our cafes and shops. We seeking guidance in the hopes of implementing best practices - useful tools - for our staff so that the interactions are sensitive and meaningful for everyone involved.

Something as simple as knowing which agency to call for assistance or having basic knowledge of "the processes" so that we can let the person know what resources are available to them would be so helpful.

On a personal note it is heartbreaking to simply offer someone a cup of water when they walk into my restaurant, knowing they are hungry. And it is a bit terrifying when someone who is extremely agitated comes in and threatens the staff and the guests who are dining. Based on the great work your agencies do, we are looking forward to learning from you, and what tools we might be able to employ so that we can mitigate situations as they arise in the moment.

Thanks so much and we look forward to working with you all!

All the best,
Rhonda

Delivery has failed to these recipients or groups:

stevef@epath.org

Your message wasn't delivered. Despite repeated attempts to deliver your message, the recipient's email system refused to accept a connection from your email system.

Contact the recipient by some other means (by phone, for example) and ask them to tell their email admin that it appears that their email system is refusing connections from your email server. Give them the error details shown below. It's likely that the recipient's email admin is the only one who can fix this problem.

For Email Admins
No connection could be made because the target computer actively refused it. This usually results from trying to connect to a service that is inactive on the remote host - that is, one with no server application running. For more

information and tips to fix this issue see this article: https://go.microsoft.com/fwlink/?LinkId=389361

Subject: LAHSA and Small Businesses
Hi LaKesha,

It was nice meeting you at the PATH Neighborhood Watch meeting. Sorry I needed to rush out, but I had a meeting I needed to get too.

I wanted to loop you in with Rhonda Renolds, she is one of the business owners with the Echo Park Chamber. We wanted to see if there was any training or resources for small businesses. As I mentioned, business owners and their staff have lot of interaction with the homeless population on a daily basis.

Could we work with LAHSA and PATH on getting more info/training on the Portal, 211, and resources?

Id like to jump on a call or schedule a meeting soon to further discuss.

Thank you all for your help, I look forward to our continued work through the process.

Hi Juan,

Nope - haven't heard from anyone but I think they might not have received it. I hit "reply all" but it got kicked back to me.

Thanks!
Rhonda

Hi LaKesha,

I wanted to follow up and see if we could further discuss outreach for small businesses?

We look forward to hearing from you soon.

Have fun and safe 4th.

Hi Lakesha and All,

Sorry for the delay on my end, we just finished up the Lotus Festival and just catching up on a few pending items.

Can we work to schedule a meeting the last week of July? Does the 31st work for everyone? I am open from 10am - 2pm as of right now.

Please advise and I can send out a calendar invitation.

Delivery has failed to these recipients or groups:

stevef@epath.org (stevef@epath.org)

Your message wasn't delivered. Despite repeated attempts to deliver your message, the recipient's email system refused to accept a connection from your email system.

Contact the recipient by some other means (by phone, for example) and ask them to tell their email admin that it appears that their email system is refusing connections from your email server. Give them the error details shown below. It's likely that the recipient's email admin is the only one who can fix this problem.

For Email Admins
No connection could be made because the target computer actively refused it. This usually results from trying to connect to a service that is inactive on the remote host - that is, one with no server application running. For more information and tips to fix this issue see this article: https://go.microsoft.com/fwlink/?LinkId=389361

Hi Lakesha and All,

Sorry for the delay on my end, we just finished up the Lotus Festival and just catching up on a few pending items.

Can we work to schedule a meeting the last week of July? Does the 31st work for everyone? I am open from 10am - 2pm as of right now.

Please advise and I can send out a calendar invitation.

Hi LaKesha,

It was nice meeting you at the PATH Neighborhood Watch meeting. Sorry I needed to rush out, but I had a meeting I needed to get too.

I wanted to loop you in with Rhonda Renolds, she is one of the business owners with the Echo Park Chamber. We wanted to see if there was any training or resources for small businesses. As I mentioned, business owners and their staff have lot of interaction with the homeless population on a daily basis, Could we work with LAHSA and PATH on getting more info/training on the Portal, 211, and resources?

Id like to jump on a call or schedule a meeting soon to further discuss.

Thank you all for your help, I look forward to our continued work through the process.

Hi Juan—yes, we met: Rhonda from Masa was with us, and folks from the PATH team (Jesus, Liz, Garrett from the Outreach teams, Brigid from Development, and myself—hope I didn't miss anyone….).

The meeting was productive and informative—Jesus introduced the LA-HOP web resource, and we talked with Rhonda about the challenges, various approaches to helping, available resources, how the CES works, etc. We'll be looking into ways to support—possibly coming to talk to the EPCC about how the whole system works and how everyone can be involved, it sounds like there's potential for trainings for various business staff in the community, etc.

For those who were there, did I miss anything?

Thanks! -Steve

I think that's everything Steve - and thank you so much again for yesterday!

Would like to coordinate scheduling a day / time to invite any interested owners or reps from the Echo Park Business Community to meet with Steve and Team. A "mini" Mixer of sorts so that everyone has the opportunity to hear first hand what resources are available and ask questions. I was sure to let PATH know this would need to happen after EPR.

What might be especially valuable, as well, is the Non-Violent Crisis Training Steve provides - businesses could sign up to take the training - I know we will.

All in all VERY informative and thanks so much again to all of you. Looking forward to facing the challenges together.

All the best,

Rhonda

Just a clarification, we do provide the crisis intervention training for staff at PATH. I need to check about the potential to offer that to a wider community...will look into and get back with all.

We would like to thank everyone who has supported the Making It Home campaig
summer! Your support of this campaign, our mission, and those we serve is truly i
and without it, we would not be able to help the people that we do.

Every day PATH works to end homelessness for individuals, families, and commu
average, PATH helps 23 people a week move off the streets and into a home.

If you have not made a gift to the Making It Home campaign there's still time! Mak
donation before it ends today on June 30th!

Welcome home, Larry and Jacqueline!

Larry and Jacqueline experienced homelessness for nine months after they were evicted from their home. The couple started working with the Department of Vetera who eventually connected them to PATH. Larry and Jacqueline were accepted int PATH Ventures' affordable rental homes, and have been there for three years!

Will you support our New Year's resolution?

Happy New Year! In 2017 PATH helped more than 1,000 people move off the streets and into a home of their own. With homelessness increasing in California each year, our New Year's resolution is to help just as many people move into permanent housing as we did last year.

If you would like to support our goal and start the year off right, now is your chance to double your impact! **Thanks to IDPE and loft & bear, your donation to the Imaginary Feast will be matched dollar for dollar, up to $12,500!**

What is the Imaginary Feast?

Instead of attending a fancy black tie fundraiser, fighting traffic, and paying a babysitter, we're asking you to enjoy an evening at home with your friends and family.

Then donate the money saved by staying in for the night to the Imaginary Feast. Whether you have a dinner party, a game night, or a movie marathon, your evening in helps other people Make It Home.

Hi Juan,

Thank you for letting me know about your availability on October 3. We've decided to push the next Neighborhood Watch Committee meeting to October 16, 12pm-1:30pm.

Will you be able to join and provide updates about CD 13 and the one-way on Oakwood?

Thank you,

Hi Juan,

I'm sorry we'll miss you this meeting!

Yes, that sounds good.

Do you have time for a call on October 2 (morning) or the afternoon on October 3?

Thank you,

Brigid

Hoover Encampment Fire/ Coordination Meeting

more details »

The purpose of this meeting is to address the safety issues near the encampments on Hoover St. near the underpass and the embankment at the 101 Hwy. Several fires have broken out over the course of 24 hours from April 24-25th, and local residents and businesses are extremely concerned. This meeting is for the service providers from PATH and government staff only. We will be able to address the constituents better after this meeting.

Agenda (subject to slight changes)

- 2:10 Introductions
- 2:15 Brief overview of the problem from the Assembly Office
- 2:20 Report from CD 13*
- 2:25 Report from Los Angeles Fire Department
- 2:50 Report from Los Angeles Police Department*
- 2:35 PATH input
- 2:40 Caltrans/ CHP

- 2:50 Round Table Discussion moderated by AD 43/CD 13

- 3:30 end

*awaiting confirmation

Attendees: please note that carpooling or ride share is strongly encouraged, as street parking is extremely limited due to construction at our site.

We were connected with a property owner (Jorge Usatorres) who asked to speak with me at 2:30pm. He stated he was already connected with your office, but needed to find a site operator. I was a little confused, so just hoping to close the loop.

Hello everyone,

Thanks for making it out last Friday to plan the Source program at Edendale.

It is exciting that we set a monthly date for the Edendale Library Source program-**the 3rd Thursday of the Month!**

Our next meeting will be **August 16, 12:00pm. (3rd Thursday)**
This meeting will cover logistics and outreach for the event.
Please feel free to forward this information to some of the organizations mentioned at our last meeting: LA Kitchen, Food on Foot, People Concern, Ground Game, Good Shepherd, El Centro De Pueblo, Gateways, Chrysalis ....

The Source event will **START** the following month- **Sept 20, 12-3:00pm (3rd Thursday)**
Partners will arrive at Edendale Library at 11:30 am to set up and breakdown/debrief from 3 to 3:30pm.

Please let me know if you have any questions. I will send out an reminder email closer to the date.
Per request- I have attached the sign in sheet from last Friday's meeting.

Thanks again!

All the best,
Angi

Hi Dave and Juan,

Thanks again for sending these dates.

We are also working with the Mayor's office to determine possible dates, and we're hoping to confirm that the dates listed in your email read as the following:

- 1/31 at 10am
- 1/28 at 2pm
- 2/4 at 2pm
- 2/11 at 2pm
- 2/7 at 10am
- 2/14 at 10am

If this is the case, the Mayor's office has also asked that these dates be held as they confirm with the Mayor's schedule.

Thank you!
Brigid

Hi Dave and Juan,

Thank you again for all of your time and assistance!

Might there be at least three dates and timeframes from the list below that work for the Councilmember? With that information, we will hold those dates and times and send to the Mayor's office for availability.

- Monday, March 18
- Tuesday, March 19
- Monday, March 25
- Tuesday, March 26
- Wednesday, March 27

Hi Dave and Juan,

We are looking forward to the event on March 26th. We're hoping to follow up and see if we can answer any event preparation questions?

We will share a run of show as soon as it is available. We anticipate that the Councilmember will speak within the first 15 minutes of the program.

Thank you,

We are also working with the Mayor's office to determine possible dates, and we're hoping to confirm that the dates listed in your email read as the following:

- 1/31 at 10am
- 1/28 at 2pm
- 2/4 at 2pm
- 2/11 at 2pm
- 2/7 at 10am
- 2/14 at 10am

If this is the case, the Mayor's office has also asked that these dates be held as they confirm with the Mayor's schedule.

Thank you!

We are also working with the Mayor's office to determine possible dates, and we're hoping to confirm that the dates listed in your email read as the following:

- 1/31 at 10am
- 1/28 at 2pm
- 2/4 at 2pm
- 2/11 at 2pm
- 2/7 at 10am
- 2/14 at 10am

If this is the case, the Mayor's office has also asked that these dates be held as they confirm with the Mayor's schedule.

Thank you!

Hi Juan,

I wanted to follow up on a few items for the event next week:

- Do you happen to know when it might be possible to receive a quote?
- Please see the updated Run of Show (attached). Please note three items:
    - The Councilmember will be introducing Supervisor Mark Ridley-Thomas. Please let us know if there are any questions or concerns with this.
    - We have shifted the timeline by a few minutes, and will be starting the program at 1:55pm. Please note that the Councilmember will be speaking at 2:10pm.
    - Please note that all speakers will be seated on stage.
- Please see the attached fact sheets for additional information about PMV and the David T.C. Ho Family Building.

Please do not hesitate to reach out with any questions.

Thank you so much for your support!

Best,

Hi Juan,

Thanks for taking my call this morning.

Will the Councilmember be dropped off or need to park today?

If parking is needed, we have coned off a spot on Oakwood Avenue (at the corner of N Westmoreland Ave and Oakwood Ave).

If that spot is no longer able to be held when the Councilmember arrives, we have a reserved spot in the covered lot located off of Madison Ave. After parking, the Councilmember will be able to walk along the side of the building to the event.

Please do not hesitate to reach out with any questions – we can also go over this when you arrive this afternoon.

Thank you!

Hi Juan,

I wanted to follow up on a few items for the event next week:

- Do you happen to know when it might be possible to receive a quote?
- Please see the updated Run of Show (attached). Please note three items:
  - The Councilmember will be introducing Supervisor Mark Ridley-Thomas. Please let us know if there are any questions or concerns with this.
  - We have shifted the timeline by a few minutes, and will be starting the program at 1:55pm. Please note that the Councilmember will be speaking at 2:10pm.
  - Please note that all speakers will be seated on stage.
- Please see the attached fact sheets for additional information about PMV and the David T.C. Ho Family Building.

Please do not hesitate to reach out with any questions.

Thank you so much for your support!

Results from the Homeless Count

Over the last few weeks, several agencies have released results from 2019 Homeless Counts, a census of the homeless population. The data collected from these Homeless Counts help direct resources where they are needed most, and plays a vital role in understanding the state of homelessness in each community.

The Results

- **Santa Clara County:** 31% increase. From 7,394 to 9,706 people.
- **Los Angeles County:** 12% increase. From 52,765 to 58,936 people.
- **San Diego County:** 6% decrease. From 8,576 to 8,102.
- **Santa Barbara County:** 3% decrease. From 1,860 to 1,803.
- **Kern County:** 50% increase. From 885 to 1,330 people.

- **Ventura County:** 28.5% increase. From 1,299 to 1,669 people.

Officials in Santa Clara and Los Angeles County attribute the increase to economic factors like low wages despite the growing rental costs, unjust evictions, and lack of new affordable housing units. San Diego County implemented changes to the methodology to meet HUD requirements, and it is presumed that the number of people experiencing homelessness remains about the same since 2018. In Santa Barbara, more individuals are living on the streets compared to shelters, but the number has decreased since 2017.

Kern County saw an increase in the number of volunteers who participated in the count, resulting in a more comprehensive count, and also attributes the rise to lack of affordable housing. Ventura County links their increase to improvements in the methodology of the homeless count, rising rents, and low housing vacancy rates made worse by wildfires.

PATH works to address these issues by providing interim housing, connecting our clients with opportunities to increase their incomes through employment and benefits advocacy, engaging in robust partnerships with property owners, and, through PATH Ventures, adding to the supply of affordable homes by building affordable and supportive apartment communities.

Despite these sobering numbers, PATH is making progress towards ending homelessness for thousands of Californians every year. In the last year alone, PATH has served 13,503 people, and moved more than 857 people off the streets and into homes, and we could not do it without your help.

Please make a donation today to support our mission by contributing to the Making It Home campaign. 100% of your donation will go directly toward helping our homeless neighbors make it off the streets and into homes of their own.

Welcome Home, Darlene!

Darlene and her daughter experienced homelessness for over eight months. Determined to get off the streets and into a safe home, Darlene began looking for resources.

That's when she reached out to PATH. She connected with one of our staff members who helped her secure the perfect home. With a critical security deposit, PATH was able to help Darlene and her daughter finally move off the streets and into a stable home.

"PATH got us through, and with their help we have a roof over our heads and have been successful." -Darlene

Since childhood, Bertha has faced many hardships. Her home was an abusive environment, so she often ran away, which resulted in her never finishing school or learning to read.

Bertha experienced homelessness in Los Angeles for 20 years.

"It's really hard out there. You are in constant fear of who is going to hurt you."

PATH's outreach team began to build a relationship with Bertha, and a couple of months later she moved into our interim housing program in Los Angeles.

DOUBLE YOUR IMPACT

Help more people into permanent homes!

Meet Ron

I made it home!
PATH

At 57 years old, Ron didn't know how to read. With an unstable childhood and little family support, he cycled in and out of the juvenile justice system—later prison once he became an adult. When not incarcerated, Ron lived on the streets where his health was failing. **Eventually, he lost count of how long he had been without a home.**

One day, Ron found PATH. We embraced him into our interim housing program. With a stable bed, case management, and health and basic needs services, he began to heal.

Four months later, Ron moved into a beautiful apartment, owned by a landlord who has partnered with PATH in the past.

PATH helped Ron get a service dog, Boy, who has brightened his life. Without the stress of day-to-day survival, he now spends his days learning how to read.

Ron's story would be impossible without supporters like you. Now we need your help more than ever. If you would like to double your impact, please support the Imaginary Feast. **This week your gift will be matched dollar for dollar, up to $12,500!**

I will send an agenda as soon as the other speakers are finalized!

We are hoping you would be willing to cover the following:

- Update on efforts in the neighborhood (no permanent posting, so 311 is still necessary)
- Pit Stop
- One-Way
- AT&T property
- Any other updates from your office

We have also invited Santiago's office.

Please let me know if you have any questions or concerns.

Hi Brigid,

Can I go after LAPD and switch with LAHSA?

I don't have any updates on the At&t Property to share, our Planning Director has been out of the office and he is our point so I wont get a chance to debrief with him before tomorrow.

Hi Juan,

I'm hoping that you might be willing to close out the agenda since your updates are typically the most extensive and the audience typically has the most questions for you. Is that okay?

You can, of course, jump in wherever needed after LAPD's updates, as there will be introductions at the beginning of the meeting.

Completely understand about updates RE: the AT&T property – it would be great to cover any information you know at this point!

Thank you,

Neighbors,

For those who are interested in appropriate volunteer opportunities and giving whatever they can to those in need, please see the below information from the American Red Cross.

We are in this together. Be safe, and feel free to continue to contact me at any time.

Best Regards,

Dan Halden

Dear Government and Community Partners,

Please share this update from the American Red Cross widely:

"I am providing this update for you in case if folks are looking for ways they can help during the Corona Virus Pandemic. If they reach out to you - here are the ways the American Red Cross could use some help.

Here is a link to our most critical needs: https://www.redcross.org/local/california/los-angeles/about-us/our-work/covid-la.html. There are two main areas where we need help.

One is donating Blood and asking your friends to join you. Our Blood supplies are critically low across the country.

Here is a link that can be shared with people to donate blood:

Share
your good health

Give blood or platelets.

We are also working with the LAUSD to help feed students while schools are closed. We are looking for volunteers to get trained and to help with that. Below is the link that shares more information and people can use to sign up as a volunteer:

And here are some social media posts that it would be great if you could share:

- Twitter
- Facebook
- Instagram

Thank you all for all that you do for the American Red Cross. Don't hesitate to reach out with any questions and please feel free to share this widely."

All the best,

Fernando

Subject: Spectrum offers free Internet, supports COVID-19

Many students throughout the Southland do not have home Internet. With school districts and colleges closed, due to COVD-19 and to help those families, K-12 and college, can call Spectrum, if they are not customers to receive free Internet and WiFi for 60-days.

Charter Communications, popularly known as Spectrum, has announced a number of policies in response to Covid-19 to ensure students and families are connected (press release attached).

Beginning today, Monday, March 16th, Charter commits to the following for 60 days:

- Charter will offer free Spectrum broadband and Wi-Fi access for 60 days to households with K-12 and/or college students who do not already have a Spectrum broadband subscription at any service level up to 100 Mbps.
- To enroll call 1-844-488-8395. Installation fees will be waived for new student households.
- Charter will partner with school districts to ensure local communities are aware of these tools to help students learn remotely.
- For eligible low-income households without school-aged children, Charter continues to offer Spectrum Internet Assist, a low-cost broadband program delivering speeds of 30 Mbps.
- Charter will open its Wi-Fi hotspots across our footprint for public use.
- Spectrum does not have data caps or hidden fees.
- Charter will not terminate service to any residential or small business customers because of their inability to pay their bills due to the disruptions caused by the coronavirus pandemic.
- Charter will waive any late fees that any residential or small business customers incur because of their economic circumstances related to the coronavirus pandemic

CHARTER TO OFFER FREE ACCESS TO SPECTRUM BROADBAND & WI-FI FOR 60-DAYS FOR NEW K-12 AND COLLEGE STUDENT HOUSEHOLDS AND MORE

Stamford, CT. – March 13, 2020 – In the coming weeks, many Americans will be affected either directly or indirectly by COVID-19 and Charter is focused on serving and supporting our 29 million customers. Americans rely on high speed broadband in nearly every aspect of their lives and Charter is committed to ensuring our customers maintain reliable access to the online resources and information they want and need. To ease the strain in this challenging time, beginning Monday, March 16, Charter commits to the following for 60 days:

- Charter will offer free Spectrum broadband and Wi-Fi access for 60 days to households with K-12 and/or college students who do not already have a Spectrum broadband subscription at any service level up to 100 Mbps. To enroll call 1-844-488-8395. Installation fees will be waived for new student households.
- Charter will partner with school districts to ensure local communities are aware of these tools to help students learn remotely.
- For eligible low-income households without school-aged children, Charter continues to offer Spectrum Internet Assist, a low-cost broadband program delivering speeds of 30 Mbps
- Charter will open its Wi-Fi hotspots across our footprint for public use
- Spectrum does not have data caps or hidden fees.

As the country works collaboratively to contain this pandemic, broadband internet access will be increasingly essential to ensuring that people across the country are able to learn and work remotely, that businesses can continue to serve customers, and that Americans stay connected and engaged with family and friends.

Charter's advanced communications network will ensure our more than 29 million customers – including government offices, first responders, health care facilities, and businesses – across 41 states maintain the connectivity they rely on. The network is built to sustain maximum capacity during peak usage which is typically in the evenings, so a surge during the day would be well within the network's capabilities to manage. Charter will continue to closely monitor this dynamic situation, and is well-prepared to continue delivering reliable connectivity. Charter has extensive business and workforce continuity plans in place that will be adjusted as needed to best serve all our customers and employees.

About Charter

Charter Communications, Inc. (NASDAQ:CHTR) is a leading broadband connectivity company and cable operator serving more than 29 million customers in 41 states through its Spectrum brand. Over an advanced communications network, the company offers a full range of state-of-the-art residential and business services including Spectrum Internet, TV, Mobile and Voice.

For small and medium-sized companies, Spectrum Business delivers the same suite of broadband products and services coupled with special features and applications to enhance productivity, while for larger businesses and government entities, Spectrum Enterprise provides highly customized, fiber-based solutions. Spectrum Reach delivers tailored advertising and production for the modern media landscape. The company also distributes award-winning news coverage, sports and high-quality original programming to its customers through Spectrum Networks and Spectrum Originals. Hi Tescia and Brigid,

We were just informed that the installation has been delayed until the 6th.

I apologize for the last minute change. We are coordinating the fire debris clean up for this week.

Can we connect tomorrow or Friday to discuss?

Thank you both for all of your help and patience.

Re: California Public Records Act Requests re Receipt of One Email

Dear Office of Council District 13 and Councilmember O'Farrell:

This request is made under the California Public Records Act pursuant to Government Code § 6250, et seq. Please provide copies of the following from the City (as "City" is defined below).

For ease of reference in this document, please refer to the following **defined terms**:

> The "City" shall refer to the City of Los Angeles, its City Council (particularly Council District 13 ("CD 13")), the Mayor and all members of the City Council (and particularly Councilmember O'Farrell, but also any successor Councilmember for CD 13, all members, officials, employees, consultants, and agents of the City commissions, boards, offices, departments, divisions, the City Attorney's office and any and all outside counsel retained by the City, for your respective office, division, or Department.
>
> "Email" includes, but is not limited to, correspondence to or from any email account through which any City business is being conducted, including but not limited to email accounts assigned by the City's Information Technology Agency to City officials, employees or consultants, and consistent with City of San Jose v. Superior Court of Santa Clara County, each and every personal email account outside the City's email system upon which any City business has been conducted.

"Exchanged between" shall mean the passing of a document from one person to another by any means of transmission or delivery.

"Document," as defined in Govt. Code § 6252(g), shall mean any handwriting, typewriting, printing, photostating, photographing, photocopying, transmitting by electronic mail, message texting or facsimile, and every other means of recording upon any tangible thing any form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof, and any record thereby created, regardless of the manner in which the record has been stored.

Please note that Documents and Emails includes, but is not limited to, correspondence to or from any email account through which any public business is conducted, including but not limited to **personal or otherwise private email accounts belonging to government officials, employees or consultants**, pursuant to the California Supreme Court's recent decision in City of San Jose v. Superior Court (2017) 2 Cal.5th 608. This also includes text messages on any public or private device on which discussions about the Project and other public matters was discussed. **Please ensure that you have secured and produced all such personal or otherwise private emails and texts.** Therefore, we are also requesting that all relevant officials, employees and agents **preserve intact under a litigation hold** all such "personal" and official emails and text messages, and not to destroy, delete, allow to be automatically purged, or otherwise to engage in or permit spoliation of such evidence. To the extent that such emails or texts have been deleted, purged or otherwise spoliated, we demand that the holders of these devices immediately be informed that they must take all efforts to retrieve any deleted or otherwise purged emails and texts, and make all efforts to retrieve and preserve them. **Please confirm that you will do so.**

The public records requests include:

(1) Attached at Exhibit 1 is a copy of an email chain dated May 14, 2015 and July 14, 2015 related to allegations Relevant Group was misleading the City as the scope of the Project. Exhibit 1 was produced by the Los Angeles City Attorney's office. Because the salutation states the email was directed to "City Attorney and others," we have reason to believe this email was sent to others with authority over the Project including Councilmember O'Farrell and his staff during that time. Therefore, we request that you search for this email in the email accounts of Councilmember Mitch

> O'Farrell, and all Council District 13 staff including, but not limited to, Jeanne Min, Gary Benjamin, Craig Bullock, Marie Rumsey, Daniel Halden, and Amy Ablakat. Again, we demand that each member of the office including the Councilmember be required to search all public email addresses used by the office, as well as non-publicized Lacity.org email addresses used by the office, and personal email addresses. Therefore, please produce all copies of this email received by Councilmember O'Farrell and any Council District 13 staff, as well as all documents that refer or relate to this email, including but not limited to all documents and communications that are discussions of, or that refer or relate to, the contents and/or subject matter of this email.

I draw your attention to Government Code § 6253.1, which requires a public agency to assist the public in making a focused and effective request by: (1) identifying records and information responsive to the request; (2) describing the information technology and physical location of the records; and (3) providing suggestions for overcoming any practical basis for denying access to the records or information sought.

If you determine that any information is exempt from disclosure, I ask that you reconsider that determination in view of Proposition 59 which amended the State Constitution to require that all exemptions be "narrowly construed." Proposition 59 may modify or overturn authorities on which you have relied in the past.

If you determine that any requested records are subject to a still-valid exemption, I request that you exercise your discretion to disclose some or all of the records notwithstanding the exemption and with respect to records containing both exempt and non-exempt content, you redact the exempt content and disclose the rest. Should you deny any part of this request, you are required to provide a written response describing the legal authority on which you rely.

Please be advised that Government Code § 6253(c) states in pertinent part that the agency "shall promptly notify the person making the request of the determination **and the reasons therefore**." (Emphasis added.) Section 6253(d) further states that nothing in this chapter "shall be construed to permit an agency to delay or obstruct the inspection or copying of public records. The **notification of denial** of any request for records required by Section 6255 shall set forth the names and titles or positions of each person responsible for the denial.

Additionally, Government Code § 6255(a) states that the "agency shall justify withholding any record by demonstrating that the record in question is exempt under expressed provisions of this chapter or that on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record." (Emphasis added.) This provision makes clear that the agency is required to justify withholding any record **with particularity as to "the record in question."** (Emphasis added.)

Please clearly state in writing pursuant to Section 6255(b): (1) if you are withholding any documents; (2) if you are redacting any documents; (3) what documents you are so withholding and/or redacting; and (4) the alleged legal bases for withholding and/or redacting as to the particular documents. It should also be noted that to the extent documents are being withheld, should those documents also contain material that is not subject to any applicable exemption to disclosure, then the disclosable portions of the documents must be segregated and produced.

Please contact me in advance to arrange a time and place where I can inspect the records. As required by Government Code § 6253, please respond to this request within ten days. Because I am emailing this request on March 18, 2020, please ensure that your response is provided to me by no later than **March 28, 2020**. Thank you.

Very truly yours,

/s/ Daniel E. Wright

Potential piecemeal project in Hollywood

Albert Newman <albert.newman@live.com> Thu, May 14, 2015 at 8:20 AM

Dear City Attorney and others,

Currently, the Department of Building and Safety is reviewing a permit (Permit No. 14014-10000-05475) for "NEW MULTI-LEVEL RESTAURANT WITH THREE LEVEL STORAGE BELOW GRADE as shown on plans >>EXPLAIN WHY SUBMITTED AS -----"ADDITION AND CHANGE OF USE OF GARAGE TO RESTAURANT. APPROX. 20860 SQ.FEET W/ SUBTERRANEAN STORAGE AREA SINGLE. 3 SUBTERRANEAN LEVELS???>" (Note for inspector per Sanitation, the new owner of the property to execute a Master Covenant and Agreement document regarding on site BMP Maintenance as required by the LID Ordinance No. 181899. Such document shall be executed prior to issuance of any TCO)" located at 6421 Selma Avenue.

First, as shown, the project description begs more questions than it answers. Why are there 3 levels of subterranean storage for a 20,860 square-foot restaurant?

Secondly, this is clearly a piecemealing project. The links provided here (http://www.hollywoodirc.com/dream-hotel-hollywood-phase-2-1/ and http://www.spaceglobal.com/dream-hotel-hollywood-phase-2/) shows the applicant intends to build a new hotel at this site. As stated on the website, "The second phase of the hotel, a $43 million extension, is expected to begin construction by the end of 2015 and will feature 86 rooms and 6 marquee food & beverage venues, including the world-renowned Tao Restaurant & Lounge and Beauty & Essex." The 3 levels of subterranean storage levels will be converted to parking for the hotel. The applicant has not made it known to the city that they intend to construct a hotel at the site.

A permit for Temporary Shoring (Permit No. 14020-10000-03227) has already been issued and a Grading permit (Permit No. 15030-10000-02603) is pending.

This email is intended to make the city aware of the impending hotel project and the applicant's attempt to piecemeal the project by not disclosing the fact they they intend to build a hotel. Should the applicant and the city wish to proceed with this piecemealing process, it will face litigation.

It would be appropriate to look into this matter to ensure such a project is not piecemealing.

Albert Newman <albert.newman@live.com> Tue, Jul 14, 2015 at 10:46 PM

This building permit has been issued.

Subject: HEART to HEARTS are now VIRTUAL

Neighbors,

I hope you are staying safe and well during these challenging times. Please know that City government is continuing to function, and we are here to be of service in any way possible.

Our recurring **"Heart to Heart"** meeting series **will be continuing in a VIRTUAL format.** The schedule will remain the same: Wednesdays at 9AM and 2:30PM, and Thursdays at 6PM. In these virtual meetings, I will be electronically sharing the Walk of Fame concept plan, which is currently available to view online.

Please email me directly if you would like to RSVP to an upcoming session.

Most importantly -- be safe! We will get through this difficult time, together.

Warm Regards,
Dan

Hi Adrian,

Please see attached. There are multiple emails coming your way with documents that are responsive to your CPRA Request CD13.2019.06.10.a.

Due to the extraordinary circumstances posed by the COVID-19 pandemic, there is a slight delay on the final batch of documents. We will be sending these to you electronically by the end of this week.

Certain redactions have been made due to privacy. Pursuant to Government Code Section 6255, the public interest in non-disclosure outweighs disclosure due to overriding interest in protecting citizen privacy. On behalf of CD13, individual staff (depending on who was printing out or providing the document) made the decisions to redact or withhold information pursuant to Section 6255.

Thank you and be safe,

Dan Halden

Hi Dan!

Thank you again for the invitation to the community forum on 7/30/18. As I mentioned I am on vacation, but I spoke with my CEO, Joel Roberts, and he can change his travel schedule to attend. Can you please let me know if that would be helpful?

Thanks so much,

Jennifer

Neighbors,

I wanted to check in and let you know that construction of the temporary bridge housing facility is underway at 1533 Schrader Blvd.

A specific note regarding the YMCA's walkway, which has been temporarily closed due to construction activity: **The walkway is expected to open this Friday, November 2nd.**

We will not be holding our "Coffee with the Community" tomorrow, Wednesday 10/31, but we will resume our sessions **next Wednesday 11/7.** Please RSVP to me directly if you would like to attend and engage further regarding the project.

Warm Regards,

- 30 days after opening, the area will see a significant increase in Sanitation resources, with cleanup services 5 days per week.
- PATH will also implement a "Good Neighbor" policy with the surrounding area that sets rules and regulations with their clients living on site, regarding behavior and expectations both on the site and in the neighborhood. As a reminder, all people utilizing the bridge housing will have been matched to the resource through CES. It will not be a "walk-in" facility.

I'm also attaching the rendering, and the Bridge Home FAQ, which I recommend sharing.

Community Engagement & Dialogue
As a friendly reminder, please feel free to join us at our weekly **"Coffee with the Community"** series where this project is discussed. This is a chance for folks to ask questions and learn more information about the project. These discussions are held on a recurring basis, Wednesday mornings at 9:00 AM, and are open to the public on a first-come, first-serve basis. To RSVP, please email me or call me at (213) 207-3015 and I will send you confirmation information. **Please note that there will be no meeting on Wednesday, October 17th. The meeting series will resume on October 24th.**

Other Resources
I also encourage you to utilize the LAHSA website, specifically **LA-HOP (Homeless Outreach Portal),** which is linked to here. Here, folks can submit service requests and also learn more about what resources and initiatives are being offered to reduce homelessness.

Please feel free to contact me at any time.

Neighbors,

I hope you are well. I wanted to provide some updates related to the temporary bridge housing project at 1533 Schrader Blvd, which will soon begin construction. Please see below for information related to construction as well as future operations and enhanced services/resources. Please let me know if you have any questions.

Construction

- **Oct. 15th** - Construction-related activities will begin on site, including trenching and the clearing of the lot. There will be a sound wall that will be constructed around the perimeter; a walkway for the YMCA will be accommodated both during construction and once the facility is built.
- **Mid-November** - The large "membrane structure" (where the living quarters will be) will be delivered and begin to be assembled.
- **Early December** - The trailers (which will include laundry, restrooms, showers, and office space) will arrive and be installed on site.
- **Early January** - Construction activities will wrap up, and the service provider(s) will begin to move onto the site. The facility will be managed by PATH (People Assisting The Homeless) in conjunction with The Center At Blessed Sacrament, which is located around the corner.
- **Mid-late January** - Operations will begin.

Operations/Services

- In addition to comprehensive full-service programming, resources, and case management on site, there will be 24/7 security, provided by the operator, that will be both on site and patrolling the perimeter.
- Leading up to the opening of the facility, there will be heavy outreach to homeless individuals in Hollywood as a means of matching people to this facility through the County's Coordinated Entry System (CES). Different outreach teams and service providers, led by the Los Angeles Homeless Services Authority (LAHSA), are working on a collaborative, coordinated outreach approach.
- On the same day the facility opens, LAPD will devote two full-time officers to the area at all times (24/7).
- 30 days after opening, the area will see a significant increase in Sanitation resources, with cleanup services 5 days per week.
- PATH will also implement a "Good Neighbor" policy with the surrounding area that sets rules and regulations with their clients living on site, regarding behavior and expectations both on the site and in the neighborhood. As a reminder, all people utilizing the bridge housing will have been matched to the resource through CES. It will not be a "walk-in" facility.

Bhuvan,

Our new Bridge Home Site, 1533 Schrader Blvd., 90028, is having an issue when the food is being delivered. There are no places for them to stop and unload the van. Can you assist with a recommendation, perhaps making the meter a loading zone?

Kerry,

We have a meeting coming up next week at our office to discuss this exact topic (and related topics) with LASAN, outreach providers, etc. - the whole team. LASAN told me yesterday they want to use their wastewater facility at Cole/Waring as the place that the BID would deposit the bags.

Rich and Shannon are on the calendar invite; I'll include you and Eddie too to keep you in the loop.

Best,

Eddie and Shannon,

Now that the bags are here – can we have a conversation about the transport to the city sanitation yard?

As we had discussed during the planning phase, if bags were placed adjacent to BID trash receptacles, the BID would be able to pick these up to transport to a city facility (I think located in or near the Media District). As you know, we have 6 dumpsters emptied daily in the Pacific Theatre alley, and have no dumpster bandwith to accept more trash.

Eddie, I believe you indicated that you'd be able to come with our crew a couple times to ensure they city staff at the facility knew that we were providing this service and then it would be more routine in the future.

We should also discuss about timing for these pickups – so that our staff does not become overwhelmed by having to dash down south everyday. (Perhaps picking up three days a week, or something like that.)

Happy to get on a conference call to discuss, if necessary. Rich is copied here and he will coordinate.

Hi Dan,

We don't have a map of the trash cans and it would take hours for me to make one. Not the best use of time. I can include this image and a map of the district and again explain that there is a trash can on every corner. Do we think that will work for the group?

Let me know and feel free to call me if you want to chat.

Hi George,

Thanks for reaching out to me. As you mentioned, there is currently no BID east of the freeway to maintain these fixtures.

West of the freeway, in my previous conversations with the Hollywood Property Owners Alliance, my understanding is the preference is to simply forego the hanging planters. I believe they have been tried in the past, but they are difficult to maintain. **CCing Kerry and Rich from the BID, who can provide further insight.**

Please do not put hanging flower baskets in the BID. They are far too difficult to maintain.
Though beautiful in theory, they just don't work in this area.

Dan, I worked on this Friday while I was here at the office, after hearing about the truck fire.

Please know that I am trying to keep pressure on the city council to see Hollywood not as just another neighborhood in CD 13, but rather as a crown jewel in our tourism economy. I feel the need to push the sense of urgency on a number of fronts – so give Mitch a heads up, that it is my hope that this helps him to build a coalition to protect Hollywood – on a number of fronts.

Hi Dan,

As mentioned, I'd like to help communicate what a truly significant investment of time, energy and money that Mitch is bestowing upon our community with the HEART of Hollywood initiative, and the work that you are doing, and have been doing, to this end. I am putting together our Spring 2019 newsletter and am planning to put this on the front page.

Do you have a press release I could pull facts from about HEART? I did find this on Mitch's website that includes a lot of helpful info:

https://cd13.lacity.org/news/2019-state-hollywood

If there's anything else you'd like to add personally, including if you have any quotes you'd like me to use for you, please send them my way!

Have a great weekend!

To: Kerry Morrison <Kerry@hollywoodbid.org>

Hi Kerry,

I hope all is well. I would like to invite you, on behalf of the Hollywood Property Owners Alliance, to a roundtable discussion to hear updates on the temporary bridge housing facility at 1533 Schrader Blvd.

As you know, this project was recently approved by the City Council, and demolition/construction activities are expected to begin on Monday, October 15th. In advance of that, we will be holding this meeting to share updates and seek feedback and questions from community stakeholders and leaders.

This discussion will be held on **Thursday October 11th at 6:00 PM at The Center at Blessed Sacrament, 6636 Selma Ave, Los Angeles, CA 90028.**

Please RSVP to me directly if you are available and/or interested in attending. **Please note that this invitation is NOT transferable, and this is not an open house or town hall.** We have ongoing weekly meetings that are open to the public; please feel free to contact me for details.

Please let me know if you can make it on Thursday October 11th at 6:00 PM.

Thanks!

Dan, we are all excited to learn about the new HEART initiative that you will be leading, and there was a lot of support at the board yesterday to do what they can to help you succeed!

One idea suggested by Leslie – and she is copied on this email – is to meet with Michael Forman re/ the Pacific Theatre. Leslie's family was connected to the Forman family, and she would be willing to set up a meeting perhaps in December or January, if you and Mitch are open to that.

I think Leslie will be a great resource for you there – so we'll put that in your hat!

Greetings friends,

You may have seen the article in the Times this week re/ the Mayor's proposal to locate emergency/bridge housing in every council district. May I invite the leadership council for Hollywood 4WRD to come together on this issue on Friday, May 27 at 9 a.m. here at the BID office? We will be meeting with Dan Halden to advise him on needs in the Hollywood community.

Let me know if you can come.

Frank,

What a pleasure meeting you and having this discussion. I trust we will have many more conversations.

In the meantime, I'd like to invite Hollywood 4WRD to the "community open house" for the proposed project on Schrader that we will be holding this coming Tuesday.

There will be several stations and participating organizations sharing information about what the City and County are doing regarding homelessness, the details we can share so far on the Schrader project, and "best practices" re: crisis/bridge housing.

I look forward to seeing you on Tuesday.

Best,

Dan, et al –

Per our discussion, I tapped some of my network within the design community and got us a couple of potential lighting designers whom we could interview / solicit quotes from. They are both in the LA area – my ole stomping grounds in the LBC.

Want to noodle around on their websites and let me know if you'd like me to reach out to them and request a meeting?

Hi Dan,

As we discussed, I visited the Farmers Market on Sunday October 7th. I have attached a few images that capture the negligence and outright abuse of the Farmers Market. Vans and trucks park on the sidewalks and it's unacceptable. As you can see in a few of the photos, the vehicles are dangerously close to the parking meters, buildings, and historic light poles.

Please feel free to give me a call to chat when you get a chance and we can move forward in discussing this with them.

Thank you!

Neighbors,

Thank you again for your participation and partnership over the last several months. Since spring 2018, countless people have worked to make a new Hollywood bridge housing facility a reality in the most collaborative, respectful, and efficient way possible.

Bringing bridge housing to Hollywood has been guided by two principles: 1) that the process is open, engaging, and includes ongoing community dialogue; and 2) that any bridge housing facility and program will be reflective of, and thoughtful to, the Hollywood community.

This new bridge housing facility at 1533 Schrader Blvd is scheduled to open within a matter of weeks. When open, it will house up to 70 men and women at a time and include on-site services such as security, case management, and other resources.

Prior to the opening, we will be holding a **Community Open House** for Hollywood stakeholders. The Open House will be held on **Tuesday, March 19, 2019 from 6:00 to 7:30 PM** **on-site at the facility itself, 1533 Schrader Blvd.** Attendees will be given a chance to tour the location, meet the operators, and learn more about the on-site programs and City resources that will be coming to the surrounding neighborhood. Flyers in English and Espanol are attached.

Please RSVP to myself or Sean Starkey (sean.starkey@lacity.org) if you are interested in attending. This is not a town hall-format with a definitive start time; rather, we invite you to join us at any point between the hours mentioned above, as informational resources and tours of the facility will be provided throughout that time. Please let me know if you have any questions.

Warm Regards,

Hi everyone. Thank you for the call today. It was very clarifying.

Here's my recap and breakdown of next steps. Feel free to corrector and/or add.

>TIMELINE
- Once contractor (TFN) is on board, expect coordination with DOT/Wayne/Samir to occur.
- Total project timeframe: 3-4 months.
- Completion target: October 2018
- LADOT/Samir/Wayne/TFN to provide CD13 and the BID the Project schedule once complete.
- CD13/BID to decide appropriate community event for Project.

>FUNDING
- North of Project: deficient approx $34k (DOT to identify meter revenue) -- METRO should reimburse LADOT!!
- South of Project: deficient approx. $65-75k (CD13 will cover)

DOT will confirm next week on availability of meter revenue funds.
DOT to send CD13 Project description, exact amount to be transferred and DOT department account info for Council motion enacting transfer of funds.

> MAINTENANCE
- DOT to provide info on maintenance plans with other communities with signage (ex. DTLA, Westwood).
- BID to seek inventory of existing directional signs to be removed.
- Continue discussion of long-term maintenance/replacement plan between City and the BID.

Thank you.

Hollywood Property Owners Alliance - connecting to Dixon Resources Unlimited

Hi Brett,

Per our discussion, I'd like to connect you to Kerry Morrison, who manages the Hollywood Property Owners Alliance, the major Business Improvement District (BID) in central Hollywood.

Kerry -- Brett Porter works for Dixon Resources Unlimited, which is doing a Hollywood Parking Study for the City. Dixon recently was awarded the contract via an RFP through LADOT, and will be working on the study throughout the summer to identify ways to better improve the parking situation and experience in Hollywood. I thought it would be worthwhile for you to connect.

Thank you,

Hello, partners --

I hope you are having a good week! I am reaching out to see if you are able to participate in our final CD13 "Community Conference" taking place on **Saturday, November 17th, 2018 at Los Angeles City College from 9:30 AM until 12:30 PM.**

The Community Conference is a forum that gives folks the opportunity to hear directly from City Departments and other agencies on issues impacting Hollywood and East Hollywood. To do this, we will be hosting two panel discussions: one on housing issues, and the other on the situation surrounding **homelessness**. I'd like for the homelessness session to focus heavily on our efforts to bring the Bridge Housing project to 1533 Schrader Blvd, which is why I'd be thrilled to have participation from all of you: **LAPD, LASAN, Hollywood 4WRD, PATH, The Center, and United Way!**

In addition to the two panel discussions, we will have tables and booths set up for residents to ask representatives of City Departments questions about things like planning, sanitation, sidewalk improvements, pending legislation, traffic issues, etc.

Please let us know if you can join us for the homelessness session, and I will be in touch with you to coordinate logistics at a later time. We anticipate **the panel to last from approximately 11:00 AM to 12:00 PM.**

Keep me posted... Thank you! :)

Friends,

I was informed by the Department of Transportation that the NEW full traffic signal at Hollywood and McCadden was activated earlier TODAY!

A formal celebration will come soon, and we will definitely let you know.

In the meantime, enjoy this safer pedestrian crossing in your neighborhood. As I've said before, this was the last remaining unsignalized crosswalk on the Walk of Fame. With today's activation, ALL crosswalks on the Walk of Fame now have traffic signals. :)

Here's to a safer Hollywood!

Dan,

See photos attached. NEC of Lexington/Vine Streets outside of the Dollar Tree. This encampment is getting out of control – an entire bedroom furniture set out on the sidewalk.

Is it possible to get this on the list for Sanitation to clean up?

Dan – for the lighting proposal for TDOZ, do you have something in mind? Have you looked into the possibilities of string lighting in that area, or should I just explore different options?

TO: Board of Directors

As promised, here is a mark-up of the bylaws, to reflect the sections that will be up for discussion at tomorrow's meeting.

Proposed for your consideration tomorrow are three motions:

- To reduce the upper ceiling on board size from 32 to 25
- To allow for consideration of extenuating circumstances in applying the attendance policy
- To align the language in the bylaws with the new language used for the staff executive and volunteer leadership (e.g., executive director becomes president; president becomes Chair, Vice President become Vice Chair)

To save paper, we will no print out the entire bylaws for tomorrow's board packet, but we will include in your packet an excerpt to reflect the first two proposed changes.

See you tomorrow.

Chris,

Great speaking with you earlier today. Per our conversation, I am CCing to this email some of our community partners in the area:

- Kris Larson and Rich Sarian, Hollywood Business Improvement District (BID)
- Rana Ghadban and Jacob Jauregui, Hollywood Chamber of Commerce
- Richard Adkins and Christy McAvoy, Hollywood Heritage

All, please e-meet Chris Gabriele with 7-Eleven, which will be coming to Hollywood/Wilcox later this year. The 7-Eleven store at this location will be an updated model, similar to the store located downtown at 2nd/Los Angeles Streets.

For the Hollywood location, our office has suggested to 7-Eleven that it connect with all of you and begin establishing relationships in the community, in advance of opening. We have also been speaking with Chris and his team about ways in which the store can reflect the Hollywood "brand," history, and aesthetic elements already at place in the community.

For example, 7-Eleven is open to incorporating elements such as public art, historical photographs, etc.

I wanted to open this conversation to all of you so that you all could get connected, and we could work together to brainstorm features that enhance the place-making work we are collectively doing in Hollywood.

Please let me know if you have any questions.

Thank you,

Greetings members of Jt. Security Committee

The meeting announcement for this month's [delayed] meeting is attached.

In particular, I'm hoping to emerge with your recommendations on some formal asks we might make of our elected officials with respect to services and programs to address the homeless crisis in our community. I don't want to be speaking for this community without your support. I will be giving you a briefing on what is "in the works" at present.

I hope you are able to attend; please RSVP directly to me (Lorin is on vacation this week). I know there will be other board members and community members interested in this conversation also.

Greetings HPOA Board,

Please find attached the agenda for the meeting this Thursday, Jan 17 at 4 p.m.

We are delighted that our new president/CEO will be flying out to join us at the board meeting that day – and this will give the two of us some time together for some onboarding!

We have attached the minutes for both the December meeting, and the special January meeting.

Also, I will be sending you a mark-up of the proposed bylaws amendments tomorrow.

Please RSVP directly to April as to your attendance

april@hollywoodbid.org

See you Thursday!

Meeting next week with Cahuenga alley re/ crime and cleaning issues
1 message

Kerry Morrison <Kerry@hollywoodbid.org> Tue, Jan 8, 2019 at 6:31 PM
To: Rich Sarian <Rich@hollywoodbid.org>, "Steve Seyler - BID Security Office (sseyler@andrewsglobalsecurity.com)" <sseyler@andrewsglobalsecurity.com>
Cc: Benjamin Thompson <39467@lapd.online>, Daniel Halden <Daniel.Halden@lacity.org>

Rich and Steve,

I had a good meeting today with a group organized by Errol Roussel to address the trash solution in the Cahuenga alley. I can brief you more on that when I see you.

However – I wanted to get on everyone's radar a meeting we set up for next week - Tuesday Jan 15 at 2:30 at St. Felix.

Here are some of the things we need to talk about:

1. Deep clean of alley. Set a date. Expectation that everything is up off the ground to the extent possible.
2. What will be the regular cleaning schedule on a go-forward basis?
3. When furniture and barricades are replaced after cleaning, they will be according to revocable permits (Dan – can you help)?

4. Safety. People are hanging out in alley doing drugs. People will have their backpacks or bags snatched and folks run into alley to empty out. We talked about establishing a new pattern of activity to discourage this. Possibly more video cameras and motion detector lights.

5. Ben and Steve – we need to give some ideas on what the owners can do to help.

6. Steve, I think we need to set a directed patrol, multiple times a day, of BID Patrol to establish a presence there.

7. Allegedly, there is a fair amount of illegal dumping going on in the alley – at all times of day and night. We'll get a sense of that when we meet with them next week.

8. There is a new rodent problem; Rich, let's discuss. I think the BID might need to step in with an initial assessment and intervention so this doesn't get worse, and then we can build in a system of maintenance that they will take care of.

On a related note, there will be a meeting on Jan 16 at 4 p.m. with a trash compactor company to do an assessment of what it would take to install one in the alley.

To: Kerry Morrison <Kerry@hollywoodbid.org>

Hi Kerry,

Per our conversation today...

Would the BID be able to host a meeting to discuss the LGBT Center parking issue?

We need:

CD13
BID
Brian F.
Ferris W.
Other appropriate property owners/parking lot owners

Possible dates/times:

Wed June 13 9:00 AM (before Security Meeting, would that work?)
Fri June 15 - AM

Let me know... thanks!

Meeting re/ North EaCa Alley

Morning — to come to consensus on some solutions to bring a sense of safety and order to the north alley, Dan and I thought it best to bring the neighboring property owners together to collaborate together. It appears that we have issues related to parking, trash, parties, noise, homeless encampments, public urination and more. We know you all would like to see a sense of calm be restored to that alley, and we know you also would like to gate it to protect it.

It would be most productive to have everyone in the room at the same time to come up with a plan to move forward.

Here are some dates for us to meet — and I think its important we all be in attendance so we can come up with a plan once and for all.

Tues Dec 4 - 9 a.m.
Wed Dec 5 - 9 a.m.
Thur Dec 6 - 9 a.m.
Tues Dec 11 - 9 a.m.

We can meet in Dr. Anthony's conference room. Please let me know if any or all of these dates work for you, and I'll get this meeting scheduled.

Thank you all,
Kerry

Meeting re: Upcoming Theatre Productions in Hollywood

Dan Halden <Daniel.Halden@lacity.org> Mon, Apr 22, 2019 at 6:09 PM
To: Jeff Loeb <jeff@nederlander.com>, David Green <dgreen@nederlander.com>, Amelia Heape <aheape@nederlander.com>, Ed Murphy <EMurphy@cimgroup.com>, Lindsay Hurlic <lhurlic@cimgroup.com>, Matt Weaver <matt@mattweaver.com>, [redacted], Kris Larson <kris@hollywoodbid.org>, Rana Ghadban <rana@hollywoodchamber.net>
Bcc: Sean Starkey <sean.starkey@lacity.org>

Hi everyone,

As you all know, thanks to your collective efforts, over the course of the next year Hollywood will play host to multiple Broadway-caliber shows at any given time. This is a very exciting development for each individual venue, and for our community as a whole.

Accordingly, I'd like to facilitate a discussion on how we can collectively capture this unique moment in time and ensure that Hollywood is well-prepared and putting its best foot forward as we anticipate this new activity.

(For reference, I'm including on this invite folks from Pantages, Dolby and the Bourbon Room, as well as Kris Larson with the BID and Rana Ghadban with the Chamber. Please let me know if I've missed someone from your team.)

Please let me know if you are available for a meeting to discuss upcoming theatre productions in Hollywood - **Friday, May 10th, at 10:00 AM.** I'd be happy to host the meeting here at our HEART of Hollywood HQ, 6501 Fountain Ave (Hollywood City Hall).

Let me know -- and thank you!

Best,

Kerry and Leron,

Hope you're well. Councilmember O'Farrell would like to meet with the two of you (together), as soon as possible, to touch base on the rest of this calendar year in Hollywood, as well as what comes next, as you wrap up your many years of service to the BID and Chamber, respectively.

Are you available to meet with the Councilmember on **Monday, September 24th, 2:00 PM, at our Echo Park District Office?**

Hi Dan, I would look forward to that meeting!

The week of September 24, we have four visitors from overseas (three from Trieste Italy and one from Glasgow) here to see our mental health system. This is part of the collaboration that is being forged between Trieste and LA County. I am taking that entire week off, as I am the air traffic controller in charge of the itinerary. I will be back in the office the following week, and it is fairly wide open.

Dave,

I'm CCing Kris Larson, the President and CEO of the Hollywood Entertainment District BID. Can we please arrange a meeting for Councilmember O'Farrell and Kris to meet? I can staff.

Kris -- we would like to suggest Intelligentsia Coffee (6401 Hollywood Blvd) as a meeting location. Please advise if that works.

Thank you,

meters for charitable contributions

2 messages

Kerry Morrison <Kerry@hollywoodbid.org> Mon, Feb 12, 2018 at 12:55 PM
To: Daniel Halden <Daniel.Halden@lacity.org>

Dan, I had a couple property owners email me this article last week – wondering if we could try something similar in Hollywood. I'd like to resurrect this if there is a possibility the city could help. You may recall we started to look into this (I think right around the time Mitch was elected) but got stymied because we couldn't raise the money to fund the meters. But we did go ahead and create a program to indicate where people could make contributions in lieu of giving out on the street, and that website still exists (although probably needs to be updated).

https://la.curbed.com/2018/2/5/16974954/homeless-meters-downtown-los-angeles-donations

I will place this on the Security Committee agenda this Wed to let people know we are looking into this again – maybe we can report in March.

Hi Dan and Dave, wanted to remind you that the board meeting is tomorrow – its our annual meeting where new officers are elected.

I am attaching the agenda – please note that we are not meeting at the BID office, but at 1600 Vine, because we are having a board dinner afterwards.

Also, I know you said the councilmember wanted to come around 5-ish to announce his initiative and Dan's position – we can definitely accommodate him at that time; I just has to put him somewhere on the agenda. But we can be flexible.

If you need assistance determining how to get to the 11th floor conference room where we will be, April can give you some instructions. Also, you can text either her or I to give a ETA.

Also, Dave, I know the Councilmember will be here to share news about the new initiative, but it would be good if he could address two other issues:

1. We had sent him a letter a few weeks ago indicating the board's support for going to trial on the Mitchell injunction. This letter will be in the board packet tomorrow. I'm copying it here also for easy reference. It would be good for him to acknowledge that he has received this letter – and if he has formulated a response, it would be good to know
2. Sidewalk vending – what is the current status, and what does he think can be accomplished to protect the Walk of Fame?

Many thanks

motion for board re/ trash bags

Gentlemen,

Here is what I'm thinking for a motion. We can send the agenda out today without final wording, so would need to hear back (esp. from council office) re this by Thursday.

Kerry

For Streetscape Agenda:

Report on pilot project to reduce sidewalk trash related to encampment crisis: specially marked and colored trash bags to be distributed by law enforcement, BID, and homeless outreach workers for use by individuals who wish to set aside trash for removal.

Motion: to approve participation in a 120-day pilot project, subject to action taken by Los Angeles City Council, and indemnification of HPOA, to pick up trash in specifically marked and colored bags placed adjacent to existing trash receptacles in the Hollywood Entertainment District.

Does this sound like the gist of our discussion on Friday?

Kerry

P.S. Jeff, let me know when you can take a call re/ this. Want to brief you on the idea.

Hi Kerry,

I need to have a much more in-depth conversation with our legislative team and the Mayor's office prior to committing to any legislative actions or motions. It's not entirely clear to me what a Council motion would call for, so I'm setting up a call for the Mayor's office to dive into further details with our legislative team. We will try to make this happen as soon as possible but I can't guarantee that it will be by Thursday. I will keep you posted.

Dan and Tony,

There is a press release in the works to announce the name of my replacement. It will be ready tomorrow – we'll shoot it over to you when its ready.

He is flying in tomorrow night, so he can spend one day here in the BID – he and I will spend time together in the morning, and then we will attend the State of Hollywood luncheon and he will come to the board meeting. Since he will be in the room at the Taglyan, I thought it might be good for Mitch to know – he might want to acknowledge that.

Its up to you – but I wanted to give you a heads up!

To: "Daniel.Halden@lacity.org" <daniel.halden@lacity.org>

Hi Dan,

So sorry to bother you, but I had reached out to the companies closing the street for these upcoming events and did not hear anything back. Are you able to provide me with the details for these closures?

Thanks

Devin

Hi everyone,

YES, we are meeting tomorrow, Thursday 3/1, at 9AM for the street/sidewalk closure committee meeting. REMEMBER THAT WE HAVE CHANGED LOCATIONS. WE WILL BE MEETING AT THE HOLLYWOOD & HIGHLAND EXECUTIVE OFFICE CONFERENCE ROOM. Instructions are in the calendar invite.

I repeat: DO NOT COME TO HOLLYWOOD CITY HALL. WE ARE MEETING AT HOLLYWOOD & HIGHLAND. :)

Also, remember -- this is Oscar Season, so please plan for traffic!

The agenda is as follows:

3/12 - Tomb Raider
3/17 - Pandas
3/18 - FYI LA MARATHON
4/19 - Handmaids Tale
4/21 - Avengers Infinity War
4/27 - Hand & Footprint

Again...

1) We are meeting at HOLLYWOOD & HIGHLAND!
2) Please plan for traffic due to the OSCARS!

:)

Thanks, all!
Dan

Hey Dan,

Sorry that I won't be able to make it, as we have our court date tomorrow at 9:30 and our entire staff is going to be there.

It looks like all the proposals are movie premieres except for the hand and footprint, so those would be approved by the BID as long as no one else has any issues with them.

Thanks

Devin

Dan, see attached, I added an item for Hollywood Shelter search to the agenda – hoping you can come and provide an update on what is going on in CD-13. I think people will be pleased. I am also going to reach out to Dream Center to see if they have anything to report.

Hi Rich,

I heard from a constituent that this mural was tagged! (SE corner of Hollywood Blvd and Wilcox Ave -- it's ON Wilcox)

Could you take a look and let me know?

Thanks,

Hi Dan,

Tragically, it was, along with a few other murals and walls. Someone took a bucket of yellow paint through the town after the marathon... However, the You are a Star mural has since been restored!

Thank you!

They got Musso and Frank, a couple other random spots on the boulevard, and the Shiekh store mural on Schrader... Somehow they decided to not touch our Dolores! Phew!!!

BID can (and has) taken care of all graffiti that isn't on the murals. I will talk to the property owner for the Shiekh store mural to see if they want to engage LABT.

"Good Neighbor" Trash Bags

Hi Brian, we love this idea, and in fact, had a conversation with SLO Eddie Guerra about this on Friday, as he is anxious to know if there would be a green light on this.

I told him we would discuss at our meeting this coming Friday at our office when you come in with info re/ the mobile trash proposal. In addition to Dan, Steve Houchin will also be at that meeting (I've copied him here as well) and I would just want him to weigh in on this from the city attorney standpoint.

I think the other question raised by Eddie is that in a non-BID area, could this be done as well – and who could pick up the trash? He was raising this issue in the context of some of the areas south of the BID last week that got quite nailed by trash on the street/sidewalk.

I'll confer with Dan this week for CD-13 perspective. Let's figure out an action plan to make this happen when we meet – I think the public is looking for us all to find a solution to the trash out there.

See you Friday,

Kerry

Hi Kerry, Dan, and Joe,

I sent the below email late Saturday evening (apologies!) so it may have gotten lost in your inbox over the weekend. Just following up to see if there's been any progress. We're fully supportive of this idea, but defer to the Council Office.

Thanks,

Brian

On Sat, Jan 6, 2018 at 10:41 PM, Brian Buchner <brian.buchner@lacity.org> wrote:

Hi Kerry and Dan,

I am writing to follow up on the BID's idea to distribute "good neighbor" trash bags to homeless individuals encouraging them to dispose of trash in these bags, which would then be picked up by BID security.

We remain very interested in this idea, but defer to the Council Office.

Is this something that we can all commit to trying ASAP? Possibly launching in the next week or so? We have our next CENTCOM meeting with the Mayor on Wednesday, 1/10, and there's a good chance that he may ask about it. It's been raised with him in prior CENTCOM briefings.

Thanks so much,

Brian

Hi Dan,

I had a couple things for you.

1. Who at LADOT can I contact to stop painting over the utility boxes that we are stripping for the art project? Apparently this is happening and setting us way back.
2. Most importantly, had a great conversation with Frank Stephan of Clarett West Dev. and he would like a crosswalk across Hollywood Blvd at El Centro. They are willing to pay for it "within reason" and I'd like to get the ball rolling on this. Let me know how we can do so!

Thank you and I'm sure I'll see you soon!

Hollywood Wayfinding Signage Update Meeting

Hi everyone,

Our office would like to reconvene all relevant City/County departments to discuss the Hollywood Wayfinding Signage project. Our understanding is that the project is moving along and is nearing completion, but there are some elements of the project for which funding must be identified.

We are requesting attendance from the following entities:
LA City Council District 13
LA City DPW/BOE
LA City DOT
LA County DPW
Metro
Hollywood Property Owners Alliance
Hunt Design

Please RSVP with your availability. If you are not available, please designate the appropriate representative from your agency.

Please let me know if you have any questions.

Thank you,
Dan Halden

Coordination Meeting re: Hollywood Area Trash Bag Pilot

Hi everyone,

As we've discussed, the City's Bureau of Sanitation has purchased trash bags that will be used as part of a pilot project in certain areas of the City, including areas serviced by the Hollywood and Sunset BIDs in Hollywood.

We are convening a meeting to discuss distribution and outreach strategies for the trash bags, which will be distributed to individuals experiencing homelessness in Hollywood.

Please RSVP on behalf of your organization and/or let me know if someone else will be attending in your stead.

This meeting will be on WEDNESDAY, MAY 2, 2018 at 10:00 AM.

Thanks,
Dan

Dan, had a terrific meeting with Matt today – indeed, they have narrowed in on the former Cinespace venue as the location for Rock of Ages – with anticipated shows 5+ days a week. It sounds very exciting – I think it is the perfect place for the show, and it will help to POSITIVELY activate that block between Cosmo and Ivar.

He would love to brief you and Mitch about his plans and the investments they will be making to the space – and is hoping Mitch might weigh in when they are approaching their opening in Q2 next year.

Putting the two of you together again – this is such encouraging news!

Hi Dan,

You may already know that Rock Of Ages is going to be coming back to Hollywood in February in a residency at the Emerson Theatre at Hollywood & LaBrea. I had been trying to help them get something lined up with the Chamber so they could maybe have a star ceremony on the Walk of Fame around the time of the opening of the show, but that doesn't seem to be possible, so they were wondering about having some sort of "Key to the City" celebration instead. Is that something your office might be able to participate in?

Hi Devin,

Apologies for the delay. I don't know about a Key to the City (I don't think we do those -- or at least I never have), but we'd be happy to arrange for a Certificate. Let me know if that would work...

Glad to hear Rock of Ages is coming back!

What are they looking to do? We can attend, provide certificate, and support to a certain extent, but we aren't able to take the lead on organizing. We can certainly be there, though.

Thanks Dan. Maybe the BID can spearhead, then. I know they want to feel "welcomed" to the neighborhood in some way, and their first choice of a star ceremony doesn't seem likely.

Hey – so to jump back on this – I think they want some sort of official city ceremony. I know the Chamber usually does ribbon cuttings, but does CD13 ever do something like this to welcome a major new attraction in the District?

Hi Devin,

There's not an official sort of ceremony that the City does that has any sort of formality to it. We can definitely get a certificate for them and, if a date can be provided, we can see if the CM is available to present it. (This far out, the schedule should be open.) But there is not a pre-designed official ceremony that the City does. We're definitely happy to highlight this in a positive way, however possible, since the CM is such a big supporter of live theatre.

Hi Dan, we are in favor of this closure request. Also, I was not able to call into the last meeting, so could you let me know if there is anything that was not attached to the original email that I should know?

Thanks you,

Good morning members of the HPOA Strategic Planning committee & partners –

With the intent of coordinating travel planning for the Santa Monica site visit next Thursday, May 30th, please reply to this email and provide:

- An RSVP / regrets regarding your attendance, and
- Your plan to travel alone or if would like to carpool from Hollywood. Once we have a firm # of people carpooling, we coordinate specifics per car.

As a reminder, the current itinerary includes:

- 8:45 AM – Depart Hollywood for Santa Monica
- 10 AM – 12 PM – Meet with Kathleen Rawson, and Downtown Santa Monica team, tour improvements
- 12 PM - 1 PM – Group lunch / recap
- 1 PM – 2 PM – Carpool back to Hollywood

Let me know if you have any questions or comments!

Best,

Kris

Service Provider Help Needed ASAP: Homelessness at Tamarind and Carlos Avenues

Kerry Morrison <Kerry@hollywoodbid.org> Tue, Feb 27, 2018 at 9:15 PM
To: Daniel Halden <daniel.halden@lacity.org>

Dan, I fly back from Montana tomorrow night. Yikes. This looks pretty serious.

I have a call with the CAO's office Thursday afternoon re/ the idea about the Schrader Wilcox lot as a temporary shelter until a permanent shelter is created. If we had a temporary shelter, we'd have a place for people to go in a situation like this. I spoke with staff in the Housing Department and it will likely be two years before groundbreaking in Shrader/Wilcox. I'll let you know what I find out from CAO staff on Thursday.

Have you had a chance to brief Mitch on this idea?

The outreach teams don't have many options at this juncture, I'm afraid.

Hi everyone,

Good seeing some of you last week. The encampment in this area has grown. I just drove by a short while ago; also, please see below for an example of the emails we are getting.

I know that the population here is very service-resistant but I believe we need to step up a sense of urgency here, ASAP. Can we shift strategies in some way? Please help.

I will contact a few media outlet this evening. This is absolutely unacceptable. The focus will be on how negligent our city officials have been regarding this - namely Mitch O Ferrell who is our councilmember leader of District 13. He was warned 2 years ago about this and nothing has been done. I had come to his office with real solutions - not just complaints. I had brought pictures and maps of WHAT TO DO, WHERE TO DO IT and HOW TO DO IT. It was ignored. Now, we live in fear and we get our property stolen and vandalized. I refuse to wait for a murder to take place or for a women to be raped before something is done. This needs to be addressed NOW and with long term solutions - as proposed.

Take a look at these 2 pictures I took 30 minutes ago. This is what we live with.

Just this morning we found two grocery carts full of transients' belongings squeezed between planters in the cul-de-sac area most likely damaging some of the plants. By the way, don't bother to call the cops to report it, they will only tell you as long as they don't block the sidewalk nothing they can do.
They already came this morning around 9 with the siren on to wake them up. Great service you expect from a hotel.

Dear Mayor Garcetti, and City Council,

I am one of many parents that is very concerned about the situation that has been growing worse and worse right next to the preschool our children attend at HOLLYWOOD PRESBYTERIAN CHILDREN'S CENTER.

We had a very close call a few weeks back when preschoolers were crossing the street for a fun-filled day of our annual "snow day" in the adjacent parking lot across from the school. I was one of many volunteer parents helping out that day when a situation was getting out of hand with some apparent homeless campers and a person driving in a car later described to the police as trying to run over some of the people at that encampment. I don't know exactly what the reason was, but the car came down the block seconds before the children crossed the street. Two of the people of suspect confronted by the person in the car was very high on drugs as I witnessed. The situation was getting bad with people yelling profanity and getting violent. Once the police arrived the person driving the car drove away. This could have turned into a very bad situation with children crossing the street and a car trying to run people over.

This encampment is too close to the preschool as it is getting much worse and attracting more of the wrong crowd one would want near a preschool.

I hope you will do something about it immediately for the safety of our children, parents, and the surrounding neighborhood.

Sincerely,

Douglas Morganstern

Hello,

I have witnessed countless acts of violence and disturbing the peace. My social life is nearly non-existent as no one wants to come somewhere they will be harassed and threatened. Part of the problem is city employees recommending they come here. This is completely unacceptable. I think to drive the point home I would suggest you do a dry run yourselves. Come see how bad it gets. bring your family. walk the street. It's bad many times throughout a given day, but it gets dangerous fast as the sun goes down. I'm getting tired of having my life threatened, knives pulled on me, dogs lunging at me, stepping in human urine and feces (perhaps we should send samples?), trash and broken glass all over the street presenting hazards and attracting rodents and bugs, watching people do drugs (and no i'm not talking alcohol or some weed - real drugs that come with real risks), in an area that not only houses me, but includes a school only a few hundred feet away. I'm tired of people breaking into the apartment complex and stealing mail, or getting naked and literally using a hose and threatening tenants here, while there are children in the building, or breaking into vehicles. I'm tired of the sanitation guys refusing to get everything.

I encourage you to invite them to your neighborhoods instead. I am confident this would cause some action. Or perhaps we could debate the fine points of coverage for the block on the other side of the freeway. One might even ponder the difference in responses and results.

Even if you don't care about me 😂, why don't we just consider the children for a moment. Do you think this is something children from toddlers on should be facing? Given everything that's been happening lately, can we even risk another shooter/shooting/murder/stabbing in the area?

I think we can do much better. Easily. Rapid response teams. Have BID do roll throughs and make calls to station for units. Enforce the multitude of (extra) laws put in place to clean up hollywood/highland. There is a huge difference between utilizing a piece of 'public' land (sidewalk) and 'living' on that same spot. Why not surrender a few empty city lots for homeless encampments..

I would appreciate a detailed plan, with daily/weekly steps the city will take. And please don't suggest arming the teachers (or my visitors (or me!)), appropriate plans for the issue please - I will continue tempting fate as I have no choice. Pretty sure an intern could whip something up - I challenge you to follow through. Earn your votes and the trust placed in you.

Best Regards,
Jesse

We know you are all well aware of these, and so are we. We are really trying to understand but we could no longer tolerate homelessness in our midst for obvious reasons our neighbors and we have earlier on and on, cited.

Voter-passed Proposition HHH and Measure H will take months (or maybe years) to implement. In the meantime that massive housing settlement funding, services and programs are in the works, please temporarily resettle these homeless people in the City's properties.

City Ordinance "6am-9pm tents down" should not apply to residential areas. There should be no homeless encampments in these private residential areas at all. The above ordinance should only be applied to homelessness in the City's properties. To date, it is reported that the City owns 9000 underutilized proprieties. Please let our homeless people make use of them, even on a temporary basis, and apply the 6-9 City Ordinance there but not here in our private residential areas please, please, PLEASE.

Mr. Council Member O'Farrell and Mr. Honorable Mayor Garcetti, please hear our pleas.

The state of your city is now below what is acceptable in any Western countries. Nowhere in the world would this be tolerated. When I told my Mom, who has lived in many countries, what is now allowed in Los Angeles, she was absolutely disgusted. I came in LA in 1998 with great love for the city, and now I cannot wait to move as far away from it. And I will publicize its tragic fate.

Yes, I am ashamed of where I live and I will not have people over for dinner - even though I pay high rent and high taxes. The city is siding with the non-tax payers - and that is a real shame.

I had to pass through and beside many of the people that reside on our sidewalks. I walk across the middle of the street because I did not feel comfortable walking on the sidewalks.
We have more and more people putting tents and piling the trash every single day. Is there anywhere else those unfortunate people could be placed please?

It is amazing that nobody cares about people that work hard and pay the rents in those buildings on Tamarind Ave., (which is the END street) and our quality of life is down bellow zero.
We can NOT even use our sidewalks and walk home anymore. I am totally ashamed where I live; nevertheless, I can not invite anybody to my home anymore.

Is it true that the residents here can not be protected and the QUALITY of live DOES NOT MATTER at all ??! This is DEAD END street.
Does somebody has to get hurt before something would be considered to be done to protect us ??!
It seems that nobody cares. Pretty disappointing indeed and scary for everyone; especially a girl.

Hi Dan,

Would it be OK for me to include news of the scramble crosswalk coming to Hollywood/Vine in our newsletter? I believe you said that's slated for May. Also, if you have any statistics for how much safer Hollywood & Highland has become after the scramble was installed there, that could be great to include.

If there's anything else you think we should include, please do let me know – I'm trying to send this to the printer by Friday.

Hi Devin!

To be safe, let's say the Scramble is expected to be installed in late spring/early summer 2018.

I will try to find some stats re: H&H although I think they are from 2016.... stay tuned.

Special BID Security Committee meeting this Wednesday

Hi Gita and Steve, this Wed, we are holding a special meeting of the BID Security Committee to do a deeper dive on the homeless situation and ascertain the committee's direction to the board(s) on topics related to a Hollywood shelter, supportive housing, storage and related issues. I've been advancing several ideas to both boards – and they have been receptive – but I want to get to the place where we have board action taken to give staff a firm footing to proceed to speak on behalf of the owners. Whatever comes out of this meeting will be taken to the two BID boards in April.

One of the topics will be the notion of a temporary shelter while we await the identification of a site for a permanent shelter. I seem to recall a conversation (perhaps in the context of the hearing on the women's shelter proposed for Gardner) that if a shelter is located in a neighborhood, there can be conditions attached thereto that will help to mitigate the impact on the directly adjacent stakeholders and surrounding blocks? I was wondering if one of you could come to the meeting on Wednesday, so we could explore that concept further.

Many thanks – let me know,

Kerry

We have two other events coming up where we could also use table and chair donations if possible: Locals Night Out on Thursday, October 11, and Jollywood on Saturday, December 8.

David, I am in the office all day – give me a call when you have a moment.

Also, I am planning to organize a meeting of the Tourism District Overlay Zone on **Friday June 1 at 2 p.m.**

This is an organizing meeting for this group – who has agreed to assess themselves $250K above their regular BID assessment to pay for services unique to this area. Of course, this is the area most impacted by street vending and characters, CD vendors etc.

I am hoping you could come that day to give a brief update on the progress of the street vending ordinance, and anything else you want to share re/ the councilmember's priorities for this area. This seems to be a day that our key leaders can come, so I hope it works for you.

Dear members of the TDOZ –

On behalf of the TDOZ Chair Mike Harkins, we hope you can join us for a special meeting of the TDOZ to occur next Monday, April 29th at 1:30 PM. The meeting will be held at the HPOA office at 6562 Hollywood Blvd.

Given the impending deadline for determining the 2020 TDOZ assessment level, it is imperative that we get an action from the Steering Committee regarding a path forward. If the Steering Committee intends to solicit a vote of the TDOZ membership, decisions will need to be made regarding the voting methodology, the ballot language (inclusive of potential assessment amounts), timing of the vote, and tabulation procedures. According to bylaw, if the Steering Committee opts to not solicit a vote of the membership, the aggregate assessment level will automatically continue into 2020 unchanged.

Included on this invitation are all members of the TDOZ, beyond those whom serve on TDOZ Steering Committee. Attendance at the meeting by non-Steering Committee members is always welcomed, but not required.

Hi everyone,

I apologize for any inconvenience. Due to a timing issue with one of our departmental partners, I need to change this meeting **this coming Wednesday 1/23 to 9:00 AM.**

I hope everyone can still make it. Please RSVP and let me know if you have any questions/concerns.

Thanks!

Hi Norma and Megan,

Hope you both had a lovely Thanksgiving. Sorry to bother you on a holiday weekend.

The annual Hollywood Blvd holiday lights have been installed but are only half working. The Hollywood Christmas Parade is tomorrow at 4pm and the lights need to be active in time for the parade.

CCing Kerry Morrison with the Hollywood BID. Kerry - can you please provide a map of the locations that are OUT, as well as any other pertinent information you have.

Norma and Megan - many thanks as always for any help you can provide.

Available by cell if need be 323-383-1327

Thanks,
Dan

Hi all, Dan, thanks for responding over the holiday!

I drove by this evening and saw that the holiday decorations have been installed, but are intermittently lit. I am attaching a map that my colleague Rich sent to the installer last week — but as I was driving, I cannot isolate exactly which ones are lit and which are dark. Is it possible to have someone ensure that there is power for all that have been installed in time for the parade tomorrow?

So very sorry for this late notice on a holiday weekend!

Hi Frankie,
Can you fill this out for me to the best of your abilities? It looks like we will get the green light for holiday decoration installation, but in a different section along Hollywood Blvd. These are the alternate 19 poles we are looking to

TO: Security Committee

Since we will be doing a deeper dive on the homeless situation and possible policy responses, I'm passing along some materials for you to familiarize yourself with in preparation for the meeting.

Attached is a report prepared by the City Controller's office last fall about homeless encampments and the ways in which the city can/could respond. This is one of the most complicated things to navigate because of the legal settlement that was negotiated with the ACLU in the Lavan case. Please spend some time acquainting yourself with this.

Second, here are links to some of the more salient articles and editorials in the media from early this year. I have been so impressed how members of our two boards have taken the time to become informed on this complicated issue – and I look forward to a fruitful and spirited conversation tomorrow.

This is a good article that links to several of the salient efforts underway, including tracking HHH progress, the 222 campaign, etc. I'll give you a bit more insight into this tomorrow. Councilmember O'Farrell has signed onto the 222 pledge and we should take a careful look at potential sites for supportive housing in the core part of Hollywood. (He has been a terrific champion in this arena.)

Hi Dan,

Tonight is a more laid back event. Nothing strict timeline wise. Having said that, here is what I have planned:

5.00 pm – arrivals and coordination at the South West corner of Hollywood and Vine

5.10 – 5.15 pm – Start with introductions and background on the project

5.15 pm – Councilmember can say a few words

5.20 pm – Artist can say a few words

5.22 pm – Jeff Loeb can say a few words

5.25 pm – We remove the cloth, revealing Elizabeth Taylor!

5.27 pm – Bows to riotous applause 😊

5.28 pm – Walk over to the Pantages Theatre

Since the Councilmember has to leave at 6.00pm I don't think he'll have time to say anything unless he would like to before he leaves.

Let me know if you

Greetings Cory and Mike,

Next Monday at 3 p.m., the members of the TDOZ will be meeting. These are the owners between Orange and McCadden. In the new BID, they are paying an additional $250,000 on top of their regular assessment to pay for whatever services they need. This will be an organizational meeting in preparation for their election of a steering committee in November.

I've invited David Giron in to brief them on the situation with the sidewalk vending ordinance. I'd like to make some time on the agenda for you as well, if there is anything you want to raise with them with respect to public safety in that very specific zone.

Trash compactor

Kerry Morrison <Kerry@hollywoodbid.org> Tue, Jan 15, 2019 at 10:46 AM
To: [redacted]
Cc: Dan Halden <daniel.halden@lacity.org>, [redacted] Errol Roussel <errol@kitchen24.info>, Rich Sarian <Rich@hollywoodbid.org>

Jackie - I've been doing some research on trash compactors - a potential solution for the Cahuenga alley neighbors — and perhaps even a pilot to show a positive vision for how trash can be efficiently and economically handled in this increasingly dense neighborhood.

Tomorrow we will meet a 4 p.m. at Kitchen 24.

The gentleman we wil be meeting with, Tom Reiman, has a lot of experience installing compactors in LA. He's done them in Old Pasadena - where their alley system is contingent upon a clean trash solution, and recently along an alley in Highland Park, in the 5900 block of Figueroa. His company also does them for Mimi's Cafe's throughout the country, and he recently installed one at the Mimi's on Los Feliz Boulevard.

When he comes tomorrow, we will look at the site (I already sent him a screen grab from google maps) and he will tell us about how this works.

I sent him info Errol Roussel had provided me (Errol owns Kitchen 24 and has been doing yeoman's work these past several years coordinating the trash dumpsters and paying the bills to Athens - for which he's been shorted by a few businesses, but that's the topic of another meeting). If we didn't have Errol's conscientious stewardship of this shared problem, I cannot imagine what state the alley would be in!

I am hoping that once Tom looks at this, and determines what is necessary to service 13 businesses, the outcome would be less expensive than what is currently the case. Plus, it will be hygienic, rodent free and more attractive.

Jackie, you and I should talk off line about what your expectations would be to rent this lot to someone who would manage the trash solution. The owners will have to pay these costs:

1. Monthly rental toward the compactor (we will learn more about that on Thursday, but it could be in the neighborhood of $250-ish a month)
2. Monthly Athens bill
3. Monthly share of rent of the parking spaces
4. Monthly share of someone to administer this

Right now, the bill is about $4600. Divided among the 13, that is $350/month to Athens.

We are looking at the possibility that the OWNERS would buy into this solution, and pass the costs to the businesses. That way, Errol won't get stiffed when a business doesn't pay, or leaves Hollywood. The owner should pay for the trash regardless of whether or not the business is occupied.

I know you will be going out of town after this meeting - and you said I could coordinate with Eric. I wanted to give you a heads up on what I've learned. I think we all will have a much better sense of what is possible when we meet with Tom Reiman on Wednesday.

Hello friends,

I just got back from Montana, and see there has been quite a bit of action while I was gone. I have some questions and want to coordinate. Ana, I know Leron is on vacation.

Can we set up a conference call to discuss this? I think it could take 20 min.

Here are some times:

Wed Aug 1 – anytime

Thurs Aug 2 11 a.m

Please let me know ASAP and I will set this up.

Hello, BID and Chamber folks,

I hope you are well. You should already be aware of this pending work, but I wanted to double check and make sure you and your community are aware of **upcoming construction on Selma Avenue this summer.**

Please see the attached notices in English and Spanish. The City and its contractor, Comet Electric, are completing work on a **"Safe Routes to Schools"** pedestrian safety project on Selma Avenue. Improvements will be made to the street including upgraded curb ramps, sidewalks, curbs and gutters, sidewalk extensions, etc.

Work will begin **this Monday, June 11, 2018,** and will last until approximately Tuesday, August 14, 2018. The work has been specifically scheduled so it takes place during the summer, when school is not regularly in session.

- During the first phase of work (approximately five weeks), construction will take place on the **NORTH** side of the street, and **Selma Avenue from Las Palmas to Schrader will be one-way, eastbound traffic only.**
- During the second phase of work (approximately five weeks), construction will take place on the **SOUTH** side of the street, and **Selma Avenue from Las Palmas to Schrader will be one-way, westbound traffic only.**

Please note that **all driveways on Selma Avenue will be accessible during construction,** and safety signage and personnel will be in place during the construction. Side streets like Cherokee Ave and Schrader Blvd will be impacted during the project; we ask for your patience and understanding during construction.

I'm CCing Abdullah Sadozai and George Huang from the Bureau of Engineering, and Louis Perez from Comet Electric. All three gentlemen, in addition to myself, can assist with any questions or issues that need to be addressed.

Please make sure you distribute this information to your community, so that all Hollywood stakeholders are aware. :)

Thank you,

David, I need to pull the Tourism District Overlay Zone together for a meeting later this month, to begin to prepare them for a vote they will conduct in November to determine who will serve on their Steering Committee.

At this meeting, I'd like to have you come in and brief them on where we are with street vending, 56.11 and first amendment. Recall that this group will have $250K in their budget for 2019 – and they will be considering the most effective use of these supplemental funds to benefit that zone.

Would you be available any or all of these dates, and I will set this up:

Wed Oct 17 at 10 a.m.

Friday Octo 19 at 10 a.m.

Monday Oct 22 at 3 p.m.

Mond Oct 29 at 3 p.m.

In one of the photos, you can clearly see they are violating the 36-inch rule by not allowing enough room for people in wheelchairs or pushing strollers to get by. Yet, no one from BID or LAPD seems to ever enforce this particular ordinance violation (if it still is one; the laws/policies seem to change so fast it's hard to keep track of).

As noted to you before, one of these homeless people threatened my life in May, they continually trespass onto our property, illegally dump on our property, urinate on our property, defecate on our property, throw bottles filled with urine on our property, throw used tampons on our property, tie bags of trash to our chain-link fence, leave piles of trash on the street. Our clients are sacred to walk on the sidewalk past their encampment. Our clients are now being HARASSED by people in this encampment. The encampment clearly violates city laws/ordinances about leaving enough clearance on the sidewalk for people with strollers/bikes/wheelchairs to get by.

Hi Kerry,

Can you help me and Dave make sure that CM O'Farrell is A) signed up to participate in the Count on 1/24, and B) has a speaking role in Hollywood? Not sure who the organizer is this year...

Thank you!

Andrea, see below.

Councilmember Mitch O'Farrell want to make sure he is signed up to participate in the homeless count. And, on that evening, during the instructions phase, he would like to say a few words to the assembled group. Can you facilitate that in the scheduling of the evening before people go out to walk?

I am copying his Hollywood deputy and scheduler on this email.

Thank you for all your efforts in preparing for this!!

Gentlemen,

We would love to have the Councilmember help unveil the utility box on Hollywood and Vine for this event. It's Elizabeth Taylor's and was installed yesterday if you have the chance to check it out. We're working on press and celebrities as well. Your presence is also requested for what is sure to be an amazing evening! Details below.

Please let me know if the Councilmember would like to be one of the "unveilers". Also, anyone else from the office is more than welcome to join!

Thank you,
Rich

Hi Dan!

I was looking through the final mark-up set for Wayfinding from Hunt Design. Two of the signs are to be placed at the Schrader City parking lot and I have attached the page with all the info. What are your thoughts on these signs being installed, and/or should we have them fabricated and saved for a later installation date?

Interesting question! That is of course the lot where the City has proposed to build the temporary bridge housing. It is not yet an approved project, so I hesitate to make a final decision, but given the proposal, can we HOLD on fabrication for now and then cross the bridge once again depending on how Council decides to proceed with the project proposal?

Also, do you know how many signs are planned for the other City parking lot - the larger one - up Schrader? (The "Wilcox/Schrader" lot across from the LGBT Center.) That is also proposed to be turned into housing, although there will continue to be public parking underneath.

Thanks,

To: "daniel.halden@lacity.org" <daniel.halden@lacity.org>

The Good News

1. Apparently there is interest to get this done by June.

2. LADOT has determined that the project can be processed though the less onerous 'preliminary engineering' method rather than a formal 'full construction' approach. This is very good news.

3. Using our drawings and specs Conduent (formerly Xerox State & Local), the City's parking systems vendor, has been soliciting bids from good contractors and is closing on a vendor.

4. The all-in price will likely be in $390,000 — $410,000 range, NIC the electronic signage at the entrances to parking lots and structures (not a BID issue).

5. The City, through Conduent, has provisionally agreed to pay for fabrication and installation for about 60 of the proposed 83 wayfinding signs, or about $280,000. These signs are located within the original project boundary set into Conduent's contract by LADOT in 2016.

6. The cost for the remaining 23 signs will be the responsibility of the BID. About $95,000.

7. However, 7 or so of these 23 signs were added to the program at the request of Metro, so there should be some Metro money to further reduce the BID cost. Note that exact numbers are going come along later. We will start the conversation with Metro.

8. The procurement will be executed 100% by Conduent; they will then be reimbursed by the BID and, hopefully, Metro, for their portions.

Still to Accomplish

9. LADOT has still not received comments from CalTrans environmental/historic structure review. Expected within 30 days. Is not known at this time what action will be needed. Hopefully little or none.

10. I don't think we, or the BID, has final sign-off from the Trust. We had adjusted a few WoF locations at their request.

11. There still may be review from Bureau of Street Services (BSS) and Bureau of Street Lighting (BSL). In Westwood this was needed but was not a big problem — may be handled/coordinated by the vendor.

In Conclusion

The BID should go to work assembling the $95K; if this goes well the money would be needed around June. Right now we do not need any 'push' from CD 13 — let's see how this shakes out in the next three or four weeks.

Here you go:

- Hollywood is one of the premier travel destinations in the world, and it just got even more welcoming! The Hollywood Entertainment District is pleased to be part of the cooperative effort to bring new signage to the neighborhood to enrich the visitor experience.

- The first wave of signs are already making it easier for pedestrians to find their way around the Hollywood, with directions to local attractions, public transportation and other areas of interest in the Entertainment Capital of the World.

- Future phases of the Hollywood Wayfinding Signage Project will see map kiosks, wayfinding signage directed towards vehicles, and new electronic variable message signs.

- The design of the new signs hearken back to the Art Deco era of Hollywood, with a modern touch.

- The project has been a cooperative effort of the Hollywood Entertainment District business improvement district, the Hollywood Chamber of Commerce, Councilmember Mitch O'Farrell, the Hollywood Historic Trust, LADOT, and the County of Los Angeles.

- The Hollywood Entertainment District is a business improvement district (BID) that works to help deliver a vibrant experience in the entertainment capital of the world. Funded by local property owners, the BID supports beautification, street cleaning, security services and homeless outreach in Hollywood. Learn more about Hollywood at www.OnlyInHollywood.org.

Hi Gil,

Hope all is well! Dan forwarded me your email about the Wayfinding Signage in Hollywood and the Montalban. Though the Montalban is on the map, it isn't listed on directional signage. I have since been in talks with the sign fabricator and they can add the Montalban to the nearby signs. I will keep you posted on their efforts and let you know when it's been added.

I would have to give this some thought. It's not something that we can do ourselves, and we're trying to get out of the business of fundraising – which is how we've produced all our events to date, but our new CEO does not think that is a good use of our time. It is very challenging – I know that! Most of our events are produced for under $15,000 – some are even done on about $5000 or less. So I don't have experience fundraising on the level that you would need.

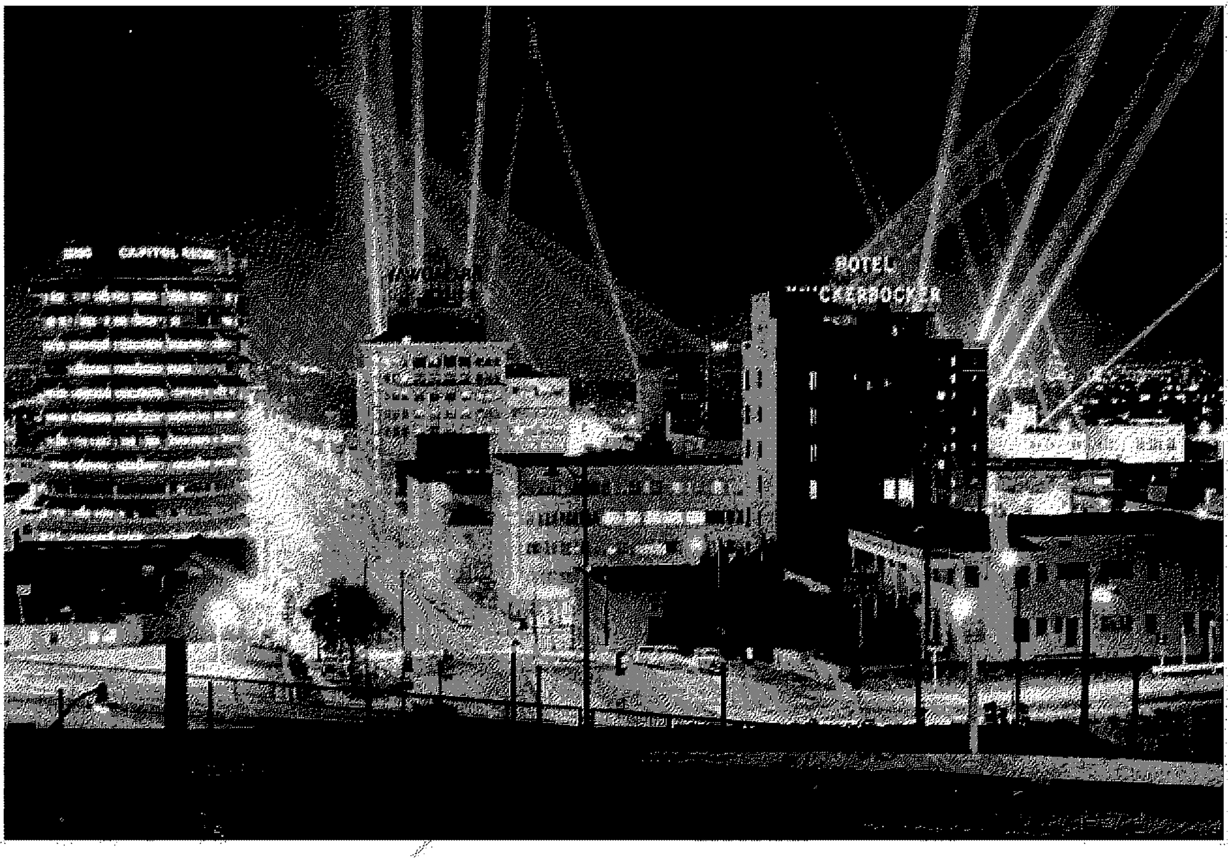
Hollywood Entertainment District
Lighting Master Plan



CAPITOL
HOTEL
CKERBOCKER

Request for Proposals
April 26, 2019

Section One: Summary

The Hollywood Property Owners Alliance (HPOA) is seeking to contract with an experienced lighting design company to develop a comprehensive lighting master plan for the Hollywood Entertainment District business improvement district (BID). Following a successful pilot program which introduced festoon lighting installed over the street along Cahuenga Ave. between Selma Ave. and Sunset Blvd., the BID in conjunction with local partners, government, and property owners are interested in developing a lighting master plan (PLAN) that captures the theatric allure of world-famous Hollywood, California, highlights its historic features, responds to Hollywood's various contexts and sub-district identities, and elevates the perception of safety within the BID.

Section Two: Submittal Instructions

A digital copy of your proposal should be submitted in PDF format by 5 p.m. May 24, 2019, and directed to:

Hollywood Property Owners Alliance
Kristopher Larson, President & CEO
kris@hollywoodbid.org

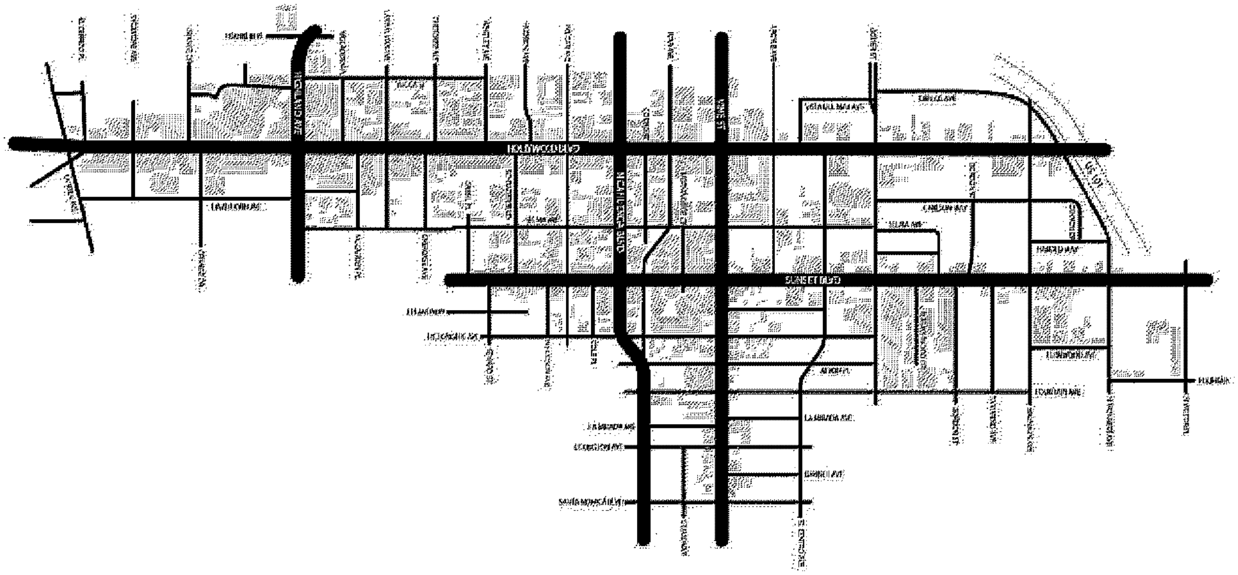
Qualified vendors are encouraged to send an email ASAP indicating their intent to submit a quote or proposal.

Faxed submittals are not acceptable. Late bids are not acceptable and will not be considered in this process.

Any questions regarding this Request for Proposals (RFP) should be emailed to Kristopher Larson at kris@hollywoodbid.org. Answers will be forwarded to all vendors whom sent an email indicating their intent to submit. Phone calls and other solicitation discouraged.

Proposals should include: Project understanding and approach, firm profile, portfolio of three (3) exemplary projects, proposed scope, cost, and vendor availability / timeline for completion. Brevity is encouraged.

Section Three: Area Description and Intent



The HPOA, a 501(c) 6 organization, is responsible for the administration of the BID. A map of the district is included above. Generally, the BID is bounded by La Brea to the west, Yucca to the north, US101 to the east, and Santa Monica to the south. As shown in the map above, those boundaries are not hard and fast as the BID is shaped more so as an inverted triangle rather than a rectangle. Any improvements proposed within the PLAN must be located within the BID.

The HPOA seeks proposals from qualified vendors to develop a lighting master plan that incorporates the vision and priorities of area stakeholders and uses lighting installations to advance placemaking, spotlight area buildings and features, enable positive, ambient experiences, and increase overall lighting to improve perception of public safety and deter crime within the BID. To that end, the HPOA is issuing this RFP with the intent that upon review of all submissions, a vendor will be selected to enter into negotiations, resulting in a contract for services with options to advance individual PLAN components in accordance to HPOA's desired implementation timeline.

Section 4: Scope of Services

The Scope of Services shall include:

A. Evaluation

1. Vendor will become familiar with current conditions of the site and surrounding areas. This will be best achieved by the Vendor visiting the project areas by day and by night to evaluate the streetscape, adjacent building facades and people/usages.

2. Vendor will create a photo documentation of the site area by day and by night.

3. Vendor to document the existing street lighting on each street and block to identify inconsistencies.

4. Vendor to document streetlight light levels and types of lighting currently installed.

5. Vendor will identify and review the latest City requirements and lighting-related documents.

6. Vendor will identify buildings with façade lighting potentially eligible for LED lighting improvements / upgrades through programs available from LADWP.

7. Vendor will engage with stakeholders within 3 special focus areas to develop and understanding of area opportunities, challenges, and history. HPOA shall select special focus areas and coordinate stakeholder engagement efforts.

B. Master Plan Development

1. Based on the site analysis evaluation, Vendor will develop a lighting existing conditions report on a street by street basis for those streets located within the BID.

2. The analysis will include streetlighting, façade lighting opportunities, building signage lighting including building surface LED signs, up-lighted signage, roof lighting, digital billboards, klieg lights, illuminated pylons, and parking lot lighting.

3. Vendor will create a Good Neighbor report with guidelines and general recommendations (possibly to be circulated to adjacent building owners).

4. Vendor will develop a PLAN that includes recommendations and for improvements from existing conditions plus 3 special focus areas which include

area renderings following proposed lighting improvements. Special focus area recommendations shall also include initial feasibility analysis and implementation cost estimates. PLAN shall also include conceptual lighting design, renderings, and budget options for three (3) historic facades located within the BID. HPOA will select the three facades.

5. Vendor will review the Master Plan report with the Client.

6. Vendor will provide a final report revision to adjust to ensure proper integration and coordination.

7. Vendor to attend up to three (3) conference calls/GoToMeetings and five (5) in-person coordination meetings.

Section Five: Evaluation, Budget and Selection Process

Each proposal shall be evaluated based upon all information submitted. **The overall cost of providing lighting design consulting services is one element in the evaluation process. However, *cost will not be the only factor* used to evaluate proposals and select a vendor.**

The budget for the proposed lighting master plan development services is $50,000.

An ad-hoc selection committee (Committee), and ultimately the Board of Directors for the HPOA, will hire a vendor who understands the mission of the BID, the objectives of the program as described herein, and has designed an approach that addresses the unique characteristics and challenges associated with enhancing the Hollywood experience through lighting in the public right-of-way. Additionally, the Committee is interested in exploring innovative approaches to lighting in the BID.

Selection Process / Timeline

The Committee will be established to review and evaluate all proposals submitted in response to this RFP. The Committee will be comprised of individuals representing property owners, partners, government agencies, and others.

The Committee members will evaluate the proposals according to:

- Company experience and expertise in developing lighting plans for public and iconic places,
- Demonstrated ability through comparable project success,
- Proposed scope / project approach,
- Proposed budget, and

- Vendor availability for completing the PLAN in a timely fashion.

If needed, the Committee will invite a maximum of three companies to meet in a face-to-face interview. The Committee, as a result of the evaluation, interviews and subsequent reference checks, will then recommend a vendor for consideration by the HPOA Board of Directors. It is currently anticipated that the HPOA Board of Directors will consider the Committee's recommendation in June, 2019. It is desired that the PLAN development, including final deliverables, be completed before the end of 2019.

Hi Miriam,

There may have been a little confusion re/ using the Hollywood BID office this Thursday. Since we got off track with the regular outreach meetings, we scheduled another meeting in our office this week.

However, beginning in September, we will have this room available for you on the fourth Thursday of the month at 10 a.m.

For August – so sorry, you'll have to find another location!

Where: Hollywood BID Office; 6562 Hollywood Blvd., Hollywood, CA 90028

Greetings Hollywood Outreach Providers:

This is the ***new*** calendar invite for our bimonthly **Care Coordination** Meetings [previously known as "Case Conference/Outreach Collaborative"] – intended for outreach workers & providers that service the Hollywood HUB.

These meetings take place the 2nd and 4th Thursday of every month from **10:00-12:00 pm**.

Locations vary:

2nd Thursday @ PATH

340 N Madison Ave., Los Angeles CA, 90004

4th Thursday @ Hollywood BID Office

6562 Hollywood Blvd., Hollywood, CA 90028

Care Coordination meetings are intended to focus on:

- particularly vulnerable folks
- collaborate on ongoing challenges & barriers
- discussing strategy on Hotspots and Encampments
- outreach / CES updates and developments occurring in the HUB
- collaborate with City and Community partners and members

Please forward to any relevant outreach providers in the Hollywood region if they are not included in the original invite.

If you have any questions or concerns, please let me know.

Thank you!

Hi Team,

So far we have collected 18 trash bags, the majority of which were at the corner of Carlos and Tamarind. I have attached an image of the BID's trash cans that are on every corner of the map that is attached as well. Any trash can that has our logo (also attached) affixed to it is a receptacle at which they can leave their bags.

Please let me know if you need anything else!

Dan, one of my friends who works for Ecclesia (their office is across the street from FPCH on Gower) brought to my attention about two weeks ago that the city had dropped off some big black cans for trash — presumably for that encampment that gathers near the underpass. However, they have not been emptied. Is there someone that could be contacted at LA San — since these are city receptacles.

See below, and you can contact Melissa directly, or give her a number she can call.

Many thanks!

Hi Kerry,

I haven't seen these trash cans emptied since I sent you pics a couple weeks ago.

They smell like something died in them!

Jeff, thanks for setting this up. I really respect the depth of the questions you and Brad are bringing to the table, and coming to answers and plans will help us prepare more effectively for introducing this resource into our neighborhood.

I had a couple take aways today also - -I am going to check with PATH to see if they have some outcomes to share from their experience with the 65 bed Fernwood Shelter – how many individual people did they serve in a typical year; average length of stay; where people ended up afterwards; how many may have come from out of the county, or out of state. Don't know if they have this, but I will check.

I am also going to check with the E-6 and the CES coordinator at the Center team to see if they have metrics re/ the percentage of people they are encountering in Hollywood who come from somewhere other than LA County.

Finally, I am going to check to see what type of access our service providers have to family reunification funds.

Thanks again – LAFH is truly an impressive organization.

Hi Steve,

These look fantastic! We found a few errors. Please see changes/corrections below:

- P1 Map - The font direction of "Fountain Ave" is opposite all the streets it runs parallel to. It is facing the proper direction on P2 MAP, in that it faces the same direction of the parallel streets.
- P1 and P2 Map – The "You Are The Star Mural" (#26) is on the east side of Wilcox. Both maps have it incorrectly labeled on the westside of Wilcox.
- P1 and P2 Map – The key lists #12 as "W Hollywood Hotel" and the map lists it as "The W Hotel". Please change this so both the key and map location read "W Hollywood Hotel".
- P1 and P2 Map – Las Palmas is spelled as "Las Plamas". Please correct all to "Las Palmas".
- P1 and P2 Map – The key lists #11 as "Fonda Theatre" and the map lists it as "The Fonda Theatre". Please change this so both the key and map location read "The Fonda Theatre".
- P1 and P2 Map – The key lists #60 as "Hollywood Roosevelt Hotel" and the map lists it as "The Hollywood Roosevelt". Please change this so both the key and map location read "The Hollywood Roosevelt".
- P1 and P2 Map – The key lists #64 as "Klimpton Everly Hotel" and the map lists it as "Kimpton Everly Hotel". Please correct the spelling and change all so both the key and map location read "The Kimpton Everly Hotel".
- P1 and P2 Map – The "Walk of Fame" stops at the south west and south east corners of Vine and Yucca. On the map, the "Walk of Fame" extends north to the 101 and that is not the case.
- Can we remove the "City of Los Angeles ATM machine" listing and dollar sign logos entirely from the map? The ones listed are mostly in banks and technically the City of Los Angeles, to my knowledge, does not have their own ATM machines.

Thank you and please feel free to call me if you have any questions.

Hello Rich,

Attached is a PDF of the updated P2 Pedestrian Directory Map artwork (both orientations) for your review.

We corrected and added the changes you had requested based upon your emails (as shown below).

Again as a reminder, the "You Are Here" locations are shown as a "star"/circle graphic

and only one per map location will be shown.

NOTE: Just so you know, we ended up removing the "You Are Here" location (next to the Hollywood YMCA),

since sign no. P2-26 will not be installed at this time, which also tied in with removing the "P" on Schrader.

Also, once the map artwork is approved by the Hollywood BID, then we will release it to TFN.

Thank you,

Steve Hernandez | Technical Designer

Hi Steve!

I have a couple of additions and to answer your questions, it is best to move forward with removing the "P" on Schrader because that lot will be closed for a few years.

Also, Is it too late to change the following?

The map has it listed "The Montalban Theatre" when it is actually "Ricardo Montalban Theatre" CORRECTED

The map also has listed "The Hollywood Museum" and it is actually "The Hollywood Museum at the Historic Max Factor Building" CORRECTED

These are last minute suggestions, so we completely understand if it is not possible to change them.

Thank you!

Hi Steve,

I have attached a mock up with the notes from the BID. Here are the notes and please feel free to call me to clarify:

1. Please remove the "P" on the Schrader area in red. DELETED
2. The Dolores Del Rio Mural is spelled wrong and on the map it is "Delores Del Rio". The proper spelling is "Dolores Del Rio" CORRECTED
3. Can you add the newly opened "Kimpton Everly Hotel" that is on Argyle and Yucca in red on the attachment? ADDED
4. Is there a reason we have the building on the southwest corner of Hollywood and Vine on the map? I can't think of a reason to have it there, so please let me know. DELETED
5. Lastly, there will no longer be a "Sunset and Vine District" in 2019 as the two BIDs have merged. Can we remover that from the map as well? DELETED

As for the trees, we're still waiting on our landscaper to finalize the plan. Is there a deadline of when we need to have these planted by? Let me know and we will try and make that happen asap.

Good morning Rich,

I wanted to follow up on a few items from our past meeting regarding the pedestrian improvement project at Hollywood:

- Available tree wells: Do you have a list or map of available tree wells where you'd like us to plant our trees? I have identified several wells along Hollywood and some of the cross streets. If you have a list of priority wells that the BID would like to have occupied, we need that information soon. I could work with an address list, or even a screenshot of google maps with these wells called out with arrows.

- Benches: During the meeting, we discussed delivering 3 benches to BID in lieu of installation. Can you let us know where to drop off these benches?

Thank you Rich,

Sean

Thanks so much for this introduction, Jeff.

Christi - Dan Halden with CD13 / Heart of Hollywood is also passionate about lighting and is partnering with us to advance more lighting projects along Hollywood Blvd. We look forward to learning more about what you've already studied!

Christi, I mentioned to Kris Larson, new Ent BID Pres/CEO, the work the Trust did in the past on the subject of lighting along Hollywood Boulevard. He and Rich Sarian of the BID have been working on a Cahuenga corridor lighting project, and I think it would be good to get together and share info, in particular the study you had an intern do awhile ago on some of the infrastructure issues and the like.

Can you send us all a copy of that study and let us know some dates to get together briefly so we know what they are learning via Cahuenga and what we learned earlier about Hollywood Boulevard? Definitely a project worth of collaboration and the BID has made some real progress already.

Greetings friends, here is a cut/past of the email I received last week on this topic. Thank you Maureen for making the conference room available, and I understand that Jim will be there representing Capitol Records. I'll have a list ready to give to your security earlier that week and will work with Jim.

Dear Kerry,

On September 30, 2018, the LA Phil kicks off its centennial season with **LA Phil 100: Celebrate LA!** This free city-wide celebration will stretch from DTLA to the Hollywood Hills, from morning into the night. Walt Disney Concert Hall will be connected to the Hollywood Bowl with CicLAvia, LA's own open-streets festival. Created in collaboration with hometown innovators Community Arts Resources (CARS), this massive festival of music and performance features neighborhood pop-up stages and the best musicians and artists from every corner of the city. And it's all capped with a huge free concert at the Hollywood Bowl, featuring Gustavo Dudamel, the Los Angeles Philharmonic and very special guests.

I would like to reach out to you and key stakeholders as early as possible to explore how this program can contribute to the Hollywood community and have a positive impact as well. The event will take place on September 30, 2018 from 9 am to 4 pm. CARS together with the LA Phil are planning to produce a small "festival" including an outdoor music and dance stage with other cultural offerings. We would like to hold this festival on Vine Street between Hollywood Boulevard and Yucca. This festival will be at the most northern end of the still in planning CicLAvia route that will connect Hollywood with the Walt Disney Concert hall downtown.

We are also planning a bus shuttle service from this site for those participants who would like to visit the Hollywood Bowl. Shuttles will leave from a designated point (to be determined) and will be running continuously during the event hours.

I hope that we might be able to meet with you and any key stakeholders that you think would be appropriate in January of 2018. We would be happy to come to Hollywood, preferably near the site, to have this meeting.

For a teaser, here's a short one minute video of the highlights of the Celebrate LA! day being planned: https://www.youtube.com/watch?time_continue=2&v=1xveUsp0rxU

I look forward to working together with you on this very exciting project!

Sincerely,

Aaron

Beth, it would be the Department of Building and Safety. A phone number would be 311, or the direct line is 888 LA-4BUILD to request an inspection.

You can also enter the address on their website here:

I've cc'ed Dan Halden with the council office if you have any additional questions.

Hopefully this is just temporary.

Jackie, I received your message. (Copying Dan Halden from the city council office.)

Can you please provide another representative from your property to attend this meeting on December 11 at 9 a.m.? We are securing each of the four property owners to meet with us (will include city attorney, LAPD, city council deputy) as there are issues occurring in that alley, and on your parking lot that is under lease, that are causing neighborhood complaints. We want to get this figured out in a harmonious way – and the only way we can do that is to have everyone in the room.

Please try to rearrange your schedule or assign another person to come. We won't hold this meeting until everyone is in the room. I'll give you a call later today to discuss!

Hi David,

Looping in Sean Starkey; please include Sean on all EaCa Alley correspondence. :-D

Why don't we set up a time when you're back for us all to discuss? The week of February 11th. I'll be out that Monday, but back on Tuesday the 12th.

Let me/us know. Thanks!

Dan,

Kerry gave me the update below. This is a huge responsibility for Jose and I to take over that problematic parking lot but we're only willing to do it if we can get the gates up. Otherwise we are basically adding a huge headache with nothing positive to show for our efforts. Let me know when you can discuss. I think Kerry has done a great job setting this up, now we have to collectively figure out how to close all the loops.

I am in town but leaving next Monday for a week.

David, Errol and I had a very productive meeting with Jackie Duffie today. We explained all the progress that has been made in the alley – calming things down, cleaning things up. Errol presented the trash solution. She is very supportive.

I am sending along my handwritten notes – because what matters is the schematic of the parking lot with 16 spaces (Errol and I went out to count and confirmed this). What is envisioned here is this:

1. When the lease between Kumetz and Aziz comes to an end, she is willing to lease to you. She needs to check to see when that will be – but if Aziz is willing to relinquish his lease in advance of the expiration date, this could be moved along quicker. That is probably something best negotiated between you and Aziz, and once that is confirmed, talk to Jackie.
2. At a cost of $100/space per month, as the diagram shows, three would be rented by the Trash Collaborative, seven by you (not sure why I put "C" there), and the remaining 6 would be available to Jackie's tenants ("J"). That said, the lease would be $1,000 a month, and the Collaborative would pay you for the three spaces needed to access the trash compactor.

Calming down that parking lot (and removing the incentive to use it for valet parking and/or parties) should go a long way to appeasing Dr. Anthony. I had a productive conversation with him yesterday, and he can see there is visible progress. Ultimately, when the parking deal is consummated, I would recommend Errol and Dan go meet with him. If push comes to shove, and if I am still here in Feb, I could help. But, I think we are on a good course.

The ball is in your hands right now to work on the details of the lease. Good luck!

Kerry

Good morning Joseph and Kerry,

Per the last meeting held at the BID office on Friday, January 12, 2018, I would like to connect you with Lt. Gonzalo Barriga and Supervisor Steve Pedersen with our L.A. Sanitation Department.

Gonzalo and Steve have ordered the special trash bags marked "trash/Basura" and would like to meet with you and discuss the distribution and collection of personal trash from sidewalk tent dwellers.

I am afraid that I do not have contact information for the SLO, but please feel free to invite him to this meeting as well.

Thank you all!

Hi Katie,

I am no longer on the street closure committee; April (cc'ed here) now handles that and maintains Navigate Hollywood. I checked with her, and she said the event at the Chinese last night was not brought before the committee nor was it permitted to close the street or sidewalk. However, she happened to be walking by there last night and said it was some sort of country music event with live performance and filming, and that it did completely block the sidewalk and she had to walk in the curb lane to get by. She said she thinks there may have been traffic cones in the curb lane too. So, you would have to check with the Chinese Theatre or the council office – I've cc'ed Dan to this message also, so he can see what happened.

Thanks,

Devin

Hi Devin,

Great seeing you at yesterday's meeting!

Quick question- do you know what event/premiere and street closure closure took place on the Boulevard yesterday and last night between highland and Orange?

I believe it was something at the Chinese, but can't recall what it was. Maybe you have record of it from Navigate Hollywood?

Many thanks!

Hi Kerry,

Thanks for the response.

I attended the presentation that the Coro Fellow provided. I think alternative are with exploring. Having said that, a HCM will news review by OHR. That conversation will happen we just aren't ready to have it yet until the consultant is brought on board.

I would like to share that presentation with the consultant once we get to that point.

Hi Kerry,

Yes, it has been discussed and will likely be discussed as we continue. The challenge is that the Walk of Fame is a historic cultural monument (HCM) and it presents challenges when we want to modify it beyond the current scope. Having said that, we are looping in the Department of City Planning Office of Historic Resources (OHR). The BID, CofC and Trust, of course, will be looped into the conversation once we get rolling on this. Right now we are handling all the boring accounting stuff.

Are you aware of the motion that was presented by the office for improvements/repair of Hollywood Blvd? This was using excess CRA/LA bond funds.

Hi Kerry,

I hope you are well.

I am so embarrassed about not getting back to Frank. I started looking into this after I received the email with the attached letter and got side tracked. At any rate, I learned that the planner that originally handled the case for Blvd 6200/Eastown has since retired from the City. Department of City Planning staff is going through the file to see if the entitlements conditioned the community benefit and, if so, what triggers them. It is not unusual that community benefits are payable prior to the issuance of a certificate of occupancy (C of O). The C of O for this project has not been issued. The other factor for this is that there is a separate agreement for the offsite signage for the. Funds may also come from that site. I followed up today and they are getting back to me. I will update you.

I will also try calling Frank back. I attempted earlier this afternoon but his voice mail box was full.

Again, my apologies!

Craig

Hi everyone,

I'd like to arrange for all of us (CD13, CD4, SD3, BID, Bowl) to have lunch in Hollywood to share some ideas I've had, and brainstorm possible others, regarding traffic and events in Hollywood - the Bowl and the Blvd. Obviously this is separate from the advisory committee meetings; I'd like to be able to touch base with all of you separately and see what we can come up with.

Let me know if you can meet in Hollywood for lunch on Friday, July 13th.

Thanks!

Kris,

My name is Andrew and I'm an artist that lives in Hollywood. I'm reaching out to see if you have any utility boxes in the area that need of painting? I have a few in the works with CD4 at David Ryu's office but I've had issues figuring out who to contact for CD13. Here is a link to the one I recently completed in Hollywood. I also would love to paint some murals in the area as well. No worries if you don't have anything, just keep me in mind for future projects.

Thanks for your time,

Dave, thanks for this list. We will get started on this next week. July 20 might be a bit ambitious – it depends upon whether I get snagged into jury duty next week.

I'll circle back on a potential date after I know my status next week.

Hello all,

I want to start by saying thank you to everyone for the work you have done to make the opening of the Schrader Bridge Home site a success. Now that we have completed outreach, construction, and a month of successful operation of the site we feel that this weekly conference call is no longer needed.

Many of the topics we have been discussing overlap with the conversations that are currently happening in the weekly UHRC meeting and we want to make sure we are not taking up valuable slots on your already full calendars.

Dan and I will always be available to answer questions and assist in anyway possible. We also will not hesitate to reach out if there is something we need help with, as you have seen over the last 12 months.

With the site up and operating we realize the most important steps are still in front of us, finding long term housing solutions to our neighbors that need the most help. We have great faith in both PATH and the Center that they will do a great job and make a lasting change to Hollywood. None of this would have been possible without your assistance.

On behalf of Councilmember O'Farrell, Thank you!

Recurring Coordinated Conference Call re: Schrader Bridge Housing - OUTREACH

Hi everyone,

Now that the 1533 Schrader Blvd bridge housing project is under construction and we are in the "90 day/30 day" period, I am setting up a weekly "check-in" conference call to discuss outreach strategies, and to allow all agencies an opportunity to share information and coordinate.

This will be an opportunity for everyone to get on the same page and everyone is swimming in the same direction. The goal, of course, is to identify 70 individuals currently experiencing homelessness who will be able to move in to Schrader when it opens, ETA mid-January. I also want to make sure that our office is staying in touch with all of you, and monitoring the pulse of the area, throughout this period.

I am asking for the following agencies and entities represented on this call:

Mayor's Office
CD13
LAPD
LASAN
Park Rangers
LAHSA
PATH
The Center
Hollywood BID

Reception for Kerry and Leron

Cc: Dan Halden <Daniel.Halden@lacity.org>, [redacted] "Shahenian, Nicole" <Nicole@hollywoodchamber.net>

Hi Don,

As you probably have heard, both Kerry here at the BID and Leron at the Chamber are leaving their positions in the coming months. Both have helmed their organizations for over two decades, seeing Hollywood through some of its toughest time and biggest transformations. We are planning an event to honor both of them, in conjunction with Councilmember Mitch O'Farrell and his staff, including Hollywood Field Deputy Dan Halden who is cc'ed here. We wanted to do a reception at 11am on December 13, and our first choice would be at the Roosevelt. It would be a very brief reception, perhaps with a champagne toast and some speeches, before we head out on a bus to visit a couple of places where Kerry and Leron will receive lasting recognition.

Let me know if you think Roosevelt would be able to host us, and what the cost might be. Thanks so much!

Friends,

Tomorrow is the big day with the official community celebration of the NEW Hollywood and Vine Scramble crosswalk!

Please join us **tomorrow, Thursday 7/12, at 1:00 PM.** We will actually be gathering **in front of the Metro Red Line Station at 6250 Hollywood Blvd.** There will be a brief speaking program followed by the ceremonial first ***dance*** across the crosswalk, in partnership with dancers from the hit musical *On Your Feet!*

Let me know if you can attend. See you tomorrow!

Greetings,

This is a reminder that we are planning to meet tomorrow to discuss issues related to the use of the north section of the EaCa Alley.

Tuesday, December 11 at 9 a.m.

Thank you to all of you for agreeing to come – Dan and I thought it would be best if we had all the property owners together at one time, so that we can discuss how to move forward with a plan that respects all the needs of the owners in this section of the alley with respect to parking, access, trash removal, safety, noise, etc.

As you know, we started this discussion around the prospect of gating the alley, and that won't happen until there is agreement about the use of the alley in general. I hope this will be a constructive conversation.

Here is the address to the St. Anthony Medical Center and Dr. Anthony has graciously allowed us access to his conference room. If anything has changed and you are unable to attend, please let me know ASAP. Here is the address:

6368 Hollywood Blvd.

Come to reception area on 2nd floor.

Thank you – and I look forward to seeing you tomorrow. I'll also send out a calendar invite for those who prefer this.

Request for exemption from alley assessment -- Meet 3 p.m. April 19?
2 messages

Cc: Daniel Halden <Daniel.Halden@lacity.org>, Chad Lewis <clewis@klein-financial.com>, "john.tronson@avisonyoung.com" <john.tronson@avisonyoung.com>, Rich Sarian <Rich@hollywoodbid.org>

Dave and Aziz,

I received your letter in the mail on Friday relative to the alley assessment and the request for exemption of your property.

Thank you for taking the time to put your question in writing and submit your revocables.

As you know, the staff's interpretation of what constitutes the appropriate revocable permit to be exempt from the alley assessment is different than yours. To that end, I'd like to broaden the discussion, because I don't feel authorized to make this decision on my own. I'd like to include John Tronson, who was chair of the BID Renewal Steering Committee ten years ago when the alley assessment was created, and Dan Halden, because of his understanding of this alley asset for the city, and the range of revocable permits that can be issued by the city. I'm also copying Chad Lewis, chair of the HPOA.

I appreciate that you have both signed your petitions, and we can move forward, as there is a lot on the table to try to get this BID formed. However, if the group's assessment (or the board, if that is required) is to exempt your properties from the alley assessment, we can pursue a refund.

I know Dan is out of town for Spring vacation, and I'm thinking that with Chad's travel schedule, that perhaps we try to hold a face-to-face meeting just before the next board meeting on April 19.

Let me know if that is acceptable to you, and I'll work on everyone's schedule, and see if that would be a good time.

Kerry

Greetings Committee

Next week I will be at the CDA conference in Walnut Creek. Since I will be out of town, I checked in with the co-chairs of the Security Committee and recommended that we delay until the end of the month and make this a special committee meeting.

I am working on a position statement for Hollywood – with respect to what we are asking of the city vis a vis the homeless situation. Here is a description I laid out to both boards last week, after the LA Times' editorials on this topic:

> Meanwhile, I am working on an issues brief – I've been thinking about this quite a bit. I am encouraged that both boards have indicated a willingness to consider supporting initiatives to provide alternatives to ease the current encampment crisis in our neighborhood. I think the Hollywood business community has the potential to show the rest of the city how to be a partner with the city and the county in this new era (until the crisis abates). I have heard from you that you are willing to look at storage, temporary shelter (while we wait for a permanent shelter to be constructed on Vermont, which could take up to two years). I also think we should be actively looking at sites for HHH housing opportunities. You may have seen that there is an effort to secure the pledge of each council district to support 222 units of HHH housing in their district – in order to create a city-wide momentum on this (and forestall the influence of NIMBYs).
>
> http://herbwesson.com/unprecedented-homeless-housing-commitment/
>
> https://la.curbed.com/2018/2/21/17036870/los-angeles-homeless-housing-development-citywide-pledge

I will bring these ideas to the Security Committee for them to consider – and then their recommendation to both boards. I think it is going to be incumbent on the business community to lead in this area in order to stimulate urgency.

I hope to have this ready for your review by the end of the month.

So – the date for the Security Committee will be changed to **Wednesday March 28 at 10 a.m.**

HPOA Search Committee - Interviews

3 messages

To: Dan Halden <daniel.halden@lacity.org>

Hi Dan,

The board has hired Berkhemer Clayton as the executive search firm for ED/CEO candidate.

One of the next steps for the firm is to conduct stakeholder interviews - the search committee has recommended both you and Councilmember O'Farrell. I will be working with them to provide contact information to schedule either in person or phone interviews.

I have your information - what is the best way to schedule the Councilmember?

Let me know and I will pass along.

Best,

Subject: HPOA Use of 3 Spaces on Level 2A

Rich:

As per our conversation yesterday, HPOA will be allowed the exclusive use of three (3) parking spaces in the northwest corner of Level 2A of the Cherokee parking garage as outlined in the attachment. HPOA will restore the electric outlets at the two spaces along the west railing at its own expense to be used for charging of its vehicles only. All other HPOA vehicles not including private cars owned by HPOA staff, must be stored on the upper roof level. All vehicles in the garage should be kept clean, free of leaks, and may in no way restrict public flow and access to parking in the garage or encroach onto or block off any other parking spaces. At no time may HPOA use more parking spaces than number of monthly parking permits issued to it. It is understood that at the beginning of 2019 all HPOA vehicles will migrate to the rooftop level and a long term lease will be granted for use of the that area.

We are grateful for the work HPOA does in keeping Hollywood clean.

Hi Wayne,

I wanted to send this your way and see how we can fix this. This sign installed (P2 – 11) has an error on both sides. The one side reads "Capitol Records Hotel" and the other side of it reads "Capital Records Tower". All other signs read "Capitol Records Tower" and that is correct. Please let me know how we can fix this and move forward.

I have attached the plan that was signed off on, where it reads "Capitol Records Tower" on both sides.

Also, I wanted to speak to you in regards to adding establishments to signs in the future. Any chance you or anyone else from your staff has time for a call tomorrow? Let me know and we can chat.

Thank you!

Rich

Dear HPOA placemaking & marketing committee members:

I had the opportunity to work with IKE Smart Cities and one of their program leads, Jibran Shermohammed (copied), during my time in Raleigh, NC. His company is pioneering some very exciting interactive kiosks that provide myriad benefits for urban communities. There is a great overview of the technology and a 4-minute video here on their website: https://www.ikesmartcity.com/

Jibran has been working with the City of LA, the LACVB, and Councilmember O'Farrell's office to bring this technology to Los Angeles. Where this technology has been deployed, the local BID or other destination marketing agency has been a key partner in shaping content, highlighting area businesses, shaping local messaging, etc.

He will be in town on the 11th, and has accepted my invitation to provide a brief overview presentation to members of the HPOA Board whom may be interested in learning more. Should this type of technology become available to LA, I think Hollywood would be a great fit and the HPOA a natural partner.

Hope some of you can join us for this presentation!

Best,

Kris

Dan and Tony,

We are ready to create a section on the Hollywood 4WRD website that will upload the information that has become available re/ the proposed bridge housing for Schrader. I know the council office created a Q and A, and there is a temporary rendering. We could add to this site some of the recent news articles re/ the need for bridge housing, along with blogs for the time being. We are ready to populate this when you send us the files.

Many thanks

TO Business Leaders in Hollywood

With the assistance of Bill Humphrey, at Hudson Pacific Properties, we've organized a short "pitch" session for Hollywood leaders who share a concern about the state of our homeless situation and understand the importance of cash flow in running any organization. This is an efficient way to tell the story to 20 people in one room – and you will also have an opportunity to hear about what is on the immediate horizon for services heading to Hollywood.

Please join us at the **Showroom at Sunset Bronson Studios** on **Wednesday September 19 at 9 a.m.** We promise to keep you for only one hour and the essential elements of our pitch is attached to this email for you to read.

The premise is simple: for the local Hollywood-based nonprofit organization who is best poised to compete for government and philanthropic grants, we need to shore up their cash reserves to manage fluctuations associated with delays in grant payments.

At this meeting, you'll hear from two key representatives from local government who can attest to the importance of directing these funds to Hollywood – **Molly Rysman**, the Homeless and Housing Deputy for County Supervisor Sheila Kuehl, and **Dan Halden**, Field Deputy for Councilmember Mitch O'Farrell. Currently, the primary contractor administering Measure H-funded grants is a Skid Row-based nonprofit organization.

I am on the board at The Center at Blessed Sacrament, and I will be joined by a couple more board members and key staff.

I hope you can attend – and please contact me if you have ideas about other business leaders who may want to participate in this briefing on September 19. I'd be happy to add them to this invite.

Best regards,

Kerry

Jason, hope all is well and happy 2019!

Through this email, I'd like to introduce you to Dan Halden, who works for CD-13. Councilmember Mitch O'Farrell recently promoted Dan to work on a special project (his HEART of Hollywood initiative) to help bring life to buildings and blocks that are still suffering from an inertia that comes from a variety of causes.

Dan is amazingly resourceful and committed to the vision of what Hollywood can become – I've had the pleasure of working at his side, as the Hollywood Field Deputy, for several years now as we have partnered with the council office to get things done. A new deputy will soon take his place.

Because Netflix is fast becoming a key player in Hollywood – and your decisions are shaping the direction of the Hollywood landscape – I wanted to put the two of you together. I know you are very busy with your global RE obligations – but I hope that when you are here in LA, you could set aside some time for Dan, and hear about what the councilmember has in mind for Hollywood.

With appreciation,

Kerry

Hi everyone,

I hope you are doing well. As several of us have been discussing, we are exploring the possibility of bringing some kind of facade improvement program to the "heart" of Hollywood Blvd b/w Highland and Vine.

I have arranged for a walk-through with Carey Jenkins of the LA County Development Commission, which administers facade improvement programs. A similar program is underway now in Pacoima. Some of you may also remember Carey Jenkins from his days with the CRA.

Please let me know if you are available to join us for this site visit/walk-through **this Tuesday, April 9th, at 11:00 AM, starting at Intelligentsia Coffee: 6401 Hollywood Blvd.** I anticipate this will take about an hour.

For the sake of time and efficiency, I'd like to keep the group relatively limited in size. Please do not forward the invitation, but feel free to send me any suggestions about invites.

Please let me know if you can attend this coming Tuesday. Thanks!

Dan, Errol Roussel and I had a terrific lunch meeting with Jackie Duffie, who represents the Julian Medical Building at Cahuenga and Hollywood. We met to discuss the trash solution for the alley – made great progress, and I will brief you more when I see you Friday morning.

Meantime, I told Jackie about the HEART initiative, and the Julian Medical Building, as a historical asset, falls right within the zone you will be focusing on. I'm putting the two of you together in this email, so you have a chance to connect in the future!

Excited to see what the future holds!

Issues at Artisan's Patio

Hi everyone,

I got a call today from Kevin Donan at As the Record Turns – the little record shop at the back of Artisan's Patio, 6727 Hollywood Blvd. A few issues he brought up that I hope we can work together to resolve (I know he's already been speaking with Officer Ben Thompson)

- Vendors setting up on a star on the Walk of Fame to sell tourists the opportunity to put their own name on a star, blocking the entrance to the patio, and often times forcing people to walk in the street because the sidewalk is congested
- Curb painted yellow illegally by tour bus company so they can park their bus there. I thought we had painted this red, but he said as of yesterday the yellow zone is there.

Thanks!

Yes, so I went out to look and it's that curb, but it's a white "Passenger Loading" zone in front of 6741 Hollywood Blvd. We'd just like to confirm whether or not this is legitimate.

Dan, again my apologies for being on a plane coming back from Montana on the night you are having the meeting here at the office re/ Bridge Housing.

Copying Rich on this – he will be there. And, I've arranged for board member Leslie Blumberg to attend as well. She is knowledgeable and very supportive. (John Tronson will be at a Dodger game.)

Do you have an invite for this that I can send to Leslie – or if you did a calendar invite, can you include her?

Greetings All,

Please let us know (RSVP to April) if you can stop by the outdoor patio at 800 Degrees on Wednesday June 27 beginning at 6:30 p.m.

We will be celebrating the formation of the 2019-28 BID (the City Council will meet that morning) and also want to bid our dear colleague Joe Mariani great success in his new role here in Hollywood. There are also some board members who are in transition, and we hope to celebrate their contributions as well.

It should be a lovely summer evening and we hope you can stop by!

We had these in both Grand Rapids and Raleigh too. They can be a little annoying, but people sure seem to have fun on them. Usually the operator is in the rear seat steering the trolley, while the riders generate the energy from their pedaling. The operator of comparable to a limo driver - they are the responsible ones making sure traffic laws are obeyed and the folks celebrating don't have "too" much fun.

Hi Dan –

Not sure if the Council Office would be in a position to contribute financially to Kerry's send off, but wanted to ask as we are reaching out to most of the invitees to see who would be willing. Either way, looking forward to celebrating with you on January 30!

Jeff, LA Family Housing is a well-respected service provider. If you go next week, I'd be happy to accompany on the Friday date; my caveat is that I am on call for jury duty, so anything I schedule for next week is scheduled in pencil. (The Wednesday date is the morning that the city council approves the 2019-28 BID ordinance.)

This week is pretty intense with board meeting and other things already scheduled. But don't wait on me; I've seen their operation before. If you go Friday 6/29, I'm in (unless in court).

Kerry and Rich; Leron, Ana, and Jackie:

I'm introducing you to Kim Olpin with LA Works, which is coordinating a Day of Service in Hollywood in January. This year (or 2019, I should say), LA Works will be working with Netflix, which will be bringing 500 volunteers to the streets of Hollywood for a service project!

Our office has recommended that the area of focus be the Hollywood Walk of Fame -- polishing, litter abatement, graffiti removal, light tree trimming, etc. etc. etc. I thought this would be both practically effective and symbolic as well -- Netflix, a big Hollywood stakeholder, literally brightening the neighborhood AND a symbol of the entertainment industry -- the Walk of Fame.

Kim asked me to connect her to all of you so you could advise in greater depth and detail exactly what the scope of work could be. In other words -- how much needs to be done.

Kim, please fill in anything I've missed, and we can take it from here.

Thank you,

Hi Kim, I know I was not on the recent call you all had, but we did have an opportunity to discuss this amazing gesture by Netflix at a meeting last week.

I would encourage you to not focus on the Walk of Fame for a variety of reasons. First, the BID has accepted responsibility for cleaning – and, in fact, we are in the midst of negotiating a new service contract with a new vendor who will start up Jan 1, 2019 and make sidewalk cleanliness a top priority. **It will be redundant to have volunteers cleaning the Walk of Fame** – as our pressure washing crews will be doing this during the middle of the night 2 – 3 times a week.

That said, there are a lot of sidewalks in Hollywood – many of them outside of the BID – which don't get *any* attention. These are sidewalks that are filled with weeds and litter. Candidates would be Sunset Blvd heading east from the 101 freeway. All of Western Avenue. Sunset Blvd heading west of Cherokee.

One project that would be helpful – but would require city approval – would be to repaint all the red curbs (both in the BID and outside of the BID). Most are very faded right now. That can be done with brush and roller – and perhaps if the commitment was to adhere to exactly where the red curbs are now, the city would grant permission.

Another project would be to tackle the drab utility boxes in Hollywood – they could be cleaned and painted – and the city is generally very supportive of this. Perhaps you could identify an artist who would help with some simple design templates and the city would grant permission to do the painting.

Not sure if your budget allows for hiring a landscape consultant but there are two ideas. First, – if you have the capability of doing landscaping – would be to replant the LaBrea/Hollywood "4 ladies" median with drought resistant plants. A second would be to replant empty tree wells throughout Hollywood – that would require canvassing to see where they are, identifying the appropriate tree and then having the tools to do so.

I know you have 500 volunteers – which is a large number to deploy all at one time. I trust you will be able to break them up into smaller groups over several days, as it may be hard for such an army to descend upon the neighborhood.

I hope these are a couple of useful ideas. I know they require some coordination and in some cases supplies and permission from the city. This is a good time to have this conversation.

HI Kim, because not all projects would happen within the BID, I suspect Dan could be the coordinating person. Some of the other suggestions we made fall in other parts of Hollywood – with 500 people, its going to make most sense to divide people up into many smaller groups.

We are happy to coordinate with you all – there are a lot of logistics involved. Equipment? Supplies? Blocking off sidewalks or curbs, etc? Artistic design? Transport, etc.

Looks good to me. Adding graffiti removal would be terrific. I'm CCing Sylvan De La Cruz from our office below. Sylvan, please take a look at this list:

Proposed projects include:

- Cleaning and polishing some parts of the Hollywood Walk of Fame
- Decorating Utility boxes: painting some, and installing artistic wraps around other
- A large mural or two at sites TBD
- Planting around LaBrea/Hollywood "4 ladies" median with drought resistant plants
- Planting trees in empty tree wells
- Repainting red curbs
- Weeding and trash pick-up

We will probably need to verify the painting of red curbs with LADOT, but we have plenty of time to make that happen. And as Kerry and others have noted, that will make a huge aesthetic improvement to the area.

Thanks again,

Yes, that all sounds great.

I can order tools from OCB for the landscape planting at LaBrea and Hollywood Blvd, and I can reach out to LABT for the trees. Though we would have to get tree watering commitments from the property managers adjacent to where the trees will be planted.

Can someone let me know what area precisely I should survey to determine how many empty tree well cut-outs there are?

I noticed the board for Larchmont Charter School, Alicia Lara is Vice Chair – thought it might be good to bring her into the loop re/ the upcoming meeting at the school, as United Way is a leader in addressing homelessness.

Subject: Mobility Trust Fund

Dear Councilmember O'Farrell,

We have been pleased to work alongside your staff and other members of the city family to prepare the plans and specifications for a long-awaited Wayfinding signage program for Hollywood. It has been serendipitous that multiple agencies could work collaboratively to coordinate similar wayfinding objectives – the Department of Transportation in alerting people to city lots with occupancy signs, METRO to point people into the right direction of public transit resources, and guidance and review from Caltrans. In addition, we have substantial interest and support from the Hollywood Chamber of Commerce and the Hollywood Trust. Note that Dan Halden from your office was instrumental in facilitating this complex group effort.

To underwrite the design costs and preparation of specs and construction documents, funds have been pledged and/or allocated from the Hollywood Entertainment District BID, the Sunset & Vine BID and the Hollywood Chamber. The total cost of this pre-construction phase is $72,000. The HPOA also dedicated staff time to coordinating this project, complete with community open houses, with Hunt Design. The final stage is construction, and each of the government entities have earmarked resources toward this final phase. We understand the delta that remains to allow the project to proceed with fabrication and installation is approximately $90,000 to 100,000 – far less than the original estimate two years ago of $250,000.

We have kept the boards for both the Sunset and Hollywood BIDs apprised of the project, and the question has been raised, "can the Mobility Trust Fund be tapped to contribute to the completion of this project?" Several property owners in Hollywood have contributed to this fund, and this would seem to be a prime candidate to contribute to improved mobility and access as people drive into and through this community.

After having worked for two years to get to this point, the BID board is anxious to see the fruits of their labor and investment. Further, because the BIDs have not been billed for the final work related to completing the construction docs, time is of the essence, because these funds have been set aside, but both BIDs end in eight months. Also note that the energy and enthusiasm for the project is at its peak and our consultant tells us that now is the time capture the momentum.

Thank you for considering this, and please advise if there is anything I can report back to the boards at their May meetings.

With kind regards,

Kerry Morrison

Dear Mr. Halden, As of this morning the homeless people are no longer on Leland Way, but they left loads of garbage and there is excrement by the mattress and we do not want out staff to clean it up for obvious reasons, could you please send your special cleaning team (hazmat?)

- Also, the construction crew has taken over Leland Way for parking (please see attached pics), could they at least clean the street up? It looks revolting with all the trash because the weekly sweeper has not been able to clean for weeks due to the construction workers not moving their vehicles for the sweeper.

Thank you in advance for your continuous support to Hollywood El Centro residents.

Hi Jeanne,

I think you saw the letter we sent earlier this month, at the request of the Hollywood BID Board. We haven't heard anything back, and tomorrow is our Streetscape/Planning Committee agenda. The committee has asked for a progress report.

We are holding onto funds, in the current two BID budgets, to pay for construction docs. These funds come from the current two BIDs, which expire at the end of the year, so it is important to get this figured out very soon.

Peere Ghent, who is the Project Manager for LA Express Park for DOT, had reported at the Chamber Economic Development Committee two weeks ago that the project could be installed as early as August (!?)– which caught us by surprise, because we thought there was still a funding gap?

Frank Stephan, on the Hollywood Board, attempted to reach Craig Bullock at least twice before the Hollywood BID board prior to our May 17 meeting, as he has taken point on this for Hollywood, and he never received a return call.

So, Jeanne, I hate to bring this to the attention of the Chief of Staff – but I don't know where else to turn. I'm copying Dan because he is our deputy, but I know he has his hands full with the bridge housing (and other projects) and this is not in his bailiwick.

Let me know next steps, and what we can report tomorrow to the committee.

Many thanks!

Kerry

Thanks, Audrie!

FYI, I'm CCing Jennifer, Tescia, and Steve from PATH, along with Rudy and Alex from The Center. As you know, should the project be approved and move forward, PATH and The Center would be operating the facility.

To answer your questions:

Status: The proposal has been approved by the City Council's Homelessness & Poverty Committee. It now goes to the Budget & Finance Committee. If B&F approves it, it will go to full Council for a final vote. This could all happen within the next couple of weeks; it could conceivably be officially approved by the time you have your board meeting on 9/18, but it is too early to tell. Will keep you posted.

Coffees: So far, only two folks associated with the YMCA have RSVPed or attended (both staff members). Has the flyer been shared with YMCA membership?

Security: If it is approved and constructed, there will be 24/7 security on site and that is non-negotiable. Additionally, a walkway from the Y's parking lot into the Y's building will be provided.

Surrounding Neighborhood: If it is approved and constructed, the City will be providing extra resources to the area around the facility (including the YMCA) -- more sanitation and law enforcement resources, 5 days per week. Signs will be posted in the area advising that it is a special "zone" with enhanced enforcement and cleaning. Additionally, PATH has a "good neighbor" policy related to the surrounding area that would be implemented as part of the project.

Population: If approved and constructed, up to 70 people could live at the facility at any given time -- adult men and women. If approved, throughout the fall there will be a heavy volume of outreach being done to the homeless population in Hollywood, hoping to connect them to the bridge housing.

Please let me know if you have any questions.

Thank you,

When creating a service request with 311, what should we label trash as, and should I be labeled differently if there's hazardous material (needles, etc.)? I want to be sure we're submitting the category of request that goes to you – as we discussed earlier this week.

CD 13 Meeting Regarding Homeless Shelter 2/28/18

6 messages

Juan Fregoso <juan.fregoso@lacity.org> Fri, Feb 16, 2018 at 3:09 PM
To: Brigid Kelly <BrigidK@epath.org>

Hi Brigid,
Our office is looking into the possibility of creating a homeless shelter in the area. Councilmember O'Farrell asked that we include the Property Manager at La Kretz so she can represent the tenants and any issues they might have.

Do you think she would be available to meet us at our District Office on February 28th from 6:00-7:30 PM for an intimate conversation among a select group of stakeholders to discuss next steps?

Please advise and let me know if she can attend and represent the tenants at La Kretz.
